A Triple Murder.

Galveston, Texas, March 17.—A special from San Antonio to the News says: A triple murder was committed yesterday afternoon at the railroad camp on the northwestern extension of the San Antonio and Alamo River road, fourteen miles beyond Boerne. Henry Madison, a well known stock man and contractor of this city, employed a number of men and teams to haul lumber to the camp. Stowe, went to Madison and asked him for some money, and was told he could not get any until Saturday. Stowe became enraged and said he would have either money or blood, and without further parley pulled a gun and fired, killing Madison instantly. Two Mexicans in camp, who had witnessed the shooting, ran up and attempted to arrest the murderer, whereupon Stowe shot and killed them. The murder is claimed to be unjustifiable, and if Stowe is caught he will be lynched.

O. Railway of the B. & O. Telegraph Company has been made, and on the steps leading to the church was a great crowd of people. The latter gave way under the strain, precipitating fully two hundred people a distance of ten feet. Two men and two women sustained injuries, and one man was killed. The others were quite seriously injured.

First Installation.

New York, March 17.—A report was circulated this afternoon that the Cincinnati, Hamilton & Dayton party, represented by Messrs. Ives, Stayer and Meyer, had paid \$500,000 on Monday night as the first installment of the purchase money of the Baltimore & Ohio, which they are said to have acquired. No information confirming it could be obtained, however, although Major Borne, of the Ives party, characterized it as a rumor. He said, as he refused to express any opinion whatever. One of the parties prominent in the negotiations for the Stayer crowd, said, however, that they had made arrangements to take a share in syndicate of railroad representatives and had put in their first installment of cash.
