KISSES.

(As in Romeo and Juliet.)

A prominent physician calls the kiss "an elegant disseminative of disease." He says, "fever is spread by it, as are lung diseases." Out upon the gnarled and sapless vagabond! Evidently kisses are not for such as he, and the old fox says the grapes are sour. Let him devote himself to making our women healthy and blooming that kisses may be kisses. This can surely be done by the use of Dr. Pierce's Favorite Prescription, which is simply unequal to curing diseases peculiar to females. After taking it for a reasonable length of time there will be no more irregularity, backache, bearing-down sensations, nervous prostration, general debility and kindred ailments.

It is the only medicine for women, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money refunded.

Physicians ordered me to a more congenial climate, and I came to San Francisco. Soon after my arrival I commenced taking Scott's Emulsion of Cod Liver Oil with Hypophosphites regularly three times a day. In ten weeks my weight upon went from 155 to 180 pounds and over; the cough meantime ceased.

SUMMONS.

In the District Court in and for the Third Judicial District of Utah Territory, County of Salt Lake.

Henrietta Brewer, Plaintiff, vs. John J. Brewer, Defendant.

The People of the Territory of Utah send Greeting:

To John J. Brewer, Defendant.

YOU ARE HEREBY REQUIRED TO appear in an action brought against you by the above named plaintiff in the District Court of the Third Judicial District of the Territory of Utah, and to answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons—if served within this county; or, if served out of this county, but in this district, within twenty days; otherwise within forty days—or judgment by default will be taken against you, according to the prayer of said complaint.

The said action is brought to have a decree of this court dissolving the bonds of matrimony now existing between plaintiff and defendant—awarding to plaintiff the care, custody and control of their four minor children, to-wit: Lillie, Charles and Ernest Chesley—adjudging that defendant pay the expenses of this action, counsel fees herein and such sum for alimony as to this court may seem just for her support; and for general relief.

Upon the ground that for more than one year next prior to the commencement of this action, and from the fourteenth day of August, 1888, said defendant, disregarding the solemnity of his marriage vow, wilfully and without cause deserted and abandoned said plaintiff, and still continues so to willfully and without cause desert and abandon plaintiff, and to live separate and apart from her, without any sufficient reason, and against her will and without her consent, and that defendant, for more than one year last past has wholly failed and neglected to provide plaintiff with the common necessaries of life—during the ability so to do; but has compelled her to live upon her own labor and the charity of friends.

And you are hereby notified that if you fail to appear and answer the said complaint as above required, the said plaintiff will apply to the Court for the relief demanded therein.

Witness, the Hon. Charles S. Zane, Judge, and the seal of the District Court of the Third Judicial District, in and for the Territory of Utah, this 4th day of October, in the year of our Lord one thousand eight hundred and eighty-nine.

DESERET EVENING NEWS.

Monday, - March 3, 1890.

BERLIN NEWS.

Bismarck Is Planning for a Reconstruction of the Government Majority.

THE SHOOTING OF AN EX-CONGRESSMAN.

Cyclone in Mississippi.—Dangers of the Ocean.—Lynching in Colorado.

By Telegraph to the NEWS.

FROM BERLIN.

The Defeat of the Cartel Coalition.—Bismarck is Planning.

BERLIN, March 1.—By the results of the second ballot reported today the disastrous defeat of the Cartel coalition was confirmed, and the same figures put in a stronger light the triumph of the German liberals and socialists. Four districts in this city, in which the first canvass was undecided, are known to have been carried by the German liberals. Returns from the provinces receives up to 9:30 p. m. continue to disclose in every direction the defeat of the national liberals and the success of the popular candidates of the various stripes.

BISMARCK IS ALREADY PLANNING and negotiating a reconstruction of the government majority by manipulation of the parties. In the new scheme the center party will replace the national liberals as they stood in the Cartel. The elections have resulted in a full restoration of the Prince's control over the Emperor. He never seriously intended to retire, but would rather have retired than have played the part of a figurehead. His giving out of a purpose to resign calls the Emperor's attention to the fact that it would be a logical consequence of his separating himself from the Chancellor, and doubtless led him to reflect upon what he was to do without him. As soon as the adverse result of the elections was perceptible this reflection must have loomed up as one of serious moment, and all this led the Emperor to an unqualified adhesion to the Prince's projected parliamentary plan. The first measure showing the drift of the scheme is the revival of active relations with the Vatican. An important point is Bismarck's recommendations as to the details of a

RESTITUTION TO THE CATHOLIC CLERGY

of the sums sequestrated during the Kulturkampf. Report also credits the Emperor with having written personally to the Pope on the close connection of his proposed State socialism with Christian socialism, as embodied in papal allocutions.

It is not thought the coming international labor conference will amount to much, although the Emperor is sanguine. England and France having objected to the consideration of the nine hours, this part of the programme has been amended and practically withdrawn. Thus the conference already assumes the character of an academic meeting, in which many theoretical suggestions will be made.

Depew Denies It.

NEW YORK, March 1.—Chauncey M. Depew denies that he contemplates resigning as president of the New York Central to become a candidate for the Presidency in 1892.

That Bank Robbery.

ASHLAND, Wis., March 1.—Evidence of a startling nature was given today by J. C. Lennox, brother of the attorney in the Hurley bank robbery case. He said that two weeks before Christmas Goodland came to him with a proposition to make $500 apiece, saying that Cashier Reynolds had offered him that much to help rob the bank. Witness asked Goodland if Perrin had anything to do with the scheme and was told that he knew nothing about it. Defendant Edward Baker said he came to Hurley broke and went to Perrin for help, because he had known the latter for twelve years. Perrin, witness testified, gave him $1500 to buy a saloon. This, saw the act of license and other minor matters, was the money he had on his person when arrested. Baker endeavored to establish an alibi by testifying that he was at the theatre the hour of the robbery.

Prefers To "Die Later."

WASHINGTON, March 1.—Just before the shooting affairat the Capitol yesterday Speaker Reed showed Representative Stewart a letter which the latter thought too good to keep private, and gave its contents to several colleagues, through whom it in turn reached the press, to the discomfiture of the Speaker.

Dear Mr. Carutli:

I shall not accept the invitation tendered me by the Blue Grass Club. The reason is very simple—that J. F. Durham is president. Now, Jay F. Durham assured me during the late disturbance that if they had me in Kentucky they would kill me. Knowing said Durham to be a journalist, hisdeclarations to me import absolute veracity. I do not wish to be killed, especially in Kentucky, where such an event is too common to attract attention. For a good man to die anywhere is, of course, his gain, but I think I can make more by dying later and elsewhere. Very truly, T. B. REED.

The Washington Shooting.

WASHINGTON, March 1.—Taulbee's chances for recovery are good. He has greatly improved. No attempt will be made to probe for the ball, as it is doing no harm where it is for the present.

Late this afternoon Kincaid, with his attorney, appeared before Judge Miller in the police court and, waiving examination, gave bonds in the sum of $2000 to await the action of the grand jury.

"Thayer" or Silcott.

CHEHALIS, Wash., March 1.—The sheriff arrived here today with the man arrested at Toledo, supposed to be Silcott. He has given the name of E. Thayer, and is apparently attempting to conceal his identity. He claims to have been a resident of Washington, D. C., and to have known Silcott.

Colorado Lynching.

SALIDA, Colo., March 1.—Rumors are received regarding a murder and the lynching of the murderer last night at Valle Station, fifteen miles below here. A. M. Wasson, who runs a saloon and dance house, got into a quarrel with a railroad man working with the crew broadgauging the railroad, and the railroad man knocked Wasson down, whereupon Wasson drew a revolver and shot the fellow, who died almost instantly. A crowd soon gathered and took Wasson out and hung him to a pinyon tree near the scene of the murder.

One More Negro Lynched.

MARTINVILLE, Miss., March 1.—The corpse of a negro was found hanging to a railroad bridge at Ittenamba today. Inquiry showed it to be the body of Burke Martin, a negro who shot and killed a white man for the purpose of robbery. He was lynched by unknown parties last night.

Another Daring Bank Robbery.

VALLEY FALLS, Dak., March 1.—Late this afternoon a stranger entered the local bank and presented a check. He had his face bound up in flannel and asked to go behind the railing to the stove. Once there he took from his pocket a revolver and covered the cashier, and directed him to leave the building. The cashier left and the robber then locked the door, secured his booty and escaped, though closely pursued by citizens to whom the cashier had given the alarm.

Nearly All Recovered.

BUFFALO, March 1.—Ross Carter, telegraph operator from Cincinnati, was arrested here yesterday charged with having absconded with $7,906 belonging to Miss Allen, whom he was about to marry.

The Rubber Men.

NEW YORK, March 1.—The manufacturers of rubber boots and shoes adjourned their meeting until Wednesday next when they will meet in Boston. Some manufacturers think Para rubber will advance to $1 per pound before midsummer.

A Mississippi Cyclone.

KOSCIUSKO, Miss., March 1.—The town of Carthage, Miss., was partially destroyed by a cyclone yesterday. The courthouse was untouched and several residences demolished, including C. P. Brannan's. The Brannan family, husband, wife and four children, were buried in the ruins and severely hurt.

Minister Pauncefote's Denial.

WASHINGTON, March 1.—British Minister Pauncefote denies emphatically the assertions in the special cable mentioned yesterday that he disagrees with the head of the Government in London on the Behring Sea matter.

Lucky Bank-Wreckers.

NEW YORK, March 1.—The February term of the grand jury expires today and they were discharged without finding additional indictments in connection with the wrecking of the Sixth National, Equitable and Lennox Hill Bank. The presentment made in relation thereto recites that the bold and unscrupulous conduct of the officers of the bank placed immense amounts of money in jeopardy and that the State laws provided no remedy. The suggestion is made that the laws be amended to meet the emergency.

A Fall Out.

BERLIN, March 1.—A serious scene occurred today between the Emperor and Prince Bismarck. The latter protested against unofficial influences, especially alluding to Privy Councilor Hinz Peter, the Emperor's tutor. The Chancellor is reported to have said his Majesty must choose between Councilor Hinz Petr and Chancellor Bismarck.

Electric Bitters.

This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise.—A purer medicine does not exist and it is guaranteed to do all that is claimed. Electric Bitters will cure all diseases of the Liver and Kidneys, will remove Pimples, Boils, Salt Rheum and other affections caused by impure blood.—Will drive Malaria from the system and prevent as well as cure all Malarial fevers.—For cure of Headache, Constipation and Indigestion try Electric Bitters—Entire satisfaction guaranteed, or money refunded.—Price 50 cts. and $1.00 per bottle at A. C. Smith & Co.'s Drug Store.

Is Consumption Incurable?

Read the following: Mr. Morris, Newark, Ark., says: "Was down with Abscess of Lungs, and friends and physicians pronounced me an incurable Consumptive. Began taking Dr. King's New Discovery for Consumption am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."

Jesse Middlewart, Decatur, Ohio, says: "Had it not been for Dr. King's New Discovery for Consumption I would have died of Lung Troubles. We given up by doctors. Am now in best of health." Try it. Sample bottle free at A. C. Smith & Co.'s Drug Store. 5

What It Costs

Must be carefully considered by the great majority of people. In buying even necessities of life. Hood's Sarsaparilla commends itself with special force to the great middle classes, because it combines positive economy with great medicinal power. It is the only medicine of which can truly be said "100 doses one dollar," and a bottle taken according to directions will average to last one month." 6
