On April 21st, 1831, he and his family started for Independence, Jackson County, Missouri, which they reached on the 25th of July of the same year. In 1842, he reached Nauvoo, where he remained until the exodus of the saints from that place in 1846. He reached Mount Pisgah May 25th of the same year, and in 1850 started for Great Salt Lake City, arriving there on September 17th, and in Mantl November 5th, of the same year, where he lived until his death, honored of all.
