EARTH CLOSETS!
ARE the modern improvements which take
the place of and supersede the Water Closets
in houses, and dispense with cesspools and
other repulsive features of the out-door privy.

EARTH CLOSETS!
ENTIRELY dispense with the use of Water,
Employing Dry Earth in its stead. They
enable nature's wants to be attended to in
comfort, instead of with the usual disgusting
surroundings. Are especially adapted to the
use of invalids and of the sick room.

EARTH CLOSETS!
FREE from offensive odor, at all times,
whether in or out of use, can always re-
main where most needed.
Commodious, which may be used in any
room, and fixtures, by which an Earth
Closet may be set in any convenient place in
the house, are sold so cheaply that they are
within the reach of all.
