court R. W. Sevy, receiver for the  
Gold Mountain Consolidated Mining  
company, filed his report and asked for  
an order to sell what is known as the  
Robinson ranch. E. E. Hoffman, coun-  
sel for the company, made objection,  
which was overruled and the order  
for the sale was issued.  
J. B. Sorenson, president of Redmond  
town, appeared before the court and

asked that a title be given to the town  
of a piece of land lying within the town  
limits unclaimed. The order was made  
accordingly.

### RICHFIELD BRIEFS.

A marriage license was issued to  
John H. Nebeker of Richfield and Lil-  
lan Hoyt of Weiser, Idaho, on the 17th  
inst. They were married the same  
day by Bishop George W. Coons of  
this city.

O. L. Farnsworth of the Walters'  
Theatrical company, has returned home  
and reports his company having had  
a very successful season. The balance  
of the company are recruiting at Provo.  
The Monroe people are trying hard to  
raise a national guard. They have 40  
names subscribed and intend very soon  
to ask the state to muster in a com-  
pany.

On the 18th inst., a baby girl was born  
to Mr. and Mrs. Orson Rasmussen of  
this city.

Don't let the baby suffer from ec-  
zema, sores or any itching of the skin.  
Doan's ointment gives instant relief,  
cures quickly. Perfectly safe for chil-  
dren. All druggists sell it.

### POWELL MURDER TRIAL

#### AT HEBER A FAILURE

(Special Correspondence.)  
HEBER CITY, Wasatch Co., May 17.  
—District court was in session here  
last week. The principal case heard  
was the trial of Powell for the killing  
of an Indian last year on his reserva-  
tion. Two days were taken up in se-  
curing a jury, and after the evidence  
was heard, the jury failed to agree, and  
they were discharged. The case will be  
heard again in August.

### HEBER BRIEFS.

The new postoffice building is nearly  
ready for the roof.  
The addition to the bank building is  
progressing rapidly. Many other build-  
ings are in contemplation for the sea-  
son.  
The fruit is all O. K. so far. The  
cold weather is keeping the buds back.  
None in bloom yet.

### CONTRACT LET FOR CHURCH HIGH SCHOOL AT RAYMOND

(Special Correspondence.)  
CARDSTON, Alberta, Canada, May  
5.—Contracts for the new church  
high school to be built at Raymond  
this summer were today let to Messrs.  
Cahoon and Newton of Cardston.

### CARDSTON BRIEFS.

Backward spring weather during  
April and so far this month seem-  
ingly has not dampened the ardor of home  
seekers from the states. Every day,  
snow or shine, brings some strangers  
here. Reports are that the Cochrane  
ranch is one large tented city, most  
of the settlers there waiting until after  
the spring work is done, before com-  
mencing permanent improvements on  
their lands.

Baby girls came recently to the  
homes of O. E. Bates and J. Sidney  
Tanner, while farmer boys came to  
Mayor and Mrs. J. T. Brown and  
Mr. and Mrs. D. S. Beach.  
A new survey was just made on the  
west of town for a railway from  
Pincher Creek to Montana by way of  
Whisky Gap. Assurance is given that  
this road will be built, and that work  
will commence in June.

### ALBERTA WEATHER HANDICAPS FARMERS

(Special Correspondence.)  
MAGRATH, Alberta, May 13.—In  
45 days since spring work began  
the farmers have worked only 10 days.  
The weather has been a continuation  
of wind and storms until now it looks  
like spring. Wheat planting will have  
to be abandoned. Those farmers who  
plowed last fall have their crops in.  
The ground is very wet.

### FOR STREET IMPROVEMENT.

MAGRATH, May 13.—The vote of the  
ratepayers on the issuing of \$14,000  
debentures for street improvement was  
taken on the 10th inst. and resulted in  
a victory for the bonds. Only four votes  
were cast against the proposition. This  
means that three miles of streets will  
be graded, and 15 blocks of sidewalks  
cemented.

### MAGRATH BRIEFS.

Born to Mrs. William Baxter, a son.  
New engines for plowing continue to  
arrive, but the weather and the big coal  
strike of the western miners keep them  
pretty well tied up.  
On May 8, George Naylor, Jr., was  
kicked in the face by a horse. From  
the slight damage done it is hard to  
say whether George is lucky or un-  
lucky.

### NOTICE.

solidated Mining Company.—Pursuant to
