Large Audience Enjoys Rare Musical Treat-A Successful Affair.

Ogden. Oct. 26 .- The benefit concer given last evening at the Fifth ward amusement hall for the children of Robert C. McEwan was a thorough success in every way. The hall was filled with an appreciative audience. Just what the proceeds from the con-cert will be is not yet known, as many takets were given out to various per-sons to sell, on which it will take sev-eral days to get the returns. It is es-timated that the affair will net \$125 for the family, which will be quite a

help. To Professors Squire Coop and Charles Kent is due great credit for the excellent program rendered. The illness of Feter Madsen of this city who was said to be suffering from pneumenia, as reported a few days ago, will apparently not terminate so seriously as was expected by the doc-ters, who came to the conclusion that however, told them they were mistaken, that he did not have pneumonia, and that he was not nove pheumonia, and that he was not going to die right away. Whether or not he had pneu-monia is probably an unsettled ques-tion, but he was a very sick man. Now he is so well that his family have dif-ficulty in preventing him from leaving the house to enjoy the fine weather.

A musical festival will be given in the Sixth ward meetinghouse, Friday, evening. The following talented ladies and gentlemen are among those who hame numbers on the program: Prof. A. C. Lund Miss Florence Jepperson, Miss Pearl Boren, R. R. Irvine, Jr., Mrs., Estella Sparks, W. D. Boberts, Jr.,

With medicines as with other things, the surest test of worth is the length of time they have the confidence of

the people. The efficacy of S. S. S. has been thoroughly

proven by experience, and so successful has it been that today it is the best known and most widely used blood

remedy in the world. For diseases such as Rheumatism, Catarrh, Scrofula, Skin Diseases, Sores and Ulcers, Contagious Blood Poison, and other troubles due to an impure and poisoned condition of the blood, no remedy acts so

promptly and thoroughly as does S. S. S., and thousands throughout the country, cured of such diseases, are daily recommending it to others simi-larly afflicted. **ITS FORTY VEARS OF EXISTENCE NAVE BEEN**

FORTY YEARS OF CURES. S. S. S. is a blood purifier of the highest order, containing properties necessary to cure blood troubles of every character,

and which make it the greatest of all tonics. It goes into the blood and drives

out any and all impurities, and makes this stream of life strong and healthy,

and when this is done disease cannot remain. Being made entirely from roots, herbs and barks, chosen for their healing, purifying and building-up proper-ties, it does not injure any of the delicate organs or tissues of the body as do those medicines which contain Potash, Mercury, Arsenic or other harmful min-
