

OGDEN

PLANKS FOR "AMERICAN" PLATFORM

The so-called "American" platforms contain a great deal of falsehood, nonsense, and deception. But the following "principles" are part of the program, though not formally inserted in the platform, and should be considered by all voters:

1. The Chairman of the "American" party mass state convention in the Salt Lake theater Monday evening, Sept. 23, declared a war of extermination to be waged against the Mormon Church officials in the fall campaign. "To carry the county and judicial districts for the 'American' party and thus start the machinery of the courts in motion to accomplish THE IMPRISONMENT or EXILE of the band of twenty-six, this is the program of the 'Americans' as announced at the state convention."—Salt Lake Herald, Sept. 29.

A vote for the ticket supported by the Tribune is a vote for a program that includes the imprisonment and exile of every prominent Church leader. "Crucify! Crucify!" is the key note of the Tribune campaign.

2. Another declaration of principles involves the raising of the taxes on all farm property in the county. This was intimated in the Tribune during the bond campaign, as follows:

"Queer, it is not, that since the [smelter case] decision the farm lands have decreased in value for the purpose of taxation? In other words, the lands are not so valuable as they were, and farming upon smelter smoke was more productive from the dollar and cent standpoint of the farmer than the tilling of the soil. While there has been a large increase in the value of property for taxable purposes in Salt Lake City, there has been a decrease in the property outside, and the farm lands are not worth as much as they were a year ago. I SAY IT IS QUEER, but remember it is a fact."

A vote for the ticket supported by the Tribune means a vote for the increase in taxes, principally for the benefit of the politicians who are in it for "the spoils."

The following is Tribune doctrine:

"Apropos of the new and petty war recently started by the municipal government on the women of the town, the liquor dealers and the gambling fraternity, one of the 'enemy' said to us the other day: 'It may be a hard thing to say, and perhaps harder still to maintain, but I believe that billiard halls, saloons, and houses of ill-fame are more powerful reforming agencies here in Utah than churches and schools, or even the Tribune.'"

"Freedom is the first requisite of manhood, and if it can be won without excesses, so much the better. If it can't, never mind the excesses; win the freedom."—Tribune, March 6, 1881.

A vote for the Tribune ticket is a vote for the establishment of the agencies of liberty mentioned in the editorial extracts reproduced.

Respectable "Americans" might, for the good of the party and the city, and in the interest of peace, revolt against the organ of hatred, indecency, and brutality. It is no credit to the party.

STRANGE DEATH OF C. A. DE GROOT

Operated Upon for Rupture of the
Stomach, but Sinks in
Twenty-Four Hours.

VICTIM OF DESIGNING MAN

Case Against Lita F. Saunders Dis-
missed—Death's Record—Scarlet
Fever at School Abated.

Ogden, Oct. 28.—Cornelius A. De Groot, 26 years of age, died at the Ogden general hospital yesterday at 4 p. m. of rupture of the stomach, after a brief illness of 24 hours. Monday afternoon while working at the Hess bakery young DeGroot took violently ill with pains in the stomach and was removed to the hospital where he was operated upon by four physicians. Upon opening the stomach, a hole about the size of a dime was found in it. Following the operation the young man began sinking and passed away about 20 hours after he was seized with the pains.

The deceased was born in Holland, December, 1888, and came to Utah several years ago with his mother and father, who together with brothers and sisters survive him. Arrangements for the funeral will be announced later.

VICTIM OF DESIGNING MAN.

Lita F. Saunders, the young woman who was arrested Saturday night upon the charge of obtaining money under false pretenses was dismissed from custody by Judge Murphy in the police court yesterday afternoon. The court decided that the young woman had been punished enough, and that she was more or less the unconscious accomplice of the man who issued the checks.

The young woman arrived in Ogden about a week ago as the bride of a man who signed himself as "J. L. Martin," and after spending Friday night at the Reed hotel, Saturday morning she cashed the amounts aggregating \$100 which the young woman cashed at C. D. Ives and East & Thomas. As soon as Martin received the money he became suspicious and left the woman in the lurch. The woman was arrested Saturday evening as she was about to take a train to Salt Lake City.

When taken to the police court yesterday, the young woman completely broke down and it was with great effort that she could stand while the charge was read to her. With a choking voice she said that she was guilty of passing the checks. Her age and manner in court convinced the officers that she was the victim of a designing man, whom she had trusted and the case was dismissed.

EDITH MARIE GREEN, wife of George D. Green, died at the family home yesterday, at the rear of 2500 Washington avenue, where the family recently moved from Plain City. The deceased was married by a husband, a son and three daughters. The funeral will be announced later.

Mrs. Robert Baird of West Second street, died yesterday at the age of 72 years, of general debility. She was born in England April 20, 1836, and in 1857 joined the Latter-day Saints Church and came to Utah. Since her residence in Weber county she has been a devoted worker in the relief work of the church, and was a member of the Relief Society. She is survived by a husband, two sons, a daughter, 22 grandchildren and two sisters. The funeral arrangements will be announced later.

SCARLET FEVER ABATED.—Sanitary Inspector George Shorten reports that the several scarlet fever cases at the state industrial school were now convalescent and would be released from quarantine. The hospital at the school which has been in constant use for more than three months will be thoroughly disinfected, the bedding burned and everything possible done to insure against a possible recurrence of the contagion.

During the epidemic at the school there have been 21 cases of scarlet fever and four of typhoid. There have been two deaths in the school from the contagion, one of the deaths being a young woman who was employed there and the other being a male inmate.

Inspector Shorten pays a tribute to the superintendent and nurses who have worked so faithfully in caring for the sufferers during their illness, and for the strict vigilance and care which has been taken to prevent the spread of the contagion throughout the school.

CHINESE WEDDING.—An unusual sight at the Union depot yesterday afternoon was a little Chinese lady, who, all veiled in red and with her feet distorted out of shape so that they resembled clubs, was met by a young Celestial of Salt Lake City who is to be her husband. The father of the groom-to-be accompanied the bride-elect from San Francisco, where he purchased her for a good round sum. The trio left on a late train for Salt Lake, where the marriage will take place.

AGAIN IN DURANCE VILE.—After being liberated through the efforts of his wife from the county jail, where he was awaiting trial upon the charge of forgery, J. B. Douglass now finds himself back in the clutches of the law upon a similar charge. While under the influence of liquor yesterday afternoon Douglass was arrested by Officer Russell while he was trying to pass three fictitious checks upon business houses of the city.

About four days ago Douglass was released from the county jail. When

M'ALLISTER DEAD

Acute Gastritis Claims Well Known
Man While He Was at Work
In His Barn.

John D. H. McAllister, a well known Salt Lake, was found dead in his barn, rear of 241 east Fifth South, shortly after 8 o'clock this morning. The discovery of the body was made by Bishop Hunter.

Mr. McAllister was married to Alfreda Ann Fitzgerald Oct. 23, 1875, and she, with eight children, survives him. The names of the children are, Mrs. Ethel Hicks, John McAllister, Mrs. Laura Cheever, Archie, Ella, Gerald, Gail and Leon McAllister. Arrangements for the funeral have not been completed.

WELLS FAMILY REUNION.—The ninety-fourth anniversary of the birth of the late President Daniel H. Wells, was held by the family at the residence of Mr. and Mrs. Rulon S. Wells, last evening. These annual events are assuming more and more importance as time goes on and as the descendants of the famous pioneer go on multiplying, and the likelihood is that next year the celebration will occur in some large hall, instead of at the residence of one of the family. Last night's gathering was made up of the surviving wives, sons and daughters, grandsons and granddaughters, and great-grandchildren, nearly all of whom participated in an elaborate program. Mrs. Emmeline B. Wells, Mrs. Hannah Wells, Mrs. Lydia Ann Wells, and Mrs. Susan Wells, gave reminiscent talks; Charles H. Wells, read a paper on early Indian wars, in which his father took part, and there were recitations, songs and tableaux galore, the most original of which was a cantata entitled, "Mother Goose's Village," participated in by a picturesque flock of faries and dwarves, the whole adapted and conducted by Margaret Whitney.
