## BUSINESS IN DISTRICT COURT

Damage Suit of Wardle vs. Hoag Dismissed to be Re-entered For \$10,767.

## SERIOUS RUNAWAY MISHAP.

Four Newspapersmen Have Thrilling Experience—School Finances of Weber County—News Briefs.

Ogden, July 8.—In the damage suit of Wardle vs. Hoag, Judge Howell granted the motion of Attorney Nathan J. Harris in behalf of Ezra J. Wardle, to dismiss the suit brought to recover \$10,000 damages, alleged to be due for personal injury received by Wardle, a minor, and another complaint asking for damages in the sum of \$10,767 and costs of suit is to be filed today against Mr. Hoag.

The new complaint sets forth that June 11, 1905, young Wardle was riding along on a hay rake in the Farr-West district, and was about to turn into a gate and enter a field when Mr. Hoag came along the road with his automobile, traveling at a rapid rate of speed; that he footed the auto horn and dashed between the horse and the boy was driving and the fence, causing the horse to run away, and Wardle was thrown against a barb wire fence, which lacerated his hands, arms and other parts of his body, causing serious and permanent injury, necessitating the amputation of one of his fingers. The first suit was dismissed because the injuries have proven more serious than were at first thought, and his attorney thought he was entitled to sue for more damages. Mr. Hoag is cashier of the Utah National bank.

### INJURED IN RUNAWAY.

Four Newspapersmen Have Thrilling Experience Saturday Evening.

Ogden, July 8.—Walter D. Bratz, Le Roy T. Booth, Carl Williams and Burl Armstrong, four employees of the Inter-Mountain Republican, had a narrow escape from serious injury Saturday evening, about 7 o'clock, in a runaway, while returning home from Ogden canyon.

The young men were driving southward on Washington avenue near Eighth street at a moderate rate of speed, when one of the bolts holding the singletree came out, letting it strike one of the horses on the heels, the horse lunged forward, which frightened the other horse, and Mr. Bratz, who was driving, was unable to stop them. Realizing the buggy would crash into the Ogden river bridge, the young men jumped, letting the team go, and a moment later the vehicle struck the bridge and was almost entirely demolished with the harness, and the team was cut and bruised. Mr. Bratz and Mr. Williams were both injured to their legs quite badly, while the other two escaped with bruises about their bodies. Had the occupants of the carriage not jumped just as they did the runaway might have proven much more serious.

reserves, and E. E. Olmsted, assistant forester, have returned from a trip through the Utah reserve, in which they rode on horseback 575 miles in 19 days. They found everything in a satisfactory condition, and made some changes in the matter of admitting some sheep to graze in cattle district No. 10 in the higher sections, when cattle could not go on account of the roughness of the country, admitting some sheep in district No. 7, where all the cattle that permits had been issued for have not been entered, etc. Mr. Benedict reports that arrangements are being made for the sale of millions of feet of old timber on the reserve. A fee of one cent a head has been fixed for permission to drive sheep over Indian allotment reserves to the grazing grounds.

The home was decorated throughout with roses and sweet peas.

### GARDEN CITY NOTES.

In about a week Judge Booth, District Attorney, and Court Stenographer Homer will go to Myton for the purpose of holding some preliminary hearings of persons charged with offenses against the law. This course is considered advisable on account of the local judicial machinery of the new town on the reservation not having been sufficiently completed to run smoothly.

Miss Francis Adams and Miss Lottie Harris have returned from a trip to southern California.  
Beginning with tomorrow the Independent Telephone company will give free telephone connections to all subscribers between Utah county towns.  
The Sunday School Union meeting held yesterday was well attended by officers and teachers. The matter of programs for the twenty-fourth of July celebrations to be held in the several wards were considered in the superintendent's section and suggestions offered by Stake Supt. Eggersten. The matter of organization of parents' classes was also discussed and urged, and Art-Supt. Readings gave some valuable hints to teachers. The lessons for August were given in the various departments.

Miss Aretta Young has returned from New York, where she has been studying for the past year, and will resume her work as instructor in the Brigham Young university the coming year.  
The speakers in the tabernacle yesterday were Elder Walter Cluff, recently returned from Chicago, where he has been studying in the Chicago university, and Elder Reed Smoot of the apostles. The speakers give interesting impressions of the religious and social condition in the east.

### Art Chat.

Mrs. "Jack" Garner's superb collection of paintings are not massed in one room, in one gallery, as is the usual custom, but are hung with wonderful discretion about the beautiful Gardner house. A room, in some cases, may be devoted to a single masterpiece, and in no instance does a wall boast more

## ARRAY YOURSELVES UNDER RED BANNER

That is Refrain of What Russian Revolutionists Call "The New Marseillaise."

### SEEKS TO AROUSE THE PEOPLE

The Twentieth Century, Paper Which Published It, Confiscated and May be Suppressed.

St. Petersburg, July 9.—The Twentieth Century, formerly the Russ, has published a second poem by M. Amfiteatroff, one of Russia's brilliant journalists-poets, entitled "The New Marseillaise." The paper has been confiscated and probably will be suppressed. The verses are dedicated to Maxim Gorky, and are virtually an appeal to an armed revolt. The refrain goes: "Rise to your rights, people! Array yourselves under the red banner."

The following is a translation of a typical verse: "Seize the headman's ax and press sentence to slay; Quit the plow and grasp the sword and bludgeon; The Voiga weep blood for the wrongs of the people; Seek your salvation in mortal combat with the oppressors." The censors have seized the anti-Soviet brochure entitled "Down With Amfiteatroff" and the authors have been held for trial. This brochure is especially violent against the members of the lower house. It calls them fools and says they have sold themselves to the Jews.

News received here from Bialystok is to the effect that the Jews are in such a condition of panic that they are "sitting at their pranks and preparing to migrate to America." The testimony in the case of Vice Admiral Rojstvensky, who is being tried by court-martial for the surrender of the destroyed Redovi in the battle of the Sea of Japan, has been submitted and addressed of counsel probably will be completed tomorrow.

The testimony has brought out details of the cold-blooded way in which Capt. Baranoff of the Redovi abandoned the crews of the battleships Oslabin, Kruz Souravoff and Alexander III to death by crowding, refusing to save a single person. The president of the court virtually called Capt. Baranoff a coward in open sitting. Rojstvensky is the only defendant emerging from the investigation with any credit. He has submitted his case, in lieu of pleading by counsel, in the following words: "Sire: Russia's fleet has been humiliated. The people have confidence in you. I await my punishment."

## LYMAN GAGE'S POSITION IN REGARD TO THEOSOPHY.

Chicago, July 9.—The Tribune today publishes a signed statement from Lyman J. Gage, former secretary of the treasury, defining his relation to theosophy. The statement is as follows:

"Point Loma, Cal., via San Diego, Cal., July 9.—I doubt the wisdom of making explanations of any kind through the press. Life is too short to spend it chasing up sensational or false reports and I always have refused to do so. One must not upon the respect and confidence which one deserves to enjoy in the minds of his friends.

"However, in response to your courteous suggestion that I set right the many inaccurate stories relating to theosophy, etc., I make this statement once for all.

"Having passed my seventieth birthday, I claim the privilege of withdrawing from the struggles of business life. At the end of the school year some time is profitably spent in the review of what has been studied. In graduating from life's long school term a similar course seems excusable, if not desirable. I am trying this life at Point Loma because I have personal friends here; because the climate is most agreeable; because it is just outside of the rush and roar of the world, because here one can lead the simple life.

"Beyond these reasons there are two institutions established here which to me lend much interest to the place. The first is the United States military reservation, with its fine system of harbor defenses, its companies of artillerymen, etc. The second is the Raja Yoga school for children and youths of all ages. "This school was established and is being carried on by Katherine Tingley as leader and official head of the

Universal Brotherhood and Theosophical society throughout the world. The school excites my interest, and the magnificent work it is doing in the development of clean, healthy, well educated and self-controlled young lives stimulates my hope for the future of the society.

"I am not affiliated except in this friendly way either with the military station or the Theosophical society. I am too old to enlist in the army and I have not yet been invited to join the Theosophists. I would consider it honorable to be related to either of them. "No. I am just living my own life according to my best conception of it, and would much enjoy it if I could be left to mind my own business. (Signed) "LYMAN J. GAGE."

### STARVING TO DEATH.
