

RIVAL FORCES CLASH AT PROVO

Trouble Between R. G. W. and Salt Lake Route Causes Excitement.

OVER EXTENSION OF SPUR.

Both Companies Had Gangs of Men on The Scene—Hander Smashed, Officers Called.

(Special to the "News.") Provo, May 17.—There is considerable suppressed excitement here today incident to a clash between rival forces of the Rio Grande Western and the Salt Lake Route. The trouble arose over the extension of a spur track from Z. C. M. I. warehouse east on Sixth street to connect with the canning factory. The San Pedro petitioned the city council recently for the franchise necessary to construct such a track and it was about to be granted when it was found that a joint franchise had been granted to the Oregon Short Line and the Rio Grande. Upon the Salt Lake Route being so notified work was started last night extending the spur. This morning the Rio Grande took a hand in the proceedings. Both companies had two gangs of men on the scene, numbering in all about 50 laborers. The Rio Grande ran some cars down the Z. C. M. I. spur and during the process smashed a hand car of the Salt Lake Route people to splinters. Then the Rio Grande men forcibly took possession. No blows were exchanged, although there was some good-natured pushing on the part of all hands, who looked on the affair in the light of a great picnic. By this time officers had arrived and were on hand to see that there was no rioting or disturbance of the law. All hands promptly abandoned further work and are sitting beside the track swapping yarns and taking life easy while Agent Fouts of the Clark road are up town consulting attorneys as a solution of the next move. It is believed that a compromise will be arrived at, and that the gangs will eventually construct the track jointly as embraced in the old franchise.

It is stated the quarrel arose over the will left by the old gentleman. The store was closed after the incident.

The total contract involves \$15,047.

William E. Call Awarded \$10,000 Against Union Pacific.

(Special to the "News.") Ogden, May 17.—The case of William E. Call vs. the Union Pacific railroad company, which has been on trial here for several days, came to an end so far as the district court is concerned, last evening at 9 o'clock, when the jury brought in a verdict for the plaintiff for the sum of \$10,000. The suit was brought to recover damages in the sum of \$50,000 for personal injuries received by Call. The latter had both his legs severed in an accident at the railroad yards last November. The case of O. Laughlin, against the U. P., also for \$50,000, for personal injuries, is now on trial.

She was born April 10, 1831, at Kirking, Isle of Man. Funeral services will be held at undertaking parlors of Joseph E. Taylor Friday, May 18, 1906, at 2 p. m., conducted by the Bishop of Sugar House ward. All friends invited. Her husband died some two years ago, and the only relative known is a nephew, Mr. Edward G. Hampton, who is working at the Ogden steam laundry. He has been notified. For a number of years Mrs. Moore and husband lived in Pleasant View, Sugar House ward. It is said that her husband has a son and daughter living in England.

the change of location on account of his belief in Salt Lake's future. His announcement contains the following paragraph, stating his cause for coming here: "With this issue The Western Home-seeker begins life in Salt Lake City. We are impelled to this move by various considerations. Of prime importance was our belief that Salt Lake City is today the very key to the Great West, and that there will surely be built here one of the greatest inland municipalities the sun has ever shone upon. Hence, by moving here, we get more directly in touch with the vigorous pulsating life of this wonderful west, enlarge our facilities of publication and increase our usefulness to a large and growing clientele."

SCANDANAVIAN REUNION.

Three Hundred and Fifty Former Residents of Norway and Sweden Meet.

In the second ward meetinghouse last night a reunion was held of the Swedish residents of the Liberty stake, under the auspices of the Stake Scandinavian association, of which C. D. Forsberg is president. The occasion was in the nature of a social evening, in which speeches, music, a dinner and dancing were the features. An extremely enjoyable time was had by all those present, and there was much in the decorations and music as well as in the speeches to suggest the home countries from which those present had come. The addresses, all of which were brief, were made by President Anton H. Lund, Andrew Jensen, Prest. Shultess, Philip Maycock, Bishop H. C. Iverson and L. Dahlquist. Musical numbers were rendered by a male chorus under the leadership of Chief Nilson, and by a mixed chorus under Peter Nilson, while solos were rendered by H. Olson and Hagbert Anderson of Ogden. Following the formal program, the young people danced while the older folk enjoyed a banquet, and then positions were exchanged. The affair came to a close at 11 o'clock with a dancing party, which lasted until midnight.

AMUSEMENTS.

Mr. Maguire, manager of the Sarah Bernhardt event at Estelar, started this morning that up to noon the advance sale had reached the \$2,000 mark. Within four days more of the sale to hear from, it is expected that the figure will reach a record-breaking figure.

Grand—Tonight will see the first performance of "Sapho" by the Ethel Tucker Stock company.

Lyric—"Dida" and the vaudeville bill are running this week to prosperous business at the Lyric.

The Home Opera company of the Sixteenth ward surprised their friends last evening with an excellent performance of "The Mikado." In spite of the storm the big amusement hall was crowded, and the applause over the work of the young amateurs was of the most enthusiastic sort. Mr. Sam Spry conducted in good fashion, and the orchestra of six. The chorus, numbering 30, did fine work throughout, especially the ladies, all of whom looked charming in their Japanese costumes. The pretty little maids were especially acted by Mrs. Newman, Miss Wesley and Millie Williams, though Mrs. Newman was suffering from a cold. Mr. Phillips' fine tenor voice lent out to good advantage in the part of Nanki Poo, and he also read his dialogue with distinctness and promptitude. Mr. Evans in the part of Koko sang better than he has ever done, and he should brush up in his dialogue before tonight. Mr. C. J. Winter as Poo Bah gave one of the best interpretations of the evening in both singing and acting. Mr. Fishman as the Mikado had a fine make-up and his big voice did full justice to the music of the part, while Mr. Joseph Winter made an acceptable Fish. Mrs. Reid in the comedy role of Katsusha worked like an experienced actress. Mrs. Newman's charming solo had to be omitted owing to her cold, and Miss Millie Williams introduced a very pretty duet "The Moon has His Eyes on You."

The presentation will go twice more and it ought to be greeted by packed houses.

If present plans are carried out a squad from one of the local companies N. G. U., will divide the honors with the Orpheum company in the presentation of "The Girl I Left Behind Me" at the Orpheum next week. Manager P. G. MacLean announces that he expects the remainder of the company to arrive today and tomorrow when active rehearsals will be in order. In the meantime the opening night has been postponed until Tuesday, as Mr. MacLean puts it, "out of deference to Sara Bernhardt."

The box office opens tomorrow morning and all seats in the parquet and balcony will be reserved with no advance in prices of those which prevailed during the vaudeville season.

CERTIORARI WRIT AGAINST DURAND.

John Walsh Wants Justice to Certify Court Proceedings.

MATTER OF JURISDICTION.

Claimed That Judgment Was Rendered Against Defendant and Letter Not Notified of Case.

A petition for a writ of certiorari was filed in the district court yesterday afternoon by John Walsh, asking that C. F. Durand, justice of the peace of Murray City, be compelled to certify to the district court for review his proceedings taken in an action wherein Mrs. E. E. Hennessy was plaintiff and Walsh was defendant. The petition alleges that Durand acted beyond his jurisdiction in issuing a writ of attachment in the case, and also in rendering a default judgment against Walsh without giving him any notice of the same. It is claimed that the affidavit of attachment did not contain any of the five grounds for attachment as required by statute and that the court wrongfully allowed Francis G. Luke to amend said affidavit instead of dissolving the writ as asked by Walsh. To the judgment rendered against him, Walsh alleges that it was entered while he was absent from the court, and without notice to him, and further that he was not notified of the judgment until after the time for appeal had elapsed. The petition also alleges that the court never had jurisdiction of the person of Walsh or of the subject matter of the action, hence the entire proceedings in the case are absolutely illegal and void. It is asked that the judgment be set aside and that the defendant be restrained from taking any further action in the case. An order to show cause why defendant should not be restrained has been issued by the clerk of the court, and is returnable on May 26.

TWO YEARS FOR SMITH.

Two years in the state prison is the sentence passed upon Charles Smith by Judge Armstrong today for the crime of assault with a deadly weapon with intent to do bodily harm. Smith, who is a negro, was arrested in the district court yesterday afternoon and pleaded guilty. He made an assault upon Thomas Moore with a knife on May 11. Both men are now in jail, and are well known in police circles.

COURT NOTES.

Kate Wayne has been granted a divorce by Judge Armstrong from John Wayne on the ground of failure to support. Plaintiff was also granted alimony in the sum of \$50.

In the condemnation suit of the Oregon Short Line Railroad company against Sarah A. Saxton, which was tried in Judge Lewis' court, the jury has returned a verdict in favor of the defendant and assessed her damages for the taking of the land by plaintiff at \$1,150. The property condemned is in North Salt Lake.

The damage to the Metropole is \$100, which Mr. Mayer, the owner of the building, will pay. Architect Craig says that had the Home been blown up by dynamite, the destruction could not have been more complete. The contractor is taking chances on the underpinning which got away from the contractor.
