jail guard was called, out last night by a number of shots which were apparently fired in the air to scare the soldiers. Otherwise everything is

BROWN CASE CONTINUED.

At Ex-Senator's Request It is Set For Wednesday, July 8.

case of Isabelle Cameron Brown ve Ex-Senator Arthur Brown, which was set for trial today before Judge Hall, was continued by the court until Wednesday, July 8. The continuance was granted upon request of Senator Brown, who stated that he had receiv-ed some very distressing name from some very distressing news son, Max, who is at college at Ann Mich., and that he would have to leave for the east immediately. The to leave for the east infinediatoly. The motion for a continuance was not re-sisted by Mrs. Brown's attorney. Before the case was continued, the testimony of Glen Miller was taken, be-

ause he could not be present upon the ate set for the hearing. Mr. Miller testified as to the value of the real prop-erty belonging to Senator Brown. He said that the Idaho ranch is worth \$30.and the cast South Temple street perty is worth \$100 per foot. After his testimony was concluded, the ci was continued as mentioned above.

Gets Judgment Against Highland Boy for Damage to Crops.

jury in the damage sult of An-Gold Mining company, which has on trial in Judge Stewart's court eral days, has returned a ver a in favor of avor of plaintiffs, assessing ages at \$440.50. The action was ught to recover \$1,600 as damages to vegetation and crops on plaintiffs farm by reason of the gases and fumes from defendant's smelter.

The jury is now listening to the ev-idence in the case of Fergus Lester et al against the same company, which involves similar matters. The or being tried before Judge Stewart. case is

Distress After Eating Nausea between meals, belching, vom-

iting, flatulence, fits of nervous headache, pain in the stomach, are all symptoms of dyspepsia, and the longer it is neglected the harder it is to cure it. Hood's Sarsaparilla

and Pills

Radically and permanently cure itstrengthen and tone the stomach and other digestive organs for the natural performance of their functions.

Accept no substitute for Hood's. "I had dyspepsia twenty-five years and took different medicines but got no help antil I began taking Hood's Saraaparilla. Have taken four bottles of this medicine and can now ent almost anything, sleep well, have no cramps in my stomach, no burning and no distress," MRS. WIELIAM G. BARRETT, 14 Olney St., Providence, R. L Hood's Sarsaparilla promises to ire and keeps the promise. Garner, Vineyard; Mabel Frances

and if the charges of corruption be true, fight them, even to the risk of ex-clusion from the social circle or failure g business ventures, Mr. Howell's ddress was enthusiastically received

and applauded. LYMAN SKEEN, JR.

A very pretty selection was rendered by the orchestra, after which Lyman Skeen, Jr., M.D., Ph.D., read an eddr ss upon "Practical Education," which was devoted to the useful and practical in

education, one nation outstripping another because of thought and applica-tion, while the laggards were maturing their ideas.

HON. ANTHON H. LUND.

Hon. Anthon H. Lund, one of the regents of the university, delivered address. He said that students had veys been interesting to him, and he lieved that the class he was then addressing would prove of value to the state. Mr. Lund congratulated the graduates upon the outcome of their arduous work and promised them that The payroll for the special policemen who served on Roosever day was paid off today by City Auditor Reiser. The amount of the payroll is \$242.50. The de-partment payrolls for the last half of May, amounting to \$7.336.05, were paid by City Trensurer Morris today. their achievements would prove of great benefit to them in their future lives, in which they would of necessity be obliged to depend upon themselves. He hoped the students had definite ob-Superintendent Christensen announces that the teachers' examinations on high school subjects will be held in the teach-ers' mom at the city and county building on Saturday merring at 9 o'clock. A diploma would not a deed to the possession of sucesa, but continuous work would essary in order to apply the knowledge guined.

GOVERNOR WELLS.

Governor Heber M. Wells impressed the graduates with the idea that life s not for themselves alone, but should be devoted to the improvement of conditions surrounding the human race generally. Preparation now to meet

the stern realities of life was absolute! necessary. After all, the graduates must win for themselves success in life deasant as the congratulations rlends may now seem. He commendd the graduating class upon the suc-esa achieved so far, and hoped its members would continue to reme and to love their alma mater. The vernor's address was much appreciited.

DIPLOMAS TO GRADUATES.

has been in this country for 20 years. Speaking today of some uncomplimen-tary references to the fire department which appeared in a Salt Lake paper yes-terilay. Assistant Chief Wood says the criticisms were not deserved by the de-partment. In subduing the fire in the Salt Lake Hardware company's ware-house the assistant chief ordered his ment to keep at a safe distance i rom the fumes of burning acids because of the great danger to life resulting from their inhala-tion. Mr. Wood says he understands his duty to be to fight fires inteligently but not to ruthlessly sacrifice the lives of his mon. Several deaths of firemen in the east rocently were the direct results of insaling the polsonous times rising from acids, and knowing this to be a fact the assistant chief. Hon. James Sharp, chairman of the board of regents, conferred degrees and presented diplomas and certificates upon and to the following graduates: upon and to the following graduates: Course in Arts (Degree of Bachelor of Arts)-Marian Adams, Parowan: Ef-fic Elvira Hague, Sait Lake City; Eunioc Angeline Holbrick, Prova: Le-ana Miller, Sait Lake City (with nor-mal diploma), Alice Margaret Paul, Sait Laka City; Grant Van Hoose, Mer-
