# MARKET REPORTS

NEW YORK MARKETS.

New York, June 7.—Railroad and steel stocks were heavy at the opening, the latter under influence of lower quotations from London.

Sugar was marked up over a point, but reached speedily a reaction. Tobacco was ran off, bringing the market of about all the support it had. Amalgamated Copper, Sugar and Steel and Wire a point. The small speculative support was confined to the iron and Steel list, while the railroad list was heavy and dull. Many offerings issued from to fill heavy. Amalgamated and American Steel and Wire fell 3 points. Sugar was quoted then at 141, but worked steadily downward. Professional operations covered a recession as the best support for the declaration for the Sugar dividends. The market was almost at a standstill. Sugar rallied about 2 points. Other stocks harmed somewhat and those which had suffered most came out. There was practically nothing doing in the bond list. Sales did not move over $4 million was.

After sugar had become quiet a new movement took place in the railroad issues and the whole market weakened into submission with no advance in prices. Offerings were heavy, the severely bought, each succeeding point or over, and Northwestern gaining 3 points. The first week's bond sales were heavy. Four Weeks of the crusade were marked at that points. Sugar went to 140½ and then lessened. The Tennessee Coal and Iron lessened.

The close was active and about steady only slightly below the best.
