Supposed Arrest of Frank Jones.

St. Louis, 11.—Sergeant Boland, of the police force of this city, arrived here from Kansas City this evening, having in charge a man who is claimed to be Frank Jones, one of the alleged Northfield bank robbers. He was arrested yesterday afternoon at the house of Dr. No-

lanch, about five miles from Independence, Mo., where he had been stopping for some time past. It is

deemed that he is one of the James boys, and is quite positively by Noland and others that his name is John Goodwin, of Louisiana, but as he is wounded in the leg, as

Frank Jones, and is from Kansas City, he is being held here. The case, Sergeant Boland took him and brought him down.

The Railway Postal Commission.

The railway postal commission has

its session, to-day, and examined

several railway mail, bankers and

merchants. The tenor of the evi-

dence of business men was that the

fast mail, while running, was a

benefit to the business of the country,

and that all that was required to

make the fast service of almost

inestimable value to all branches

of trade and commerce. It was

also claimed that St. Louis should

have postal facilities equal to

her railroad facilities, and that the

company should be allowed to ex-

tended to all principal points in the

Territory.

Wood Market.

Boston, 14.—The demand for

wood continues to exceed expecta-

tions, the prices gradually stiffen-

ing up, particularly on fine and

medium fancies. There is appar-

ently no excitement in the market,

but manufacturers are purchasing

with the confidence that it is a

very strong position. Fine fancies

continue to attract considerable at-

tention, and full prices have read-

ily been obtained. The sales of the

week have been 516,000 lbs., includ-

ing medium and No Ohio and Pen-

sylvania at 39¢ and 42¢ desirable

pieces are now from the latter

prices, XX and above sold at 43¢

and 45¢. The stock of fine fancies

is smaller than for many years at

this season. The sales of Michigan

and other fancies have been 190,000

pounds, principally 35¢ and 40¢

pieces of Michigan are held at

38¢ and 39¢, the principal sales

to attract up to 33,000 pounds, at

25¢ in coming and decline

there has been. The sales of the

week embracing only 35,500 pounds.

The prices are steady and firm, vary-

ing from 25¢ to 45¢. The sales of

the week embracing only 35,500

pounds, principally 35¢ and 40¢

pieces of Michigan are held at

38¢ and 39¢, the principal sales

to attract up to 33,000 pounds, at

wealthy and reliable and were

highly esteemed by the merchants

here.

A Dreadful Murder.

Pittsburgh, 14.—The dead body

of Henry Shuler, a cattle dealer,

was found in the woods west of

Deer Creek township yesterday

morning. The condition of the

corpse gave evidence that a dreadful

murder had been committed, his

head having been crushed out of

all shape, his pockets rifled, and a

portion of his clothing carried

away. Henry Lenkner, partner

of the deceased, was arrested, and

committed to jail on suspicion

of having committed the deed.

Warlike Preparations.

New York, 14.—The Express

says: A special dispatch from St.

Petersburg, to-day, states that a

report was current that Russia was

about to issue a large loan. This

was interpreted here as rather

warlike. In the event of a war the

United States would be drawn on

largely for grain, provisions and

munitions, which would greatly in-

crease our exports, and make busi-

ness lively in financial and com-

mercial circles.

FOREIGN.

GERMANY.

Russia Does Not Accept.

Berlin, 14.—All the Powers ex-

cept Russia have received the Tur-

kish armistice proposals favorably.

Without Foundation.

Brussels, 14.—The report that

the creditors of Turkey would con-

cede to the Turkish proposals for

shipping at Antwerp for Turkey

is without foundation.

AUSTRIA.

The Armistice.

Vienna, 14.—None of the Great

Powers have yet given their assent

to the conditions of the armistice

proposed by Turkey. Russia regards

Turkey's reference to the influx of

foreign volunteers as a direct in-

dication of her policy.

Prince Milan has informed sev-

eral foreign representatives that he

believes that the conditions of the

armistice which refer to Serbia

cannot be taken into consideration.

BRITISH AMERICA.

Heavy Snow Storm.

Quebec, 14.—There was a very

severe snow storm here to-day.

AN ORDINANCE

In Relation to the Salt Lake City

Waterworks and the Supply of

Water from the Main Pipes, and

for Other Purposes.

SECTION 1.—Be it ordained by the

City Council of Salt Lake City,

that the Water-works constructed

by the Corporation to supply Salt

Lake City, shall be under the con-

trol of the City Council, and shall

be known as the Salt Lake City

Water-works; they shall be the

property of said city, and shall be

under the sole and exclusive con-

trol of the City Council, who may

from time to time direct the con-

struction of such reservoirs, water

tanks, water mains, service pipes

and fire hydrants as the necessities

of the inhabitants of the city may

require. The City Council shall

also appoint a Superintendent of

Water-works, an Assessor of Water

Rates, and such other officers as

may be necessary to carry on the

works. All officers so appointed

shall hold office during the pleasure

of said Council.

SECTION 2.—The Superintendent of

Water-works shall, under the direc-

tion of the City Council, have

charge of the reservoirs, water

tanks, water mains, fire hydrants,

and all the machinery and ap-

paratus appertaining to the Water-

works. He shall have the direc-

tion of the laying of water mains,

and putting in and repairing the

same, and shall be responsible for

the regulation of the water supply

to fire hydrants and to all con-

sumers. Said Water Superintendent

shall, before entering upon the duties

of his office, shall take an oath of

office and give bonds, with ap-

proved security, to Salt Lake City,

in the sum of \$5,000, condi-

tioned for the faithful performance

of his duties. He shall report to

the City Council quarterly, or

often if required, and shall be

responsible for the condition of

the Water-works, and make such

suggestions as the nature of the

service may require.

SECTION 3.—All hydrants shall be

under the control of, and shall be

kept in repair by the Superinten-

dent of the Fire Department, and

shall be kept in good order, and

shall be kept in good order, and

authority open any stopcock, valve

or other fixture attached to the

system of water supply, or shall to

anyway injure, deface or impair

any part, or any appearance of

the Water-works, or shall cast any

thing into any reservoir or tank of

the said Water-works, he fined not

exceeding one hundred dollars for

each offense, or by imprisonment

not exceeding six months, or by

both such punishment.

SECTION 4.—If any person, after the

Water has been turned off from his

premises, on account of non-pay-

ment of water bills, shall violate the

rules and regulations pertaining to

the water supply, shall turn the

water on again, or use, or allow the

water to be used without authority,

he shall be fined not exceeding fifty

dollars for each offense.

SECTION 5.—Fountains and sprink-

lers, lawns, gardens, yards, or

sidewalks shall not be operated

during a fire. No fountain attachment

shall be greater than half an inch

in diameter. The water shall be

drawn to each fountain attachment

which shall be under the control of

the Superintendent.

SECTION 6.—Sprinklers for lawns,

gardens, yards and sidewalks must

be used only for the purpose ex-

pressed in the license; and no

sprinkler shall be used for sprink-

ling the street outside of the side-

walk, unless such privilege is in-

cluded in the license and paid for

accordingly. Sidewalks, windows

and fronts shall not be sprinkled

except between the hours of 6 and

9 a.m., 1 and 2, and 6 and 8 p.m.

No nozzle for sprinkling shall be

larger than one-fourth inch in di-

ameter, and no license for a sprink-

ler shall be issued except in connec-
