

DECLARED A DIVIDEND.

After Directors Meet and Decide to Distribute Twenty Thousand.

HOPEFUL OF SILVER'S RESTORATION.

Creating of the Exchange Worthy of Consideration—And from Silver Mines—Mendocino News.

At a meeting of the Silver Mining Company's directors, held in this city this morning, a dividend of \$20,000 or \$25,000 per share was declared, the sum payable on the 25th of the current month. This is the second dividend of the kind in the present year, the first having been made in April and the one before that the latter part of December, 1896. The company is working a mine of about 100 acres, and is said to have the treasury thereof in a fair position to meet any emergency that might arise in the near future.

THE MOUNTING RECENT NEWS.

Work has been temporarily suspended at the Silver Mining Company's mine, near the town of Silver, because of the recent news of the discovery of a large deposit of silver in the vicinity of the mine. The company is working a mine of about 100 acres, and is said to have the treasury thereof in a fair position to meet any emergency that might arise in the near future.
