doubt in relation to the position of

most of his associate jurors. Tae entire situation is highly ridicu . experience. ous, and serves to illustrate a point in the anti-"Mormon" crusade. In the empaneling of gran1 juries under its regime, no person is allowed to sit as members of those bodies unless they are"in sympathy with the prosecution" In the pursuit of "Mormous" for unlawful cobabitation. Here is a case of another character. It is evident that in the Orden affair the grand jury, as a body, are in sympathy with the prosecution of Mr. Hemenway; coasequently if the anti-"Mormon" rule be applied he will be investigated by those who leel thamselves aggrieved by his journalistic strictures. And if the same rule applied to "Morout in his case, should he go to trial, having been temporary. the petit jury that will consider the suit will also be composed of persons "In sympathy with the prosecution." This stane, Arizona: U. F. Nightingale who will also be composed of persons "in case illustrates the kind of justice meted out to "Mormons." If it were classes of cases, the courts would be on their "beam ends," and jurisprudence generally be twisted into one of the most tyrannical institutions ever

mortals. Mr. Hemenway's case shows now great a fire a small spark will occasionally kindle. He was induced to question the motives of Messrs. McKay and Dicksou in removing a U. mostly confined to the southern por-S.Commissioner's Court from this city tions of the San Joaquin Valley.
