Pete Home Again.

Mexican Pete is home agin. He is in jail at Caldwell. Ida. With Pete "Any old jail I can fall into is 'Home, Sweet Home, to Me.'" Pete and a friend drifted into Caldwell last week and started out to cause a famine in liquor. Then started out for trouble and found it in large packages. A nightwatch-man proceeded to arrest Pete, but the latter put up a fight and broke away from the officer trying a right hook as he started for the woods. The nightwatchman promptly used his Colt's, fir-ing five shots. It Pete could only side step in the ring as he did then to get out of range of the bullets he would be a wonder. But the shots had the effect of making Pete trot back to jail as meek and mild as Mary's little lamb. Pete will do his part in beautifying the landscape around Caldwell for the next
