The Latter-day Saints' University team, by defeating the Salt Lake High School, clinched the flag. The score was 11 to 7. With the exception of the first inning when the winning team became somewhat rattled, the game was fast and interesting and a number of brilliant plays were made. They started the fireworks in the seventh inning and scored five runs. Hammond's curves were solved early in the game and the game was scattered. Errors were frequent. The High School making six and the winners five, but in spite of the game was a good one. Here is the detailed score:

Reuben Simpson Chosen by University Ball Tossers for Next Year.

He is regarded as one of the best infielders on the team and is also good with the stick. His choice is a popular one, and that he will make good there can be no doubt. It is predicted that next year's team will be better than ever. The present members will be in school and a number of good players are being developed by the Preps.

## Keep Your Nerve

It is nerve energy that runs the organs of your body. The storage battery is the nerve cells in the brain and spinal cord, and from this battery nerve force is sent out through the system of nerves. To keep the body healthy you must have plenty of nerve force; if you have not, the organs work imperfectly, the circulation is sluggish, digestion bad, appetite poor, kidneys inactive, and aches, pains and misery are the penalty.

You can keep the system strong with Dr. Miles' Nerve. It assists in generating nerve energy; it strengthens the nerves and makes the whole system strong and vigorous.

"I take pleasure in recommending Dr. Miles' Nerve to those suffering from nervous prostration, insomnia and melancholia. After several months' suffering from above diseases I tried this medicine and found immediate relief. It soothes and strengthens the nerves, chases away the gloomy and depressing thoughts and gives the sufferer renewed strength and hope. It is a superb nerve restorer."

**WHAT IS MEANT BY "PITCHING OUT."**

By "pitching out" is meant a ball thrown out of reach of the batter, so that the catcher may have a clear and quick throw to second if a runner on first starts to steal. If the pitcher is wise he generally has an idea when this runner is going to attempt a steal. He figures what his club would do in case a runner was on first, and acts accordingly. The catcher is also watching, and when he thinks the runner is to start he signals for a "pitch out" by a high throw. The pitcher then throws the ball so that he can make a quick and accurate throw. Many runners are cut down in this way.

If the play falls and the runner doesn't start, it is tried again. Frequently pitchers get three "alls called on them in this way, and then cannot get the next one over, and the batter "walks." Such a failure is often erroneously interpreted by the spectator as meaning that the pitcher purposely gave the batter a base on balls.

**BOUT AT PARK CITY.**  
Articles of Agreement Signed—Williams is the Favorite.

Articles of agreement for a boxing contest between Morgan Williams and Bob Watkins have been signed and the bout will take place June 2. Williams has already beaten Watkins in a previous bout. The colored man is doing his work here. Manager Jacobs has made arrangements for a special train to run from here to the mining town and back after the fight. Since his bout with Jack Chris E. Williams has become popular in Park City and at present he is a heavy favorite over Watkins.

**MORE NEWS FROM THE NEW ENGLAND STATES.**

If any one has any doubts as to the virtue of Foley's Kidney Cure, they need only refer to Mr. Alvin H. Stimpson, of Williamstown, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him. After four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute kidney trouble. For a full description of this "never substitutes."

## FIFTY-THREE ARE ENTERED FOR RACE

Decoration Day Event Promises To be a Hummer if Weather is Good.

**AMATEURS IN FINE FORM.**  
Handicappers Busy Arranging for the Start—Long List of Prizes for Winners in Big Race.

Everything is in readiness for the big road race on Decoration Day promoted by Hugh Rippe, the only drawback being the present condition of the weather and the fear that it may rain and spoil the present good state of the course over which the riders will race.

Fifty-three amateurs have entered for the event and this means there will be quite a number at scratch when the starter fires the gun. The handicappers are busy arranging the positions of the riders but they will have it all figured out by tomorrow. The biggest handicap will probably be seven minutes.

The observation train is scheduled to leave the depot at 2 o'clock sharp, and will follow the riders over the 15-mile course. If the weather is only good the race promises to be the most interesting in the history of the event in this state.
