CONGRESSIONAL.

Last Night's Dispatches.

SENATE.

Adjourned.

WASHINGTON, 23.—The Senate, in executive session, agreed to the House resolution to extend the session to six p.m. The doors were re-opened at four fifteen; the Senate took a recess for an hour. On re-assembling Anthony submitted the conference report on the bill to print extra copies of the report of the commissioners on education, which was agreed to.

The House resolution for a joint committee to notify the President that Congress was ready to adjourn, was received and concurred in. Edmunds, Anthony and Bayard were appointed members on the part of the Senate.

The House bill to relieve the political disabilities of John Forsythe was passed.

Sargent called up the bill authorizing the coinage of 20 cent silver pieces by the United States mints; passed.

The House bill to confirm the agreement with the Shoshone Indians, eastern band, for the purchase of a portion of their reservation in Wyoming Territory, was called up and passed.

The Senate, at 5-45, held a short executive session, at the close of which Edmunds, from the committee to wait on the President, made the usual report.

Bayard offered a resolution, complimentary to Senator Carpenter, chairman *pro tem*, which was adopted unanimously. Carpenter fittingly acknowledged the compliment and at the conclusion declared the Senate adjourned *sine die*.

Appropriations.

The sundry civil appropriation bill reappropriates the unexpended balance for a lighthouse and fog signal at Point Firmin, Cala., and $40,000 for wages and expenses at the Carson mint.

HOUSE.

Last act of the Session.

WASHINGTON, D. C., 23.—After recess the Speaker announced that he had appointed E. R. Hoar and Mitchell on the committee to frame a new government for the District of Columbia.

Butler, of Massachusetts, made a second attempt to get up his bill giving preference to soldiers and sailors in the appointment to office; Creamer objected, saying that Butler had humbugged the people long enough this session.

Maynard, from the committee to wait on the President, announced the performance of that duty, and that the President had no further communication to make to Congress.

Caldwell, by unanimous consent, called up and had passed the bill removing the political disabilities of James L. Pugh, of Alabama; this was the last legislative act of the session. At six p.m., the Speaker, wishing all the members a safe and happy return to their homes, pronounced the first session of the 43d Congress adjourned *sine die*.

EASTERN.

Dedicated.

BOSTON, 23.—The Harvard College memorial hall, built in commemoration of the graduates who fell in the war and in honor of the names of those who have otherwise won distinction in the service of the country, was dedicated to-day; Charles Francis Adams delivered an oration, Oliver Wendell Holmes read a poem.

A Dead Lock.

PROVIDENCE, 23.—The dead lock in the Senatorial election continues: the ballot to-day, was, Burnside 41, Dixon 29, Barstow 16, scattering 22. Geo. H. Browne was elected Justice of the Supreme Court.

Confirmations.

WASHINGTON, 23.—The Senate confirmed J. V. Bogert, receiver of public moneys at Bozeman, Mont.; Charles A. Brastow, receiver of public moneys at Del Norte, Col.; Samuel H. Winsor, register of the land office at Cheyenne.

Democratic Convention.

PORTLAND, Me., 23.—The Democratic State convention met to-day, 422 delegates present; Joseph A. Titcomb was nominated Governor by acclamation.

Prohibition Convention.

AUBURN, N. Y., 23.—The State Prohibition convention met here to-day, and adopted the following resolution:

"Resolved—That we hail with devout thanks to God, the great uprising among the women of our land to put away the liquor nuisance from among us, and that we renew our pledge to put the ballot into the hands of women when we shall have power to do so, thus enabling them to vote as well as pray against the giant curse of the world."

Report of Postal Committee—District of Columbia Commissioners.

The House committee on post offices made a report to-day, on the charges preferred by Luttrell against the post office department and some of its subordinate officers, relative to certain post route transactions in California. The committee say they do not find evidence of fraud, irregularities or violation of law, although they are satisfied that upon many, if not all the routes mentioned, straw bids were made, which, under the law, the Postmaster General was powerless to correct.

The Senate in executive session after a discussion, in which were free expressions of opinion on the subject, tabled the nomination of ex-governor Shepherd as a commissioner of the District of Columbia, by a vote of 26 to 6; the other nominations were confirmed without division, and after the recess of the Senate, the President, to complete the number, sent the name of A. J. Cottell, ex-United States senator from New Jersey, who was soon thereafter confirmed. This gentleman is the only one of the three commissioners who has real estate interests in this city, but all are non-residents.

Shocking Calamity.

SYRACUSE, N. Y., 23.—During the progress of a strawberry festival, in the parlors of the Central Baptist Church here, the floor suddenly gave way, precipitating a room full into the story below, the parlors were on the second floor and the room underneath was full. The firemen were immediately summoned, and thousands of people crowded around the place; it is impossible to give the particulars yet. The following dead bodies have been recovered: Dr. O. E. Wainwright, Mrs. Wainwright, Miss Minnie Thomas, a child named Ostrander, a little girl named Leonard, a little girl named Horton, Miss Theo. Holmes, and a little girl named Minnie Collins. The Rev. Geo. T. Dawling, pastor of the church, is dangerously injured, also his wife, who is not expected to live. Rev. H. J. Eddy is seriously injured, 200 persons are injured, some dangerously.

Later information shows that thirteen persons have been taken out dead. Mrs. Dr. Wainwright will undoutedly die; ex-alderman Austrain Barnes is very seriously injured; Rev. Dr. H. J. Eddy is slightly injured. The bodies are supposed to be all recovered. It is now impossible to get the number of the injured to-night. The city is filled with lamentations, the scene in the streets around the church baffles description. Thousands are gathered there, asking after friends, waiting for the dead and attending on the injured. The police are all out. The fire department were called out and took charge of the work of recovering the dead and wounded. The broken timbers are hoisted up with difficulty. The walls of the church did not fall, but were seriously damaged. The church is comparatively new. A few minutes before the floor gave way it trembled, so that many persons left the room fearing an accident, which had been predicted by many. The accident was caused by the giving way of the joists that supported the floor. The joists ran from both sides of the room to the cross stringer, the middle of which was supported by iron rods from the roof; the stringer gave way, pulling the ceiling and roof down upon the people, and precipitating them into the room below. The work of recovery was exceedingly slow, as it had to be done in the dark, and it was feared, every moment, that the walls would fall.

$30,000 Trotting Match—A man Murders his Sister.

NEW YORK, 23.

At Fleetwood Park, to-day, the trot for a purse of $30,000, between "Goldsmith Maid" and "Judge Fullerton" was won by the former in three straight heats, time 2.26, 2.27½, 2.28.

In Newark, N. J., at midnight last night, Jno. A. Huber entered his sister's room, and shot her through the head, inflicting a mortal wound, because of her refusal to discard a suitor whom the brother disliked.

FOREIGN.

BRAZIL.

General Jubilation.

PERNAMBUCO, 23.—The successful laying of the submarine cable, bringing Brazil into telegraphic communication with Europe, has been the occasion of much pleasurable excitement in this country, and a general jubilee in Pernambuco.

SPAIN.

Concha's Plan.

MADRID, 23.—Marshal Concha's plan to localize, and by which he hopes to eventually overthrow the Carlist insurrection, provides for the establishment of a fortified military line, commencing at Lo-sarca, passing Estella, Puerta, La Reina, and Pampeluna, and terminating at Aviz; the Marshal expects, by this means, to confine the Carlists to a small district of country destitute of resources. He considers it useless to employ his army in continual engagements with an enemy who is without a definite plan of campaign.

GREAT BRITAIN.

International Conference—The Pope and the United States.

LONDON, 23.—The *Post*, to-day, says that an International Conference will assemble at St. Petersburg in 1875, for the purpose of revising the rules and regulations adopted by the Paris convention in 1865, for the government of telegraphic lines; some twenty-two States are expected to be represented by delegates.

The Florence *Journal* says the Pope has been presented with a copy of an address sent from the United States to Archbishop Ledochowski, of Posen. The Holy Father, in replying, said—"The United States is the only country where I am really Pope in the eyes of the government; I am always afraid lest the European governments shall oppose my acts, whereas I can freely send pontifical documents to the United States without fear of opposition on the part of its government."

The Agricultural Lockout.

Mr. Arch has consented to go to Canada with a party of agricultural laborers.

At a meeting of farmers in Newmarket, to-day, one of the speakers declared that he could undertake to import, from Canada, a sufficient number of unemployed laborers to fill the places of the men locked out in his section.

Preparing—Hopeless.

The St. Petersburg *Gazette* announces that the railway officials have received orders to make arrangements for the visit of the Queen of England, who is expected to be in Russia about September 14th.

The *Time's* Paris correspondent telegraphs that the condition of M. De Goulard is hopeless.

ITALY.

Sent to Prison.

ROME, 23.—Several persons arrested on Sunday, for taking a prominent part in the Papal demonstration, have been variously sentenced to imprisonment to terms of six, twelve, or eighteen months.

Long experience in the use of your valuable EXTRACT OF BENNE PLANT justifies me in saying that I believe it to be an excellent remedy for any form of bowel affections for which you recommend it.
