DESERET EVENING NEWS SATURDAY APRIL 20 1907

Another Case Reported to Police And Not Printed by Friends Of Crooks.

JOHN COLLINS' EXPERIENCE.

O. S. L. Yard Man Smashed by Thugs And Relieved of \$70 in Checks And Gold.

John Collins, a yard man employed at the Oregon Short Line depot, was help up, brutally beaten and robbed near the depot on Thursday evening about 6:30 o'clock by a couple of thugs. They relieved Collins of an O. S. L. check for \$45, a \$20 bill and \$5 in gold.

check for \$15, a \$20 bill and \$5 in gold. The check was not endorsed. Collins presented a badly battered mace when he told his story. He said he was on his way he, and was near the depot when he was accosted by two men. They were not masked and so far as Collins knows were unarmed. Although it was broad daylight the robbers apparently had no fear of polics interference. One of the men, a tall powerfully built fellow, halled Collins and when the latter stopped, the thug struck him a terrific blow in the face. As Collins receled and tried to protect himself from further assault, the other fellow selzed him and quickly took Collins' purse from his pocket. The thugs struck their victim again and again and then quickly disappeared in the yards. Collins was unable to give an accurate description of the men be-rnuse of the suddenness of the attack and the fact that he was so badly beat-en he was dazed for several minutes. range of the southerness of the article and the fact that he was so badly beat-en he was dazed for several minutes. He claims he reported the matter to the police, and if so it is another case of keeping secret the commission of a crime.

The daylight robberies and holdups shows with what boldness the crooks are operating in Sait Lake at the pres-

"PNEUMONIA'S DEADLY WORK "PNEUMONIA'S DEADLY WORK had so seriously affected my right lung," writes Mrs. Fannie Connor, of Rural Route I. Georgetown, Tenn., "that I coughed continuously night and day and the neighbors' prediction--consumption-seemed inevitable, un-til my husband brought home a bot-tie of Dr. King's New Discovery, which in my case proved to be the only real cough cure and restorer of weak, sore lungs." When all other remedies ut-terly fall, you may still win in the bat-tle against lung and throat trouble with New Discovery, the real remedy. Guaranteed by Z. C. M. I. Drug Store, druggists. 50c and \$1.00. Trial bot-tle free.

## HOTEL GOSSIP.

R. A. Grant of Ogden lessee of the Grand Opera House in Ogden and of the Lyric theater in Salt Lake, put up at the Kenyon for a day. Mr. Grant said the dramatic business is good right now, both in legitimate and vaudeville lines.

Thomas Tipton and wife of Denver are registered at the Knutsford. Mr. Tipton is general purchasing agent of the Denver & Rio Grande railroad, and in his capacity as such makes periodical trips through the west and northwest. Mr. Tipton has the dis-tinction of having a town on the tops of the Blue mountains in Oregon named for him, on the line of the Sumpter Valley railroad. The place was the fourth terminal point of that lively little road, which is being built into the interior of Oregon from Ba-

Of Scrofula, Eczema, Blood Poison, Rheumatism and all Other Blood Complaints-Createst Spring Medicine.

The record of testimonials received by Hood's Sarsaparilla in two years-40,366 by actual count—we believe has never been equalled by any other medicine.

Has Effected More Cures Than Any Other Remedy

The average number received per day, about 66, is more than many widely-advertised preparations receive in a year.

When it is remembered that these testimonials represent only a small part of the whole number of people cured, one can appreciate the immense amount of good Hood's Sarsaparilla is doing in the world.

These testimonials came from people in every walk of life-from the residences of the rich and from the cottages of the poor-for Hood's Sarsaparilla is the people's medicine-

the greatest Spring Medicine --- the one reliable remedy for all troubles arising from or promoted by impure blood or low state of the system.

They tell of cures of scrofula, eczema, psoriasis, blood-poisoning, all kinds of humors, boils and pimples, of rheumatism and catarrh, and also-because Hood's Sarsaparilla contains the best known stomach remedies-of dyspepsia, indigestion, biliousness, debility and that tired feeling.

When you take Hood's Sarsaparilla you are using the remedy with a record. Endorsed in writing by over 40,000 people in two years

If you have any of these diseases or ailments be sure to get Hood's Sarsaparilla; it never disappoints. Buy a bottle and begin taking it TODAY. Sarsatabs are Hood's Sarsaparilla in tablet form. extract, and therefore have identically the same curative prop-a process of evaporation and distillation, reducing it to a solid by mail on receipt of price by C. I. Hood Co., Lowell, Mass.

Morse yesterday afternoon during the regular divorce hearing. In the cases

Works was granted a divorce from Martin Works on the grounds of cruelty and non-support. They were married in this city on Sept. 30, 1893, and the plaintiff stated on the witness stand that on one occasion her husband struck her in the face with his fist and at another time he locked her in the cellar for several hours. For more than six months past he has failed to

lively little road, which is being built into the interior of Oregon from Ba-ker City by David Eccles of Ogden, and it was the friendship existing be-tween Mr. Eccles and Mr. Tipton that led to the naming of the town. The name was otherwise appropriate, also, as it is in the tops of the highest ranges of the beautiful Blue moun-tains, and lies between 7,009 and \$,000 feet above sea level.

William O. Spencer and wife Huntington, Oregon, are registered at the Kenyon. Mr. and Mrs. Spencer are just making a little trip through the country for pleasure. "The town of Huntington is where the Oregon Short Line and the Oregon Raliroad and Navigation company. Inca meet d Navigation company lines meet the transcontinental span," said 5. Spencer. "It was named for Coland is P. Huntington, the late Central Pacific magnate, who, with such men as Leland Stanford, Charles Crocker and others, forced a way for the bands of iron through the almost im-penetrable Sierras. Huntington is taking on an incipient boom all by herself. Since it has been decided herself. Since it has been decided that the Navigation people will build down through the Narrows and fol-low the Snake as far as Ballard's Landing and Lewiston, thus giving the road a practically all river lever grade to the coast, cutting out all the steep grades of Baker, Grande Ronde and Mecham Heights in Ore-roa Huntington has become active gon. Huntington has become active as the center of operations and supply point. The town of Copperfield, sin miles down the Snake, has just been inities down the Shake, has just been started, and new towns all along the proposed new line will be the order from now on. Huntington is the natural distributing point for this road, and the little Oregon town will amount to something after all."

Guy LeR. Stevick of Denver is stop-ing at the Kenyon. "Denver is the ping at the Kenyon. "Denver is the coming town of the central west," said Mr. Stevick, today, "With an estimated population of 175.000 at present, we look for 300.000 in five present, we look for 300,000 in five years. It is a pretty sight to ride into the city of mountain and plain from the castern prairies," said Mr. Stevick, who is considerable of a traveler. "On approaching the city it appears as if pestied up against the outposts of the mighty Rockies, but the fact is the mountains are from 20 to 40 miles distant. The last time I weat the outproach this country and was the fact is the mountains are from 20 to 40 miles distant. The last time I went through this country and was on my way home, a lady from eastern Kansas was on the train. While going through the magnificent scenic can-yons and gorges on the railroad be-lween here and the Colorado canital, the lady shuddered and expressed the hope that we should scon be out of 'these horrible mountains.' She said she felt as if she were imprisoned, and her soul hemmed in by the tower-ing mountains. 'I long for the open plains,' she said. 'where one feels free and untrammeled. Give me my kansas prairies,' she said. It gave me a new idea, but for myself. I had al-ways appreciated the protecting influ-ence of being surrounded by those same towering mountains. I suppose if all depends upon the point of view, and are are it different." same towering mountains, it all depends upon the point of view, and we are all different."

James V. Gaul and wife and Miss Mary E. Cuddahy of Calumet, Mich. are in Salt Lake for a day or two. They are making a cross country tour and during their stay here are regis-tered at the Knutsford.

D. A. Keljik of St. Paul, Minn., is at the Wilson. Mr. Keljik in speaking of the liberality of the eastern cities loward the Chinese famine fund, said toward the Chinese famile fund, said the loading and shipping of a train-load of flour scross the continent by a Minnesota city, was the result of a movement inaugurated by the Chris-tian Herald, a New York weekly. #### To Feed Children and Get Good Results.

There are more nervous persons made so by undigested food lying in the stomach than the average individual would suppose. If food remains undigested in the

stomach, it begins to ferment, set up gas and a large portion is thus con-verted into poison.

That's why imperfectly digested food may and often does cause irrita-tion of the nerves and stupor of the mind-brain and nerves are really

"My daughter had complained for "My daughter has compained for some time of a distressed feeling in the stomach, after caling, which set me thinking her diet was not right," writes an anxious and intelligent

writes an anxious and intelligent mother. "She had been fond of cereals, but had never tried Grape-Nuts. From reading the account of this predigest-ed food, it seemed reasonable to try Grape-Nuts for her case. "The results were really wonderful. The little brain that seemed at times unable to do its work, took up new life and vigor. Every morning, now, be-fore going to school, she eats the crisp little morsels and is now completely and entirely well, she seems to have a new lease on life-no more disresses in the stomach, nor headache, but sound and well every way." Name given by Postum Co., Battle Creek, Mich. Read the book. "The Road to Wellville," in pkgs. "There's a Rea-son."

Moran was the lower of the two on both improvements. However his fig-ures were 18 per cent higher than the city engineer's estimate for the work and the board did not award the con-tract for that reason. Another meeting is scheduled for this afternoon at 4 o'clock at which the mayor, city attor-ney and members of the finance and streets committees of the city council will be present and at which some de-cision will be arrived at in the matter. Moran's bid on the South Temple street paving was \$62,182.35 for a five-year guarantee, while the Barber bid was \$67,272.50 for the same guarantee. On a 10-year guarantee. Moran's bid

was 56,272,00 for the same guarantee. On a 10-year guarantee, Moran's bid was 565,379,35 and Barber's was 570,462,50. The city engineer's es-limate of the cost of the ime provement was 556,022,45, which is several thousand dollars less than the

On the West Temple street paving, Moran bid 317,843.90 on a five-year guar-antee and the Barber company bid \$18,-969.50. On a 10-year guarantee Moran's bid was \$19,052.90 and the Barber bid WAS \$20,179.50. Mr. Hallora

Mr. Halloran raised the point as to who would stand for the additional cost of the improvement above the city engineer's estimate. He did not think the property owners would stand for it and it might be left on the city to pay. This phase of the question will en-

to pay. This phase of the question wi be looked into by the city attorney. Moran explained that the city ef gineer made his estimate on the pri-of material last year which made great difference owing to the fact that material is much higher this year. He expressed a willingness to sign up the contract if awarded him and do the work regardless of the opinion of the clip attorney on the question raised by Mr. Halloran. It is expected that some definite action will be taken in the matter during the meeting which is in progress this afternoon.

REMOVAL OF POLES.

The matter of removing the poles from the middle of the streets in the paved district was considered by the board and representatives of the Bell Telephone company and the Utah Light Telephone company and the Utah Light & Railway company were present and stated that it would be a hardship on them to be compelled to remove the poles right away. The telephone com-pany claims that it can take its poles out as soon as the city removes its fire and police wires from them. The board decided to notify the fire chief to remove the city's wires as soon as

to remove the city's wires as soon as possible. Further action in the mat-ter was postponed for two weeks. The board took no action on the Utaw Fireproofing company's communication which was sent to the council and re-furned by that body for the reason that it was not signed by a majority of the members of the board.

SHOCKED TOURIST.
