Nasal Catarrh Cured. Dear Doctor: I have been troubled with Chronic Nasal Catarrh for the past ten years. I am happy to state that your treatment was entirely successful in my case. If by publishing this you can in-fluence others suffering with this dreadful disease to try your skill, you are at liberty to do so. Because the physicians who can cure this disease are very scarce, and when one is found skillful enough to suc ceed, I think the public should know it. I remain yours, STEPREN B. From the first week my head and throat were relieved, have not had a headache—they were the bane of my life—since he began with me, and uow I remain entirely well. I write this for the benefit of like suffar-rers who may be seeking relief and urgent-iy recommend them to give Dr. Van Hum-mell a trial.
