

EXPENSES OF THE BRYAN RECEPTION

He is Against Accepting Any Money That Appears to be "Tainted."

POPULAR SUBSCRIPTION BEST

Dollar Ones Preferred and None Should Exceed Fifty Dollars.

New York, July 25.—The executive committee, which is in charge of arrangements for a reception to be given to William J. Bryan at Madison Square Garden on Aug. 30, made public today a portion of a letter written by Mr. Bryan to Alexander Troup of New Haven, the treasurer of the committee, concerning the method of securing funds for the reception.

"There will be some expense and the committee must see to it that no money is expended from questionable sources; in fact, I think it would be well to announce that the expenses would be borne by popular subscriptions, dollar subscriptions being preferential, but that larger subscriptions would be received up to \$50, none being received over that. Also, announce that subscriptions of \$5 or more than \$5 would be entered in a book and the names given to any one desiring them. Subscriptions of less than \$5 would not be known without consent of the subscriber.

"I think the publication of subscriptions is an important thing. The Republicans have failed to pass any effective law in regard to campaign contributions, and this will be a good rebuke to them and will freshen the adoption of such a policy by our next campaign committee.

"You can say, if you like, that I asked to have this plan adopted." The executive committee had its first meeting today. Norman E. Mack of Buffalo presided. Charles F. M. Murphy and John Fox of New York were elected treasurer to succeed Nathan Straus, who was unable to serve.

Mr. Bryan's suggestion as to the method of securing funds for the reception was approved and a sub-committee on finance appointed, consisting of Alexander Troup, Nathan Straus, D. J. Campau of Michigan, Francis Burton Harrison and Lewis Nixon. It was announced that the railroads have agreed to give a half-rate plus \$2 for round-trip tickets to New York from all over the country.

Various names were added to the reception committee, including that of Adlai E. Stevenson. On motion of Josiah Quincy of Massachusetts, the committee from the Anti-Imperialist league of that state was added to the reception committee. William Watson, the assistant sergeant-at-arms of the house of representatives, was made sergeant-at-arms of the reception.

Mr. Bryan is scheduled to arrive in port on Aug. 29, but he will go aboard a yacht and will not land until Aug. 30, at 4 p. m., when he will be driven by Broadway to Central park and back to the Victoria hotel. A series of receptions is to follow the one at Madison Square Garden. Mr. Bryan's first out-of-town trip will be to New Haven, and it is said he will speak from the identical spot where he was interrupted by Yale students on one occasion.

INTERESTING LETTER

WRITTEN BY A NOTABLE WOMAN

Mrs. Sarah Kellogg of Denver, Colorado, of the Woman's Relief Corps, Sends Thanks to Mrs. Pinkham.

The following letter was written by Mrs. Kellogg, of 1628 Lincoln Ave., Denver, Colo., to Mrs. Pinkham, Lynn, Mass.: Dear Mrs. Pinkham: For five years I was troubled with a tumor, which kept growing causing intense agony and I could not bear to think of an operation, and in my distress I tried every remedy which I thought would be of any use to me, and reading of the value of Lydia E. Pinkham's Vegetable Compound to sick women decided to give it a trial. I felt so discouraged that I had little hope of recovery, and when I began to feel better after the second week, thought it only meant temporary relief; but to my great surprise I found that I kept gaining, while the tumor lessened in size.

"The Compound continued to build up my general health, and the tumor seemed to be absorbed, until, in seven months, the tumor was entirely gone and I a well woman. I am so thankful for my recovery that I ask you to publish my letter in newspapers, so other women may know of the wonderful curative powers of Lydia E. Pinkham's Vegetable Compound."

When women are troubled with irregular or painful periods, weakness, displacement or ulceration of the female organs, that bearing-down feeling, inflammation, backache, flatulence, general debility, indigestion or nervous prostration, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound, at once removes such troubles.

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female ills.

Mrs. Pinkham invites all sick women to write her for advice. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years under her direction adjusting sick women free of charge. She has guided thousands to health. Address, Lynn, Mass.

Remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

the passengers and landed them in Alton.

The wind blew at a velocity of 30 miles an hour and was accompanied by incessant lightning and a heavy down-pour of rain, and for a short time hail-stones fell. The rainfall was .39 of an inch.

**DENVER COMMISSIONERS ARE CALLED GRAFTERS.**

Denver, Colo., July 26.—In a statement accompanying the biennial report of the clerk of the county court today, Judge Ben B. Lindsey arraigns County Commissioners Eugene McCarthy and William Lawson, a majority of the board for what he terms their political grafting and disregard of the rights of the public. The judge tells how the commissioners demanded to be permitted to name officers of the county court, and when refused held up the bills for certain expenses of the court. Judge Lindsey avers that the commissioners are servile tools of political agents of William G. Evans, president of the Denver City Tramway company, and that they spend thousands of dollars of the county's money for political ends.

**CAL. HOME FIRE**  
Will Be Able to Pay Only 60 1-3 Cents on the Dollar.

San Francisco, July 27.—The Home Fire & Marine Insurance company of California will be able to pay only 60 1-3 cents on every dollar of its \$2,550,000 loss in San Francisco.

Its directors who announced the practical insolvency of the company last week, propose to divide the assets of the company equally among all the creditors, in this case the policyholders. They ask the insured to consent to this method of going out of business as the cheapest for all concerned. The policyholders will meet and decide whether they will consent to this plan or seek a settlement through the courts.

The Fireman's Fund Insurance company, which owns the Home Fire & Marine, will make its first payment on its policies Aug. 18. President W. J. Dutton said last night that the Fireman's Fund assets will probably not be more than 75 per cent of its losses, although he cannot make an exact estimate at the present time.

**TO SELL SHIPBUILDING CO.**  
Philadelphia, July 26.—Common pleas court today ordered that the plant of New and Levy Shipbuilding company, of this city, be sold at public auction. The petition upon which the sale was ordered was presented by the receiver, who has operated the plant for 18 months. The court fixed the minimum selling price at \$300,000, subject to the usual lien and mortgage indebtedness. No date has been fixed for sale.

To the purchasers of the plant will be turned over all the company's uncompleted contracts with the exception of the United States cruiser, Albatross, which is about 50 per cent completed.

**WILLIAMS MUST DIE.**  
Gov. Jelks of Alabama Refuses to Interfere.

Birmingham, Ala., July 26.—Gov. W. D. Jelks tonight ended one of the harshest fights ever made in the state to save a man from the gallows, by deciding that he will not interfere in the execution of the death sentence of John Williams, an aged white man at Cullman, Ala., tomorrow. Williams was convicted of the murder of State Senator R. L. Hipp about two years ago while Hipp was trying to serve an ouster document on the old man.

It was announced tonight that the company K. Third regiment, a N. G. Co., had been detailed to accompany the prisoner to Cullman tomorrow and be present at the execution. The sheriff of Cullman county made the request as he feared that the sentiment in favor of Williams might bring about some action to interfere with the execution of the sentence.

Every preparation has been made for a successful expedition.

Mount Baker is almost 11,000 feet high and is considered the most difficult peak on the coast to ascend. The climbers are mainly from Portland, Seattle, Tacoma and Bellingham, but nearly every part of the country is represented. Fully half of the number are women, including the most experienced mountain climbers in the northwest.

**LOVERS SUICIDE.**  
Drowned Themselves Because Parents Objected to Marriage.

Philadelphia, July 26.—Grievously disappointed because their parents would not permit them to marry Gus, tave Kathke, aged 18 years, and Ella Miller, aged 18, committed suicide together some time Tuesday night by jumping into the Delaware river. Tonight the bodies of the young couple, clasped in each others' arms, came to the surface near Chestnut street wharf, this city, and were taken from the river by the police.

Kathke and the girl had been missing since Tuesday when they left their homes to visit friends in another part of the city.

The young man and woman failed to return to their homes that night and the next day they were reported to the police as missing. The morning mail of Wednesday brought a letter to the girl's mother in which the daughter said the mother would never see her again.

Nothing was heard of the couple until tonight, when the churning of the propeller of a tug boat which was tied up at Chestnut street wharf caused the bodies to come to the surface.

**A DARING ROBBERY.**  
Train Near Warsaw Stopped by Revolutionaries and Looted.

Warsaw, July 26.—A daring robbery was perpetrated this morning on the Vistula railway in the outskirts of Warsaw. Revolutionaries stopped a passenger train, by pulling the emergency brake. After assuring the passengers that no harm would be done them, the robbers uncoupled the locomotive and a car containing several strong boxes filled with the receipts of various stations.

The guardsman in charge was killed and the engine driver forced to proceed to a spot where the line passes through the woods. At a given signal 20 armed men appeared, broke open the boxes, abstracted \$7,500 and decamped.

They said they represented practically all the men in the yard, who were opposed to any change. Only three or four men had favored the premium system.

Owing to this representation, Acting Secy. Newberry has deferred action, and no attempt will be made to introduce any change while it meets with so much opposition.

**INSANITY PLEA IN THAW CASE DROPPED.**  
New York, July 26.—It was reiterated tonight that the proposition to make an attempt to secure a lunacy commission to adjudge Thaw insane had been dropped even by counsel retained by Mrs. William Thaw. It is understood that the counsel, consisting of former Judge William K. Olcott and Terrence J. McManus, have decided that such a motion would meet with ultimate defeat, and, therefore, it has been eliminated.

Thaw will be allowed to go to trial as he desires. The emotional insanity plea will be offered by Clifford W. Harridge, the personal counsel of Harry Thaw. Former Judge Olcott, it is understood, is retained by Mrs. William Thaw, the mother of the prisoner, to look out for young Thaw's interests—not in the way of any action on his part, but to aid in every bit of evidence he can secure.
