BEAUTY:
OR, THE
Secret of a Fair Face

An Item of Interest to Every Lady who Desires to be More Beautiful than she now is.

Unfortunately not one woman in a hundred, subjected to the whims of an American climate possesses that basis and starting point of real beauty—a pure and clear complexion.

What nature has thus denied, art must be called upon to furnish.

It can be done; it is done daily. Prof. W. E. Hagen placed beauty within the reach of every unblessed daughter of Eve when he discovered that surprising article known in fashionable circles as the true secret of beauty, and called

MAGNOLIA BALM

The MAGNOLIA BALM is a sure device for creating a pure and blooming complexion.

It conceals all natural blemishes in the most surprising and effective manner.

It removes all roughness, eruptions, redness, blotches, freckles, and tan with magical power.

It drives away all evidences of fatigue and excitement.

It makes the plainest face beautiful.

It gives the complexion a dazzling purity and makes the neck, face, and arms appear graceful, rotund, and plump.

It makes a matron of 35 or 40 look not more than 20 years old, and changes the rustic maiden into a cultivated city belle.

The Magnolia Balm removes all blemishes and conceals every drawback to beauty; and, while it is as harmless as water, it is as life-like in its effects that the closest observer cannot detect its use.

Ladies who want to make themselves attractive can make an absolute certainty of it by using HAGAN'S MAGNOLIA BALM, and in no other way. It is the cheapest preparation in the world, all things considered, and may be had at any drug store.

Last Night's Dispatches.

EASTERN.

Reports of the Pestilence — Appeals to the Howard Association for Assistance.

HOLLY SPRINGS, 23. — Grand Junction appeals to us for aid. Over a hundred cases and no organization of relief until to-day. They need nurses, money and supplies. Do what you can for them.

The Howards have a dispatch from Vicksburg announcing the arrival there of the steamer *Blanche Porter*, sent from New Orleans with doctors, nurses and supplies for Greenville, which point she will reach at five p. m. to-morrow. Dr. Adams and ten nurses leave in the morning for Holly Springs.

New Orleans, 23.—The following are dispatches and appeals to the Howards:

Southwest Pass, Custom Station —Send doctor and nurses at once. Fever raging here. Signed by Wm. M. Cullam.

Pilot Town, Southwest Pass, 23.—Dr. Booth, from Buras Settlement, is assisting me here. We have 26 cases, including convalescents under treatment. Three new cases. No deaths in the last twenty-four hours. Signed, Drew, M. D.

The Young Men's Christian Association, received the following from Winona, Miss.: Send good fever physician, one female and two male nurses. In response to the above, Dr. T. J. Wolfe, with nurses, goes to Winona to-morrow. The following explains itself:

JACKSON, MISS., Sep. 23, '78.

To the Free Masons and Odd Fellows of the United States:

In behalf of our afflicted brethren, their families in our fever-stricken communities, and in behalf of the hundreds of others who have been relieved by your timely and generous benificence, I return you profound thanks for the noble responses that you have sent to our appeals for help. I have thereby been enabled to answer, promptly, every call from the ten places in the State where the fever is prevailing, and with the funds on hand and now coming, will doubtless be able to meet every demand until the close of the epidemic. Should there be any surplus, it will be distributed as judiciously as possible for the benefit of the hundreds of orphans bequeathed by the plague to the impoverished communities. In their behalf I would still enlist your generous sympathy. The relief received throughout has been dispensed as fairly as practicable, through the committees of both orders, without regard to race, color or creed. Such has been the expressed wish of nearly every lodge and brother contributor. I have now obtained lists of the families having special claims upon our care, so that none may be overlooked in the distributions. I have received to-day, nearly $5,000, and nearly all from the Masons and Odd Fellows. In due time a full report of this good work, which it has been my privilege to conduct, will be given to the generous contributors and to the public. It will be a testimony to the goodness and gratitude of the human heart.

(Signed) J. L. POWER.
Grand Secretary of the Masons, and Grand Treasurer of the Odd Fellows.

A letter from Plaquemire says: The total cases of yellow fever, are 175; deaths to date, 65.

Memphis, 23.—At the Howard headquarters there has been one continuous call for nurses. The demand has given employment to many who were on the eve of departure for their homes, thinking their services were no longer required. The board of health officially reports 84 deaths for the 24 hours ending at 6 o'clock to-night; of these 22 are colored. This is a great increase as compared with the day previous, when only 33 were reported.

Vicksburg, 23. — Weather clear and warm; light rain last night and early this morning; thermometer 91 deg. Six deaths Sunday and 20 new cases. To-day seven deaths are reported, one of them from the country. The Howard Association will send to-morrow the steamer *Kate Dixon*, to Greenville, Miss., conveying money contributions, ice, provisions, doctors and nurses. The fever has decreased so much here that visiting physicians and nurses are going to other points. Yellow fever is reported at Delta, La., three miles below Vicksburg.

Suit Against a Savings Bank.

NEW YORK, 23.—Wm. J. Best, receiver of the German Savings Bank of Morrisania, has begun a series of suits in the superior court against the trustees of that institution for the recovery of $220,000, with interest, the whole amount involved exceeding $230,000. Best alleges that dividends were declared and paid when the trustees knew the bank was insolvent.

Dramatic.

"Henry VIII" was produced at Booth's Theatre, to-night, by Jarrett & Palmer, before a large audience. Miss Geneveve Ward, who assumed the part of Queen Catherine, was supported by a large company, including George Vandenhoff, Milnes Levick and J. H. Taylor. The piece was beautifully mounted, and the finished acting, with the magnificent scenery, elicited applause.

Charles Pope, lately from Australia and California, played "Macbeth" at the Bowery Theatre, to a regular old-time Bowery audience, to-night. Though not well supported, the piece was fairly done. The applause was deafening.

Dismantled Vessels.

NEW ORLEANS, 23.—Capt. Norman H. Bent, master of the ship *Annie Goudy*, which arrived to-day, reports that on September 4th he fell in with the schooner *Eulatpo*, of Shelbourne, Nova Scotia, dismantled in a hurricane on September 3rd, and took off five of her crew. The captain and mate could not get off, as it came on to blow a heavy gale. He saw another dismantled vessel at the same time, apparently a brig, her spars hanging alongside, near Cape Mayse, Cuba, bearing about 15 miles off shore, but he could render them no assistance, as it was blowing a heavy gale.

Decision in the "Chesapeake" Case.

BOSTON, 23.—United States Commissioner Hallett gave a decision, to-day, in the case of Henry A. Parr, arrested some time ago on the charge of being engaged, with others, in the capture of the steamer *Chesapeake*, in the name of the Confederate government. The commissioner discharged Parr on the ground that his case was covered by the general amnesty proclamation of December 25th, 1868.

AUSTRIA.

Successful Advance of the Troops—The Insurgents Defeated.

VIENNA, 23.—Official telegrams report the simultaneous and successful advance of the whole Austria force against the insurgent positions in northeast Bosnia. The southern division, starting from Serajevo, after a six hours' engagement defeated, on the 21st inst., 7,000 insurgents and the Turkish regulars, occupying strong positions near Seokovies. The insurgents were taken in the flank and obliged to retreat under a destructive artillery fire. The Austrian loss was 400 killed and wounded, while the insurgent loss is considerably heavier. Another force operating parallel to the Serajevo column, but further north, occupied Olcovo, unopposed, on the 21st inst. Still further north, General Szapary, after receiving the submission of Tuzla, pushed forward a strong force, which, after some heavy fighting, carried the insurgent positions on Majevica hills, which formed a great obstacle in barring the advance on Bjeliva. The inhabitants of Bjeliva, probably on account of this success, invited General Budich, who was advancing along the bank of the Save, protecting General Szapary's left flank, to continue his march, and he has already arrived at Bjeliva. Numbers of Bosnians are tendering submission.

It is officially confirmed that General Budich occupied Bjelvia, without resistance on the 22d inst.

According to all accounts the Austrian troops, within two or three days, will be at Zwornik, whither the remaining insurgents have retreated. General Jovanovich has arrived before Klobuk, the last Herzegovinian stronghold. The joy in Austria is universal.

GERMANY.

The Anti-Socialist Bill.

BERLIN, 23.—*North German Gazette* says the committee on the anti-socialist bill has already arrived at some conclusions which the federal government will probably pronounce inadmissable. The ultimate passage of the bill appears endangered. It will at least meet with great difficulties, unless in the debate on the third reading, members who are really striving for an understanding with government, obtain the upper hand.

ITALY.

Abandoned.

ROME, 23. — The Vatican has abandoned the idea of sending a charge d'affairs to London.

A Denial.

A Vatican organ, *The Voce della Verita*, denies that any difficulties have arisen in the negotiations between Germany and the Holy See.

The Situation at Tangier.

The Italian consol at Tangier has telegraphed repeatedly the situation there is intolerable. The British consulate and custom house have been attacked by a mob. Italy will probably send a man-of-war to Tangier.

Vesuvius Eruption.

NAPLES, 23.—There was an intermittent eruption of Mount Vesuvius, last night. It is actively increasing.

BRITISH AMERICA.

Orangemen Committed.

MONTREAL, 23.—A police magistrate, to-day, committed six Orangemen arraigned for belonging to an illegal society, for trial at the Court of Queen's Bench.

WESTERN.

The "Chronicle" Libel Cases.

SAN FRANCISCO, 23. — The libel cases of Senator Sargent and Congressman Page against the proprietors of the *Chronicle*, came up to-day at Placerville. The defendants moved for a continuance and after argument the court adjourned till evening.

Chinese Tax Bill.

A Victoria dispatch says the Chinese strike ended to-day. The tax question will come before the supreme court on Monday on a writ of replevin.

FOREIGN.

GREAT BRITAIN.

The Fever-Stricken South.

LONDON, 23.—Some Paris newspapers state that the French government is about to open a subscription for the fever-stricken people of the United States.

Berlin Treaty Stipulations.

A dispatch from Berlin says the Porte has given notice of its firm intention to execute the stipulations of the Berlin treaty in regard to Servia and Montenegro. The Czar has dissuaded Montenegro from recommencing hostilities.

Territories Evacuated.

A Belgrade dispatch says the Turks have evacuated the Territories of Little Zwornik and Sakar which have been occupied by the Servians.

Frontier Line Strengthened.

A Vienna dispatch states that the Turks have strengthened the frontier line of Epirus, with 2,000 regulars. They have now nearly 50,000 troops in Thessaly and Epirus and reinforcements are still arriving.

The Bosnian Beys.

Prince Milan has refused a deputation of Bosnian Beys, who came to seek a union with Servia.

The Afghanistan Affair.

A Bombay dispatch reports that a special meeting of the Viceroy's council has been held at Simla. General Roberts, commandant of the frontier forces, has started for Penshauer with secret orders. A large force is ordered to be in readiness on the frontier, where 12,000 men are already massed. The Indian newspapers universally demand an apology from the Ameer on the occupation of Afghanistan. The feeling among Europeans is warlike.

The London *Times*, in a leading article, says: The reckoning will be with the Ameer alone. Nothing can probably be done in the way of military operations until the spring. We can wait and it will suit us best in every way to give our discourteous neighbor an opportunity for reconsideration.

The cabinet will immediately assemble to discuss the Afghanistan affair.
