

# THE NEW FINANCIAL GAME

William Hayard Hale, who has a more fame by suppressing an interview than he ever got by printing one, is a caustic, sarcastic man," said a magazine editor.

James heard Hale speak at a bankers' Christmas banquet. He always

speaks well, because he is a clergyman. One part of his speech I'll never forget. It was on Christmas games.

"There is one Christmas game," he said, "that has become very popular, especially in banking circles. It is a money hide-and-seek. You play it as follows:

"A cashier or president takes all the institution's money and runs and hides. Detectives swarm out to find him. If they succeed, he comes home with them and has to pay a forfeit."

## THE DANGER OF WATER

A short time ago in a certain town in the south of Ireland a lecture was being given on the evils of drink.

"Yes," said the lecturer, "alcohol has

ruined our country and has slain its thousands; but when has bright, clear, cold water caused the death of any one?"

And from the back of the audience a gruff voice answered:

"When he couldn't swim."—Tit Bits.

## JUST A MOTHER.

A friend who belonged to a number of societies and organizations often left her little boy with his grandmother.

He was lonely without his mother, and one day as she was about to leave him he exclaimed: "Oh, don't go! Don't be a clothes any more, just be a mama."—The Delinquent.

## WOULD STOP IT.

John D. Rockefeller is not ordinarily credited with a sense of humor, but here is a story of his own telling.

Two Irishmen met on the street and one having failed to observe a quarter of the other, secured the following dialogue:

"Do you know, Pat, that that Rockefeller chap is the richest man in the world?"

"No, you don't say so?"

"It's the truth, me biddy, and I keep time that clock ticks off a minute."

Rockefeller is a thousand dollars rich. He has a lot of money, Mr. Rockefeller, I'd say.

There is no case on record of a cough, cold or a gripe developing in a person after Foley's Honey and Tar has been taken, as it cures the most obstinate deep seated coughs and cures. Why take anything else? P. J. Hill Drug Co., ("The Never Substitutes")
