WEDNESDAY, NOVEMBER 4, 1903. SALT LAKE CITY, UTAH.

FIFTY-THIRD YEAR.

## Colombian Warship Bogota Shells the City of Panama.

### A BIG VICTORY FOR DEMOCRACY.

Made Easy by Independent Re-  
publicans and a General Re-  
form Sentiment.

### MORRIS IS THE NEXT MAYOR.

Went to Victory With a Plurality of  
2,270, Leading His Ticket as  
In Past Contests.

### STRONG ALL OVER THE CITY.

Mormon and Non-Mormon Districts  
Alike Join in Piling Up the Ma-  
jority for Democrats.

The election is over in this city as  
elsewhere. It was a Democratic land-  
slide, made easy by the assistance of

inquired a friend today who supple-  
mented by saying: "Like a greyhound,  
I guess he is running yet." His plu-  
rality is 2,270, some hundreds ahead of  
Recorder-elect Critchlow, who will  
catch up to Morris one of these days if  
he keeps on. The whole general ticket  
went in.

**COUNCIL REPUBLICAN.**  
The council is Republican. For a  
time it looked as though it was seven  
Democrats and eight Republicans but  
this afternoon the revised figures from  
the Second precinct indicate the election  
of Dean (Rep.) over Burbridge (Dem.)  
by six votes. However, one of the elec-  
tion judges contends that Burbridge is  
elected, while another states that Dean  
is the victor. The facts are that it will  
probably require the official canvass to  
determine the matter.

**THERE WAS MUCH BETTING.**  
There was much betting yesterday  
afternoon and last night on the result.  
The odds were generally in favor of  
Morris. The money wagered ran far  
into the thousands. The heaviest win-  
ner was Alex. Thibet, while Senator  
Kearns is probably the largest loser.  
Mulvey, who was defeated for council-  
man from the Fifth has some solace in  
the fact that he picked up \$5,000 of the  
senator's surplus cash. Another per-  
sistent bettor of money on Morris was  
MacGinnis of Butte. There were  
scores of bets that passed the hundred  
mark and hundreds of smaller denomina-  
tions.

### MIXED RESULTS OVER THE STATE.

There Were Losses and Gains for  
Both Parties in Several Un-  
expected Places.

### WHAT THE FIGURES DISCLOSE.

Who the Victors Were and Where  
The Vanquished Fell—Election  
Quiet in Other Cities.

The results over the state afford in-  
teresting reading. It will be observed  
that both parties had losses and gains  
in unexpected places. Ogden, the sec-  
ond city of the state, has a Republican  
majority in William Glasmann, who suc-

ceeded himself, while Provo elected W.  
M. Roylance, Democrat. The stories of  
other struggles are given in detail be-  
low.

**LOGAN REPUBLICAN.**  
Capital of Cache County Gets  
Mayor—Others Divided.  
(Special to the "News.")  
Logan, Nov. 4.—E. W. Robinson, the  
Republican candidate for mayor, was  
elected yesterday by a plurality of 111.

### ELECTION HONORS ARE ABOUT EVEN.

Republicans Carry Ohio and Penn-  
sylvania by Almost Unprece-  
dented Pluralities.

### DEMOCRATS WIN NEWYORK CITY

Not Many Important Changes in the  
Political Complexion of the  
Various States.

Columbus, Ohio, Nov. 4.—More com-  
plete returns today indicate that the  
plurality of Herriek (Republican), for  
governor, over Johnson (Democrat), will  
exceed 125,000, but that the remainder  
of the Republican state ticket will not

Democrat. This is the first time a Re-  
publican has been chosen as judge  
of the common pleas court in that  
county. Harvey's defeat was due  
mainly to the dissatisfaction in the De-  
mocratic ranks.

The defeat of present Judge Harman  
Yerkes, in Beck county, by B. M. Stout,  
Republican, was another surprise.  
The three-cornered judicial fight in  
Loup county between Kunel, Re-  
publican, Hain, Democrat and Jacob  
the incumbent, was one of the most  
bitter ever waged in the county. Kunel  
finally winning by a small majority.  
Jacobson, however, was appointed by Gov.  
Pennybacker as the successor to the  
late Judge Simonton.

In Clearfield county, Judge Cyrus  
Gordon, Republican, was defeated for  
re-election by Allison O. Smith, Demo-  
crat, after a bitter struggle.

**GREATER N. Y. DEMOCRATIC.**  
New York, Nov. 4.—George McClellan  
(Dem.) will be the next mayor of Great-  
er New York, having defeated Mayor  
Seth Low for re-election by a plurality  
of 63,471, complete. McClellan's re-  
turns have been received from every elec-  
tion district in the city. By the same  
returns, Comptroller Edward M. Grout  
and Charles V. Farnes, president of  
the board of aldermen, running for re-  
election, were elected by a plurality of  
10,000 each. The Democratic ticket, al-  
though elected two years ago as Fusion  
candidates, defeated their Fusion op-  
ponents by 66,790 and 64,973 plurality  
respectively, comptroller Grout leading  
the ticket.

The sweeping Democratic victory was  
accomplished for the Democratic city  
ticket and borough ticket in four of the  
five boroughs of the municipality, only  
Richmond borough, Staten Island, Sav-  
ing Low a plurality and electing fusion  
borough officers. J. Edward Swan-  
strom, (fusion), who is was thought  
last night would be elected president  
of Brooklyn borough, was defeated by  
Martin W. Littleton, the Democratic  
candidate by 3,129 plurality. In spite of  
Littleton's attitude in opposition to the  
Democratic city ticket.

McClellan's total vote for mayor was  
314,966 to 251,285 for Low.  
William Devery, independent candi-  
date for mayor, polled only 2,836 votes  
in the entire city, getting 2,671 of these  
in Manhattan and the Bronx, 226 in  
Brooklyn, 38 in Queens and none in  
Richmond.

**MASSACHUSETTS REPUBLICAN.**  
Boston, Nov. 4.—With the exception  
of the falling off in the Socialist vote  
the election in Massachusetts very  
nearly paralleled that of last year.  
Gov. John L. Bates, Republican, was  
re-elected by a plurality of 35,849 over  
Col. William A. Gaston, Democrat, in a  
total vote only slightly under that of  
1902. The vote for the legislative can-  
didates yesterday was: Bates, 199,133;  
Gaston, 166,544; both gaining about  
3,000 over last year, but as the Social-  
ist vote dropped from 35,429 to a little  
more than 25,000 and that for the Pro-  
hibition and Socialist-Labor candidates  
remained about the same, the total  
vote for all candidates fell just short  
of that of last year, the largest in the  
history of the state.

With the head of the ticket went the  
other Republican candidates for state  
offices, as well as seven or eight of the  
executive branch. The lower branch of  
the legislature shows a gain of two  
Republicans, the senate remaining un-  
changed. The senate will contain 32  
Republicans and 15 Democrats, while the  
house will have 165 Republicans, 85  
Democrats and one Socialist with two ties to  
be decided.  
In addition to suffering a loss of sev-  
eral thousand votes for the legislative  
candidates, the Socialists also had two  
of their three seats in the house taken  
away from them by the Republicans,  
but as they polled more than 24,000  
votes they maintained a place on the  
official ballot.

**MARYLAND DEMOCRATIC.**  
Baltimore, Nov. 4.—The returns from  
234 precincts of the 308 in Baltimore  
city have been counted and these show  
a majority of 4,842 for Edwin Warfield,  
Democrat, over the Republican govern-  
or. Returns from the remaining 54 pre-  
cincts will increase this lead. Returns  
received indicate that there will be a  
Democratic majority of 2,000 in the  
state and that Warfield's plu-  
rality in the state will probably reach  
7,000.

The Democrats in Baltimore city elect  
their entire ticket, including three  
supreme judges, three orphans court  
judges, court clerks and sheriff. Chief  
Judge McSherry of the court of appeals,  
is re-elected.

The Democrats have elected a sub-  
stantial majority of the legislature,  
thus insuring a Democratic successor to  
Senator Comas.

**RHODE ISLAND DEMOCRATIC.**  
Providence, R. I., Nov. 4.—The Demo-  
crats succeeded in re-electing T.  
F. C. Garvin yesterday, although by a  
reduced plurality, but the other state  
officers went to the Republicans and  
that party will also have a working  
majority in the legislature. Garvin's  
plurality of 1,896 out of 152 election dis-  
tricts was 1,035, the vote for the two  
candidates being: Garvin, Democratic,  
28,887; Colt, Republican, 27,882. The  
other Republican candidates on the  
state ticket received pluralities averag-  
ing about 2,000.

The senate will stand 26 Republican,  
16 Democrat and the house 36 Repub-  
lican, 32 Democrat and 18 Independent.  
The leading cities, Providence, New-  
port and Pawtucket, also sent Demo-  
cratic delegations to the legislature.

**KENTUCKY DEMOCRATIC.**  
Louisville, Nov. 4.—Returns received  
from 32 counties, a number of which  
are incomplete, give Gov. Beckham,  
Democratic candidate for governor, a  
majority of 25,500. These figures, how-  
ever, do not indicate his real majority  
for the reason that most of the 36  
counties remaining to be heard from  
are normally Republican.

**VIRGINIA DEMOCRATIC.**  
Richmond, Va., Nov. 3.—The elec-  
tions in Virginia for members of the  
assembly have resulted in a Demo-  
cratic sweep of the state. There were  
few contests, the field as a rule being  
left open to the Democrats. At 11:30  
o'clock the outcome at the hardest  
fighting point was still undecided. Two  
surprises, however, in the defeat  
of the Democratic nominees,  
Hotelcourt and Fredericksburg. The  
vote generally was light, being in  
Richmond City, for example, only  
about 25 per cent of the registration.

**NEW JERSEY REPUBLICAN.**  
Trenton, N. J., Nov. 4.—Revised re-  
turns from 100 precincts show that the  
Republicans have carried Middlesex  
county for both senator and assembly-  
men. This will make the senate  
stand 14 Republicans to 7 Democrats,  
the same as last year's representation.  
The gain of three assemblies by the

### PROTEST AGAINST BOMBARDMENT.

U. S. Consul Ehrman at Panama  
So Instructed by the State  
Department.

### VIOLATES ALL RULES OF WAR.

If Protest is Not Heeded Gunboat Bos-  
ton Will Seize the Colombian  
Gunboat.

### INTERRUPTS ISTHMIAN TRANSIT.

Dispatch to Naval Commanders Says:  
"You Will Protect American Inter-  
ests at All Points."

Washington, Nov. 4.—United States  
Consul Ehrman, at Panama, cables the  
state department under today's date  
that the Colombian government war-  
ship Bogota is shelling the city. One  
Chinaman has been killed.

Mr. Ehrman has been instructed to  
protest against the bombardment.  
If the consul's protest is not sufficient  
the commander of the United States  
gunboat Boston which is by this time  
on her way to Panama from San Juan  
del Sur, 600 miles distant, will promptly  
seize the Colombian gunboat if neces-  
sary to stop the bombardment.

The bombardment is in violation of  
all the rules of war, beginning as it  
did without the required notice. More-  
over the United States government  
takes the ground that it certainly in-  
terferes with transit across the isthmus  
which this government is treaty-bound  
to maintain.

The greatest activity was exhibited  
in the state and navy departments this  
morning and there were frequent con-  
sultations between the officials, the na-  
val officers particularly being intent  
in working out the details of the plan  
of protection of the isthmian traffic out-  
lined by the state department.  
It is quite evident that the navy is  
making preparations for a larger  
squadron in isthmian waters than it  
has maintained for many years, and the  
fact is not disguised that all the information  
that has come from the secret agents  
points to the ultimate success of the re-  
volution. But meanwhile extremely ad-  
vocate questions are to be answered for  
the occupation of one end of the Pan-  
ama railroad by the government force  
and of the other end by the revolution-  
ists make the situation extremely com-  
plicated. That is one reason the con-  
ferences are being held and why it is  
desirable that the most exact instruc-  
tions possible under the circumstances  
be sent to our naval commanders  
and to the consular officer on the isthmus  
to prevent them from making any  
false move that would put the United  
States government in a position of dis-  
playing power in derogation of Colum-  
bia's just rights.

You will protect American interests  
at all points and do everything possible  
to avoid bloodshed," is the substance  
of the dispatch cabled by the navy de-  
partment at the instance of the state  
department to the naval commanders  
now at the isthmus or on their way  
there. The last part of the instructions is  
particularly significant for it forecasts a  
more active interposition by the United  
States government in the struggle on the  
isthmus than has perhaps ever be-  
fore been displayed.

These orders were the result of the  
conference that was held at the  
White House last night between the  
president, Secy. Hay and Asst. Secy.  
Loomis and Acting Secy. of the Navy  
and Admiral Taylor, chief of the  
bureau of navigation, who are now  
at the isthmus or on their way there.  
The last part of the instructions is  
particularly significant for it forecasts a  
more active interposition by the United  
States government in the struggle on the  
isthmus than has perhaps ever be-  
fore been displayed.

**NO TROOPS TO CROSS.**  
Colon, Colombia, Nov. 4.—It is re-  
ported that the commander of the  
United States gunboat Nashville, com-  
mander Hubbard, this morning notified  
the prefect of Colon and the Pan-  
ama railroad that he would not trans-  
port from either end of the isthmus would  
be allowed transportation on the railroad.

The city of Colon was mystified to-  
day when it received the news from  
Panama of the overthrow of the na-  
tional government there and the pro-  
clamation of the independence of the  
isthmus yesterday. Colon, however, is  
exceedingly quiet. The government  
troops which arrived here on board  
the warship Cartagena from Savannah  
yesterday are still here and their pres-  
ence at Colon has caused some difficul-  
ties in certain quarters.  
J. A. Arango, Thomas Arias and  
Frederico Brodie at Panama, Gov.  
Obaldia, Gen. Tovar and a few others  
who were arrested by the revolution-  
ists at Panama yesterday are still in  
custody, according to advices received  
here. No bloodshed resulted from the  
revolutionary movement which is sup-  
ported by the people of the high in-  
telligence and wealth at Panama as  
well as by the troops of that city.

### SAM PARKS "DONE FOR."

Walking Delegate Says Nothing  
Can Save Him from Sing Sing.

New York, Nov. 4.—Samuel Parks, from  
his cell in the city prison, is said to have  
announced that he will resign as walk-  
ing delegate and as a member of the House  
smiths and Bridgeman's union at its  
meeting next Friday night. He says it is  
out of the labor movement forever, and  
declares he will not appeal from his con-  
viction in the extortion case for which  
he recently was tried. He is eager to  
serve his prison term and is not seeking  
help.  
"I am done," said Parks. "Nothing can  
save me from Sing Sing. If I did get a  
new trial I would be convicted as regu-  
larly as I came before a jury. I am not  
ashamed of my labor career. I thought  
it was right and followed my best judg-  
ment.  
I have but one regret, and that is for  
my wife. She is prostrated over my  
troubles."

Independent Republicans and a gen-  
eral reform sentiment.

The belief had gone out that the Re-  
publican machine was running  
things in its own way and to the sole  
advantage of its bosses. That thought  
was fatal. The people rebelled. They  
declared they would not stand for the  
methods that obtained at the primaries  
and convention and for the work that  
was done during the campaign.

They had distinguished leadership  
and strong advice. They saw their  
national committee, O. J. Salisbury,  
array himself in no unmistakable  
manner against what had been done.  
They noted the fact that former Con-  
gressman George Sutherland was  
among those who condemned the ma-  
chine bosses in unmeasured terms.  
They read the stinging words of For-  
mer Chief Justice Zane who sincerely  
announced his belief that money had  
been illegally used to secure delegates  
and influence. They observed that  
Banker M. H. Walker, reputed to be  
the biggest individual taxpayer in the  
state, was on the side opposed to Re-  
publican Crokerism. Judge Grant  
Smith, State Senator Allison, State  
Senator Lawrence, former Chief of  
Police Arthur Pratt and strong busi-  
ness men by the score, who had al-  
ways voted the Republican ticket  
said the dose was too bitter to swal-  
low and they didn't swallow it. The  
result shows that.

Senator Kearns was made the  
particular target of attack by nearly  
all of these former party associates,  
and it was a pleasure to look upon  
to see most of them in the office of the  
Democratic organ last night felicitating  
with each other as the returns came  
in. The burden of what they said was:  
"We helped smash the machine this  
year; now up goes our sleeves to fight  
the Democracy as hard next year,  
when the presidential election comes,  
as we fought for it this time."

Then there was another element that  
did as much to defeat the Republican  
ticket as any other one thing; and that  
was the notorious divekeeper and  
rounder, Bruce Johnson. Johnson tried  
to control the vicious elements of the  
Tenderloin. He said he would vote  
them in great squads. He succeeded  
only in a measure. There were too  
many special officers in the section dur-  
ing the election day, and Johnson's  
grief was great. The coupling of his  
name with the Republican campaign  
and the constant cartooning and fea-  
turing of him with prominent white  
leaders of his party cost the latter very  
many votes. Much that was white and  
clean; much that was good and strong  
on the Republican ticket suffered be-  
yond repair through the noxious work  
of this objectionable man.

**MORRIS' MARVELOUS RUN.**  
The election proved one thing—that  
Morris has lost none of his sprightly  
ability at the polls. He never was on  
a ticket that he didn't lead it, and he  
has been on a good many. "Did he run?"

Fifth ward, four-year term: E. D.  
Boren (Rep.), 229; E. D. Partridge  
(Dem.), 269; Partridge's majority, 31.  
Two-year term: George S. Taylor  
(Rep.), 218; Moroni Snow (Dem.), 268;  
Snow's majority, 50.

Provo a year ago gave Howell for  
Congress 323 majority.

**LOGAN REPUBLICAN.**  
Capital of Cache County Gets  
Mayor—Others Divided.

(Special to the "News.")  
Logan, Nov. 4.—E. W. Robinson, the  
Republican candidate for mayor, was  
elected yesterday by a plurality of 111.

have so large a plurality. As the  
Republicans not only carried the dou-  
tiful counties and districts, but also some  
that were conceded to be Democrats, the  
majority on joint ballot in the legisla-  
ture for the re-election of Senator Han-  
na is now placed at 95 out of a total  
membership in both branches of 143,  
almost three times as many as two  
years ago, when the Republicans had  
what was considered an unprecedented  
majority of 35 on joint ballot for the  
election of Senator Foraker. As Sen-  
ator Hanna had only one majority on  
joint ballot six years ago, and as he  
was the issue in this campaign, the  
result is generally commented on more  
by his victory than anything else.

Chairman Dick says:  
"Hanna's personality did it."  
The large wagers that were placed  
on information from headquarters  
did not go above 75,000 for Herriek.  
The betting element "have all kinds of  
money," getting most of it on much less  
than half of Herriek's plurality. A  
syndicate of Cincinnati and Columbus  
Republicans made a large winning from  
Democrats at Cincinnati.

Ohio never exceeded the one hundred  
thousand mark but twice before. This  
was when John Brown during the Civil  
war was elected Republican governor  
by 101,469, and in the panic of 1894, when  
the Democrats did not come out to vote  
and the Republicans carried Ohio for  
senator by 155,000.

The only other time when anything  
approaching these marks was reached  
was last year when the Republicans  
carried the state by 96,657 for secretary  
of state and when Mayor Tom L. John-  
son was almost as much of an issue  
as this year.

**CLARKE'S STATEMENT.**  
Cleveland, Ohio, Nov. 4.—John H.  
Clarke, Democratic candidate for United  
States senator, today made the fol-  
lowing statement concerning the result  
of the election:

"The result is, to be sure, surpris-  
ing only in the increase of the Republi-  
can majority. The increased majori-  
ty against the Democrats I attribute  
to the fact that the campaign arranged  
by Mr. Johnson, with such aid as  
could render, succeeded in creating an  
activity on the part of the Republican  
organization not equalled in recent  
years. This brought out a larger in-  
creased Republican vote, while the  
Democratic vote was not correspond-  
ingly increased because of the factions  
in southern and western Ohio, which  
were organized and led by ambitious  
and wealthy men within the party."

In Cuyahoga county all of the men  
disappointed because not given office  
united with those who were tried and  
found wanting and dropped, and there-  
upon, under skillful leadership, in my judg-  
ment, accomplished the result in this  
county. To these factors should be  
added the adroit appeal of Senator  
Hanna to the fears of the people, the  
seem to have prevailed. But after all,  
the "Dutch" have effectively captured  
Holland."

**IN HAMILTON COUNTY.**  
Cincinnati, Ohio, Nov. 4.—The vote  
complete in Hamilton county for gov-  
ernor is: Herriek, 52,627; Johnson,  
22,719; Coover, 4,257. Herriek's plu-  
rality 29,908.

**PENNSYLVANIA REPUBLICAN.**  
Philadelphia, Nov. 4.—Latest esti-  
mates from the country districts indi-  
cate that the Republican state ticket  
will have majorities ranging from 235-  
000 to 230,000.

In the counties where Judges of com-  
mon pleas court were chosen the Re-  
publican percentage of victories was  
far greater than that of the Democrats.  
In Lehigh county, Frank M. Trealer,  
Republican, defeated Edward Harvey,

Democrat.

**LEHI.**  
Entire Ticket Went Republican  
With Exception of the Justice.
