

THE SEMI-WEEKLY NEWS

Issued Mondays and Thursdays
and Contains All the Cream of
the Daily and Saturday News.

LOCAL BRIEFS.

New Business Structure.—E. H. Needham will build a 50% by 12% feet, two-story business structure on the premises 341 State street, to cost \$10,000. S. C. Dallas is the architect.

Postal Carriers Here.—General Manager E. J. McElroy and General Superintendent W. L. Carr of the Postal Telegraph company at Chicago, arrived in this city yesterday on an inspection trip to the Pacific coast.

Amend Alfalfa Bill.—Local alfalfa handlers are notified from Washington that the Mann bill, which forbade the sale of alfalfa seed containing clover, has been amended so as to remove the objectionable features.

College Men Admitted.—The following resident college men were admitted to membership in the University club Saturday evening: S. T. Baldwin, M. D., University of Louisville, Ky.; C. D. Marshall, Jr., Michigan college of mines, 1904.

Enlistments at a Standstill.—Army enlistments in this city are at a standstill, owing to improvement in the times, and a delay in the house of representatives passing the act providing for an increase of 45 percent in the pay of enlisted men.

Would be Foresters.—The local forestry offices are fairly swamped with applications to take the forestry examinations one month away. Last year there were only five applicants for admission to the service. The government wants 300 men, all told.

Opera House at Beaver.—Architects Liljenberg & Maeser have completed plans for a \$20,000 opera house for Beaver. It is 60 by 115 feet in area dimensions, will seat 1,000 people, and has a dancing platform in the basement. Excavation has already begun.

Back from Colorado.—D. M. Landreth has returned from Grand Junction, Colo., where he found nothing suggestive of hard times. He says he looked for the same kinds of things in that section of the country as most encouraging, so that nothing short of late and severe frosts will affect the output.

Mr. Seare Re-opens.—The many friends of Albert J. Seare, former county clerk of Salt Lake county, will be interested to learn that he has decided to re-open his old business, watchmaker and jeweler. He has secured a stand on West First South, and will be ready for business this week.

Funeral of Patrick Lynch.—The funeral of Patrick Lynch, the miner who was electrocuted by coming in contact with a live wire, in a mill near Boise, was held this afternoon at St. Patrick's cathedral. The interment in Mt. Olivet. William Lynch, brother of the deceased, arrived yesterday from Los Angeles to attend the funeral.

Fifteen Inspectors.—Col. Hickox of the bureau of animal industry received word from Washington this morning that five additional inspectors would be sent to this station, making 15 in all at this point. Twenty-five were needed, but the colonel doubts whether he will get the other 10. However, the state will furnish five men, so the local bureau will not suffer.

Names of Injured Men.—The names of the men who were injured yesterday afternoon in the accident at the Newhouse building, and which were very discourteously refused the "News" by Supt. Porter, are William Holmquist, an iron worker, and John Kelly, a laborer. Holmquist's face was badly cut, and he will be unable to work for several days.

Will Award Silver Cup.—Secy. Ensign of the State Fair association, received yesterday afternoon, a letter from the American Goat Breeders' association, stating that the latter body will award a silver cup as a special prize for the best breeders' flock of registered Angora goats. The flock is to contain 10 Angora kids of either sex, from one buck bred by the exhibitor. Requests for space at the next state fair are being continually received by Mr. Ensign.

Realty Deal.—Cannon and Cannon report the following realty deals: To George Broad, for \$1,000, the room house and 27 feet front lot in Foreman Dale; also, a live room house on Wilmington avenue, to William Parkinson, for \$2,800; a five roomed brick house, for \$2,200, on Wilmington avenue, to George Saville; a group of five building lots in the same locality each 25 by 120 feet, for \$600; and three lots 25 by 125 feet, for \$700. The firm has built five houses this winter and sold them, and will build a dozen more.

I. O. O. F. Function.—"Old" Jordan lodge No. 3, I. O. O. F. met last evening, in Odd Fellows' hall, where the third degree was conferred on a class of 16 candidates. The officers of the grand lodge were also received and welcomed as guests of honor, while Salt Lake lodge No. 2, called on a sympathetic visit, and assisted in entertaining the grand lodge members. Following the conferring of the third degree, the Odd Fellows adjourned to the banquet hall to enjoy a fine spread prepared by the entertainment committee. W. B. Sackett, officiated as toastmaster. Grand Master Abner, Grand Secy. Simpkins, and Grand Warden Stewart made addresses, while Messrs. Lester, Price, Sullivan, Moore, Wagner, Wilson, Sugden and Grace spoke in behalf of odd fellowship. The team was complimented for the way in which they conferred the degree.

Zion's Savings Bank & Trust Co. Pays 4 per cent on deposits. JOSEPH F. SMITH, President. ANTHONY H. LUND, Vice-President. O. C. BEHRE, Cashier.

Castle Gate, Clear Creek, Rock Springs, lump and nut, \$5.00 per ton. MARTIN COAL CO.

DIABOLO
The Greatest Game in the World.

This game will be "the fad" during the spring and summer season. Superb exercise and fine sport. We have them at all prices from 50 cents to \$5 each. DESERET NEWS BOOK STORE, 6 Main Street.

PAVING OF FIRST SOUTH STREET

Council Passes Resolution Delaying Action on Upper Portion of Street.

WILL NOT EVEN ASK FOR BIDS

Fernstrom Gives Reason as Difference of Opinion on Material to be Used and Lack of Funds.

Action that will delay for some time the paving of east First South street was taken last night by the city council, when a resolution was passed instructing the board of public works to cease advertising for bids for that proposed improvement.

The resolution came from Mr. Fernstrom, who said that the finance committee had encountered a situation, which he did not care to explain at this time, making it advisable not to proceed with the work, even to the extent of receiving bids. The conditions had partly been brought about, he said, by the differences of opinion which had existed between taxpayers and the board of public works as to the material to be used for paving, and partly because the city might not be able to pay its share. A majority of the citizens interested favored the home product, while a contract had been let for the laying of California asphaltum.

This agreement was not in accord with the provisions of the bids asked for, as only Utah material was specified in the solicitations made by the board of public works.

Mr. Fernstrom's resolution was favored by a majority of the council, the opposition being led by Mr. Hall, the latter said that he favored going on with advertising, at least, and then if a cessation was necessary such action could be taken as was deemed advisable. After the vote had been taken, he remarked that perhaps the finance committee knew something that other members did not in the premises. The vote on Fernstrom's resolution was as follows:

Yeas—Cowan, Fernstrom, Ferry, Hodgson, Holley, Martin, Murdoch, Wood and Davis—9.

Nays—Hall, O'Donnell, Raybould, Reddall and Stewart—5.

WANTS TO HAUL RAILS.
Another matter that caused considerable discussion in the council was a petition from Le Grand Young, asking permission to haul rails, ties and other material over the lines of the Utah Pacific & Railway company to Thirtieth East and Fifth South, for use in the construction of the Emigration Canyon railroad. Mr. Young was present and stated that he desired as much as possible to haul the material at night, preferably after 11 p. m., so as not to inconvenience the street railway company and yet to take advantage of the hours when power would be available.

Mr. O'Donnell thought he could see signs of "entering wedges," on the part of the street railway company to infringe upon the rights of the latter body, in hauling freight over its lines, and he believed the council should be very careful in granting such concessions.

Mr. Hall wanted the hauling of material by Mr. Young to be done between midnight and 6 o'clock a. m., for the safety of the public. It was finally agreed that the desired permit be granted to a date not later than June 1, next, between 11 p. m. and 6 a. m.

POLICE CHANGES.
A number of communications from Chief of Police Pitts, relative to changes and promotions in his department, were submitted but not read, and went to the committee on police and prison. Following are the items:

John Hemple and R. L. Shannon, lieutenants, at a salary of \$110 a month. John Roberts, first duty sergeant; J. H. Johnson, second duty sergeant; Dan Sullivan, third duty sergeant.

E. T. Rhodes, Peter Anderly, John C. Armstrong, Thomas Phelan, John G. Brill, Henry A. Calton, J. W. McKenna, C. S. Seals, C. E. Jennings and Carl G. Peterson.

William Anderson, C. W. Richmond, George Pugsley and J. S. Barlow, special policemen, without pay from the city, for the Denver & Rio Grande. George Merdell, special policeman, without pay from the city, at the Judge building.

CONTRACT AWARDED.
Without opposition when the matter came to a vote, Strange and McGuire were awarded the contract for sewer extension 170, the piece of work that caused so much talk to the effect that a collusion had been entered into in the bids submitted. Davis & Hauser were the lowest bidders, and withdrew in favor of Strange & McGuire, losing thereby a certified check for \$100, accompanied by the bid. The same firm had secured the contract for extension No. 122, a much larger piece of work, and Davis & Hauser evidently considered No. 170 not worth their while.

IMPORTANT ORDINANCES.
The important new ordinances were read and submitted to the municipal law committee. Two ordinances were by Councilman Stewart and one by Councilman Martin. The first two provide for the doing away of wine rooms, booths, stalls, etc., of every name and nature, the bid, the second ordinance is in the city. Applications for licenses are to be held up until a thorough investigation has been made by the chief of police, and the penalty for infraction of the ordinance will be the revoking of the license.

The ordinance introduced by Mr. Martin, if passed, will close all saloons and liquor places between the hours of 12 midnight and 6 a. m., and strictly enforce the existing law for closing from 12 o'clock Saturday night to 6 o'clock Monday morning.

A list of applications for renewal of license passed upon by the chief of police, appeared the names of B. Moyer and R. A. Elmer, at 50 north Third West and the Clift House, respectively, and same went over for one week for investigation.

FOR RIGHT OF WAY.
Senator Sutherland, in a letter from Washington, informed the council that he had introduced in the senate a resolution asking for a right of way for city conduits across the Fort Douglas military reservation.

LAME SHOULDER.
Whether resulting from a sprain or from rheumatic pains, there is nothing so good for a lame shoulder as Chamberlain's Liniment. Apply it freely and rub the parts vigorously at each application and a quick cure is certain. For sale by all druggists.

JORDAN COMING TO LECTURE HERE

President of Stanford University Has Accepted Invitation from Academy of Science.

BIOLOGICAL VIEW OF LIFE.

He Puts It Into Form of Observations On Human Events and Current Progress.

President David Starr Jordan, of Leland Stanford, Jr. university, has consented to lecture before the Utah Academy of Science, which will meet in the Packard library April 24 and 25. Besides Dr. Jordan, the program contains a list of speakers who are well known locally.

Dr. Jordan was formerly a pupil of Agassiz, and he has often said that the greatest tribute his teacher ever had paid to his memory was the fact that all of his students disagreed with his conclusions. Jordan himself has contributed extensively to the literature of evolution and his record of life and its manifestations are from that view point.

In the lecture he will probably deliver here he will take up the matter of "The Human Harvest," or "The Biological Effects of War." It is a well known view of Dr. Jordan's that the present state of civilization in France with its moral excesses, is the direct result of Napoleon's devastating war in which "the brave were killed, and their lineage extinguished, while the craven and the kitchen helpers survived to be the parents of the next generation."

The program arranged for the April meeting of the academy is as follows: "Research Work in Grand Cells," by Dr. Sundvall, professor in anatomy at the University of Utah.

"Concerning Radium From a Mornst Machine," by Professor Leon Wilson Hartman, professor in physics at the university.

"Geological Investigations in Utah," by Robert Forrester, geologist and mining expert.

"Refraction of Clay and the Effects of Ingredients on the Melting Point," by A. L. Greaver, of the Utah Fire Clay company.

"Remedical Element Recurring Hypothesis," Dr. William Clarence Ebaugh, head of the department of chemistry at the university.

"Origin and Distribution of Flora on the Great Plateau," by Professor Marcus E. Jones.

"Recent Research Upon the Physical Basis of Heredity," Professor L. D. Cardiff, professor in botany at the university.

BEST HEALER IN THE WORLD.
Rev. F. Starbird, of East Raymond, Maine, says: "I have used Bucklen's Arnica Salve for several years, on my old army wound, and on other obstinate sores and find it the best healer in the world. I use it too with great success in my veterinary business." Price 25c at Z. C. M. I. Drug Dept. 112-114 So. Main.

NEW LIGHTS INSPECTED.
City Council Able to Draw Comparisons Between Gas and Electricity.

At the close of the city council meeting last night, the members, a number of city officials and others boarded a waiting car at the corner of Fourth South and State and went to the intersection of Second South and Sixth East street, to inspect the luminous air lights recently installed there by the Utah Light and Railway company.

Along the same block are the seven Velsbach gas lights of the Utah Gas and Electric company, which have been turned off last night before the arrival of the party, and the electric lights were turned on. After the latter had been thoroughly inspected by the visitors, and photographs taken, the street became darkened for a moment, and then the gas lights were turned on.

Difference of opinion existed as to the relative merits of the two systems, and the divergence would doubtless have been shared by the public in general. The air lights were the superior of any of their predecessors on the streets. The lights of the competing companies are on Second South, between Sixth and Seventh East streets.

AS ADVERTISED.
I purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and found it to be all claimed for it in the advertisement. Three of the family were used it with good results in summer complaint. H. E. HOWE, publisher of the Press, Highland, Wis. For sale by all druggists.

CARD OF THANKS.
The family of the late A. J. Swenson wish to tender their thanks to all friends and relatives who assisted them during their bereavement.

Grass and Clover Seeds. Bailey & Sons Co., 63 East 2nd South.

LEARN TO DANCE
Dancing taught quickly, waltz and two-step in one lesson. Classes every afternoon and evening. Socials Monday, Thursday and Saturday. Music largest and best orchestra in state. Prof. Kennedy, 68 Post Office Place. Dancing taught by mail in five lessons.

A GREAT LINE OF POPULAR WALL PAPERS AT LOW PRICES. Finest chamois effects on the market, superior crown papers, self-toned duplex and chintz papers. GEO. W. EBBERT & CO., 57 Main.

Dr. W. M. Storky, eye, ear, nose and throat, 307 Sharon Bldg., 57 W. S. Tem.

LOSS OF APPETITE.
A person that has lost appetite has lost something besides vitality, vigor, tone. The way to recover appetite and all that goes with it is in taking Hood's Sarsaparilla—that strengthens the stomach, perfects digestion and makes eating a pleasure.

Thousands take it for spring loss of appetite and everybody says there's nothing else so good as Hood's.
