Schenck's Pulmonic Syrup for the cure of Consumption, Coughs and Colds.

The great virtue of this medicine is that it ripens the matter and throws it out of the system, purifies the blood, and thus effects a cure.

Schenck's Sea Weed Tonic, for the Cure of Dyspepsia, Indigestion, &c.

The Tonic produces a healthy action of the stomach, creating an appetite, forming chyle, and curing the most obstinate cases of indigestion.

Schenck's Mandrake Pills, for the Cure of Liver Complaint, &c.

These Pills are alternative, and produce a healthy action on the liver, without the least danger, as they are free from calomel, and yet more efficacious in restoring a healthy action of the liver.

These remedies are a certain cure for Consumption, as the Pulmonic Syrup ripens the matter and purifies the blood. The Mandrake Pills act upon the liver, create a healthy bile, and remove all diseases of the liver, often a cause of consumption.

The Sea Weed Tonic gives tone and strength to the stomach, makes good digestion, and enables the organs to form good blood; and thus creates a healthy circulation of healthy blood. The combined action of these medicines, as explained, will cure every case of consumption, if taken in time, and the use of the medicines persevered in.

Dr. Schenck is professionally at his principal office, corner Sixth and Arch Sts., every Monday, where all letters for advice must be addressed.

LOCAL AND OTHER MATTERS.

Thermometer 42 degrees F. in the shade at 1 p.m. to-day: Cloudy.

Next Meeting.—The Central Committee of the Y. M. M. I. Association will meet at the Council House, on Friday evening, at seven o'clock.

Select Ball.—There will be a select social ball at the Twelfth Ward Assembly Rooms, on Friday evening.

To Be Sold.—To-morrow, the Ogden Iron Works are to be sold at auction. It is a very valuable property, worth probably over a hundred thousand dollars, but the original cost was much more.

Organized.—William Buys writes from Charleston, Wasatch County, November 17:

"We met at this place, on the 13th inst., for the purpose of organizing a Y. M. M. I. and the following officers were elected: Jos. R. Murdoch, president; George Smith and Wm. Daybell, counselors; Ephraim McAfee, secretary; Wm. Buys, assistant secretary; Ethan Brown, treasurer."

Serenade.—Last evening the members of the Union Glee Club serenaded their leader, Prof. C. J. Thomas, and his wife, at their residence, the occasion being the 45th anniversary of the Professor's birth day, and the return yesterday of Mrs. Thomas from a trip to St. George. The club sang some of their finest selections, in their usual efficient manner.

We understand the club purposes giving one of their excellent concerts at an early day.

More Railroad.—Railroad reports are somewhat rife just now. A gentleman who recently arrived from the western border of the Territory states it was currently reported there that the Central Pacific Railroad Company were about to make a preliminary survey with a view to extending their road to this city, commencing at a point considerably west of Corinne and coming round the south border of Salt Lake. The object of the company is said to be the ultimate reaching of the coal beds in the south. We cannot vouch for the correctness of the report. Rumors about railroads are so plentiful that it is difficult to ascertain anything definite on the subject.

Bar Association.—The Ogden attorneys organized a bar association for that city on Monday evening. The meeting was held at the residence of Mr. F. S. Richards. A constitution was adopted and a committee is engaged preparing the by-laws of the association.

Mr. H. W. O. Margary was elected chairman; Mr. F. S. Richards, Secretary, and Mr. F. J. Barrett, Treasurer. Regular meetings to be held the first and third Wednesdays of each month. The following are the charter members: H. W. O. Margary, P. J. Barrett, F. S. Richards, W. H. Crawford, George Marsh and S. A. Kenner.

So we are informed by the Junction.

Organized.—President Angus M. Cannon and Counselors met with the Elders, Priests, Teachers and Deacons of the Thirteenth and Eighteenth Wards, last evening, in the Thirteenth Ward Assembly Rooms, when the following brethren were unanimously sustained in the positions named, and all set apart.

Henry A. Woolley, President of the Elders' Quorum, composed of the Elders in the two wards above named; George Saville and George Taylor, his Counselors.

Brigham H. Goddard, President of the Deacons' Quorum in the Thirteenth Ward; Joseph H. Hennefer and Charles C. Little, Counselors.

The above Priesthood of the Fourteenth and Seventeenth Wards will meet this evening, in the Fourteenth Ward Assembly Rooms at seven o'clock, for the purpose of being organized into quorums.

City Council.—The Council met last evening, Mayor Little presiding.

Petition of Samuel Peterson and forty-nine other residents of the Second Bishop's Ward, representing that Eighth South Street, between Third and Fourth South Streets, and several of its crossings are in a very bad condition, and asking that the taxes of the residents in that locality, for the present year, be appropriated to place the said street and crossings in good repair; referred to the committee on streets and alleys.

Petition of John McDonough and A. C. Worthington, for a reduction of the license tax for giving balls; tabled, the license being fixed by ordinance.

Petition of Laura C. Pack, in relation to her city taxes; laid on the table for future consideration.

Fred. Carter and Louis Reggel were each granted an auctioneer's license.

The committee to whom was referred the petition of Elias Bourne, asking for a reduced rate of restaurant license, reported adversely thereon, the amount being fixed by ordinance.

Bill of Armstrong & Bagley, for lumber for the City Market and City Jail; \$20.25; allowed.

An application having been made to purchase a lot in the 9th Ward, belonging to the Corporation and intended for a market lot, the committee on public grounds was instructed to inquire what lands were owned by the city, not needed for corporate purposes, that could be disposed of.

The Council adjourned 'till next Tuesday evening, at 6.30 o'clock.

The Farmington Shooting.

Yesterday Joseph Chase had a preliminary examination, before a Justice of the Peace, at Farmington, on the charge of an assault with a deadly weapon with intent to kill Ira Parks. The evidence showed that the accused went to the house of Mr. Parks on Saturday night and fired a couple of shots, one of which struck a window, but nobody was injured. On Sunday Chase again appeared in the vicinity of the house, on horseback, and called to Mr. Parks to approach him, as he wanted to converse with him. He was told to leave, as he was not wanted on the premises. Instead of complying with this request he came inside the gate and drew his pistol. Mr. Parks, who was on the porch, seeing his danger, commenced shooting at Chase, the latter firing also. Neither party was injured, but one bullet struck the horse on which Chase was riding. Mr. Parks fired six shots and Chase two. We understand the cause of the shooting was the opposition of Mr. Parks to Chase paying his addresses to his daughter.

The accused was held in \$2,000 bonds to answer to the grand jury. The sureties had not been found up to this morning.

The Castle Case.—The case wherein a herdman employed by Mr. C. Popper was charged with stealing four head of cattle from Mr. Alma Pratt, was before Justice Popper, yesterday. It was shown plainly that the whole affair was the result of a blunder on the part of the herdman, who, being unaccustomed to the cattle business, went in search of four animals that had strayed from Mr. Popper's herd and took those belonging to Mr. Pratt by mistake, while the four he was searching for were only a short distance from the same place. There was evidently no intention of committing a larceny, and the accused was discharged.

The herdman had been recently engaged by Mr. Popper merely for the sake of giving him employment, he having been recommended to him by several parties interested in him.

Lecture.—The lecture by Elder Richard G. Lambert, on Thursday evening, on the "Manners Customs, Etc., of the Sandwich Islanders," is likely to be very interesting, the lecturer having had excellent opportunities of becoming familiar with the details of his subject, during his four years residence in that part of the globe. A number of natives of the Islands will be present and sing some of their peculiar songs.

The Seventh Ward Assembly Rooms will be open at 7 p.m. The price of admission will be 25 cents.

District Court.—John McDonald vs. Flagstaff B. M. Co.; hearing on injunction continued until Tuesday Nov. 27.

Anton Eilers vs. John McDonald; same order as above.

John Burns et al. vs. A. G. Paddock et al.; hearing on injunction continued until Monday, November 26.

Emma Jenkins vs. John W. Jenkins; trial before the Court.

The Drama.—Mrs. D. P. Bowers, who is called "the Queen of the American Stage," and Mr. J. C. McCollum arrived here from the West this morning, and Manager Harris has made arrangements for two performances. On Friday, "Queen Elizabeth" will be presented, and on Saturday, "Lady Audley's Secret," in which Mrs. Bowers has achieved immense success.

Accidentally Killed.—The following is a special to the NEWS: ORDEVILLE, Nov. 21.

Editors Deseret News:

Yesterday, about 2 p.m., Omni Porter, a worthy young man, sixteen years old, was accidentally killed. While placing a log on his wagon, a number of logs rolled upon him.

Severe Accident.—On Monday Mr. Lee, employed at Walker Brothers' Ogden establishment, was severely hurt by the falling upon him of a heavy box. His head was badly bruised and a large portion of the scalp was torn off. He is expected to recover.

Eastern War News.

LONDON, 21.—The Moscow Gazette states that the Russian main army is advancing on Erzerum.

A Constantinople telegram reports that the Russians summoned Mukhtar Pasha to surrender Erzerum, but the place will be held to the last extremity by order of the Sultan.

All Salt telegraphs from Scutari that 40,000 Montenegrins, who attacked the position defending the road from Antivari to Scutari, have been repulsed, with a loss of 300 killed.

Seventeen thousand men from the Kara army will be attached to assist at the siege of Plevna.

General Mollath started, suddenly, for Erzerum, on Sunday. He will command the besieging force there.

At a council of war on Sunday, Philippoff, a prominent General, recommended that a corps be pushed to cover Erzerum, while the remainder of the army pushed through Asia Minor to Scutari.

A Persa correspondent telegraphs: We have just heard of the capture of Kara. The fall of Erzerum is expected to follow. The Porte now seem desirous of entertaining peace proposals.

Zver Pasha, minister of foreign affairs, and Maschad Damad, are said to be more favorable to peace.

The Strathers.

The cotton masters of north and northeast Lancashire conferred with deputations from numerous operative societies, at Manchester, yesterday, and it was not until amicably arranged that the wages should be reduced five per cent. on January 2nd, if trade, meanwhile, shows no signs of improvement.

The executive committee of the London Master Builders' Association, yesterday, confirmed the resolution that a conference with the striking masons would be useless.

PROCLAMATION BY THE GOVERNOR.

TERRITORY OF UTAH, EXECUTIVE OFFICE.

Another autumnal season, with its abundant harvest, reminds us of the continuing goodness of Divine Providence, and places us under renewed obligations to Him who has so generously carried us through the vicissitudes of the year now drawing to a close.

The national custom of celebrating the gathering in of the annual crops, and of giving thanks to the Lord of the Harvest, is an ancient and beautiful practice, which teaches us gratitude, benevolence and hospitality, as well as to rely more fully on the promises of God. I, therefore, in conformity to this usage, and in accordance with a proclamation of the President of the United States, designate, Thursday, the twenty-ninth day of November, A. D. 1877, to be observed throughout the Territory, as a day of public thanksgiving.

The people are requested to abstain from their secular avocations on that day, and to assemble in their accustomed places of worship, and there to engage in exercises appropriate to the occasion and acceptable to God, for His special care and protection over them during the year.

While we rejoice in the prosperity vouchsafed, and derive new courage for the future, let us not forget the needy poor, in our midst. Let endeavor to make the day appointed one of joy and thanksgiving to this class of our fellow-creatures as well as to ourselves.

In testimony whereof I have hereunto set my hand and caused the seal of the Territory to be affixed. Done at Salt Lake City, this thirteenth day of November, A. D. 1877, and of the Independence of the United States, the one hundred and second.

GEO. W. EMERY.

LEVI P. LUCKEY, Secretary of the Territory.

DIED.

In Harrisonville, Weber County, Utah, November 15th, 1877, of typhoid fever, after a lingering illness of seven weeks, GEORGE ALBERT, son of Bishop P. O. and Sarah Jane Taylor. He was born in that place, August 10th, 1856; was baptized a member of the Church at eight years of age.

The news of his death cast a gloom over the settlement, for he was beloved by all for his goodness, his appreciation of the truth, and the diligent discharge of all duties required of him.

The funeral services were conducted by Presidents Perry and Herick. The hymn on page 307 was sung by the choir. Prayer was offered by Elder Daniel B. Rowson. Presidents Perry and Herick addressed the meeting, enumerating the millions of the family of God who would have to pay the debt they owe to Mother Earth, and in an affectionate manner complimented the earthly career of our departed brother, whom none knew but to love. The services concluded with singing by the Sunday School. The closing prayer was offered by Elder Dudley Chase.

The funeral cortege consisted of twenty-seven vehicles, containing a host of relatives and friends, who followed the remains to the Ogden cemetery—COS.
