RUSSIA.

The Result of the Conference Moscow, 20. — The' Gazette, dis-cussing the result of the conference, concludes that Europe has lowered her prestige by her compliant hu-mor. As the Porte has refused the proposals, Europe must now en-force her original demands, instead of the modified scheme of the conence.

GLADSTONE'S WIFE AND LYND. appearance of having been lifeless for twenty-four hours. One revol-ver was held fast in his hand, while HURST'S WIFE - Gladstone's ten-ants at Hawarden, after receiving prizes the other day, from Mrs. Gladstone's hands, gave her a vote another and a razor hay near him on the bed. A case of undoubted suicide by shoeting. It is supposed anxiety on account of the late ac-cident at Ashtabula made him de-ranged. Mr. Collins' family was of thanks. The ex-premier, rising with some hesitation, said: "I was in hopes that my wife, after all the compliments she has received, would have risen to return thanks. My opinion is, that she is perfectly any opinion is, that she is perfectly equal to it, and that it is a very hard case for the husband, who has not had this vote of thanks, to be called upon to do that for his wife which she is fully able and compe-tent to do herself. However, there nothing but submission for a quiet life. You are all aware of the total Favor the Bill by a Small Majority. CHICAGO, 20.—A vote was taken, to-day, at the Board of Trade, on the plan of the compromise com-mittee on the electoral count. The vote stood in favor of the bill by a life. You are all aware of that, and I am perfectly willing to do it." And he did. But Lord Lyndhurst, when placed in a similar predica-ment, paid his wife a still more More Comments on the Compromise NEW YORK, 20.-The electoral bill continues to challenge great piquant compliment. "I wish you could induce Lady Lyndhurst to make a speech," said the brilliant make a speech," said the brilliant Chief Baron, "instead of asking me, for if she would talk to you as she does to me sometimes, she would make you a speech that you would never forget."—Ez. After that little speech, no doubt Lord Lynd-hurst, when he got home, got a talking to that he did not forget

partiality. The Tribune protests against the disposition of business men to the

mouth. He does no such thing now. The stories that you read of the Pres-ident going along the street in this fashion at present are all fictions. Neither does he any longer use his pockets as mittens. His hands are carefully gloved, and he carries a substantial cane. He is thorough-ly well dressed, as if his habili-ments were the outward expression of an inward renovated self. I know old people who would say, compardisposition of business men to the compremise, as shown again on the support of the bill. There is some-thing more important than either the revival of business or the suc-cess of either party—the mainten-ance of the Constitution, which has provided a method for counting and declaring the vole. Constitu-tional lawyers are better guides than business men.

old people who would say, compar-ing him with his former self: 'The President looks as if he had got re-ligion.' Just as the newspaper man (the woman did not say so) declared that the President was
