School Bond Propositions -Wilson District Votes "No."

In Babcock Will Lecture in Web, r Stake Academy-Suit on p Contract.

The regular monthly meeting of the Weber county school teachers will be held next Saturday morning at the our house commencing at 11 o'clock. The topic for consideration at the meetis will be "Arbor day." The origin of arbor day and its purpose, etc., will be paroughly discussed. Some other matters pertaining to schools will be

brought up at the meeting. SCHOOL BOND PROPOSITIONS. The school election held in the Wilson predact Monday for the purpose of uting on the bonding of the senool datist to raise funds with which to district to raise funds with that pre-great a new school building in that pre-great a new school building in that pre-dist, resulted in a vote of 34 to 30 dist, resulted in a note of 34 to 30 against the proposition and it was lost. In the Hooper and Plain City precincts, the matter of bonding those districts, for the purpose of raising funds with which to erect new school buildings is now being considered and the desires of the people in the matter are being hard. From the present indications it ould appear that the residents of those districts are in favor of the proposition and that in the near future the people

will have an opportunity to vote on it.
