Utah, the Inland Empire.

Work on the handsomely illustrated istorical and biographical review of his city and state, entitled Utah, the mand Empire, which is Leing preared by the Deseret News, is progresing in a gratifying manner. The eries of articles which will appear in be book are the products of the per some of Utah's foremost writers ishop O. F. Whitney contributing an steresting article on "Founding An impire," a narrative of the early strugles of Utah's pioneers. "The City of he Saints," is an entertaining article Salt Lake City, up to date, one which cannot fail to be read with inrest by everyone. "Nature's Treasure ouses, is a story of mining in this reat commonwealth, from the time the first discovery of precious metis, down to August, 1902. A portion of e work which will doubtless receive ecognition is a breezy little article enitled "Life on the Range." A department which will be of more than passng interest will be that under the title of Empire Builders, in which will appear the biographies and many hereofore unpublished anecdotes of the non who have built up the "Inland impire." Representatives of the Desret News are now engaged in arrangng subjects for this portion of the ook. The book promises to be the nost original production ever issued n this state, and will be issued in the alghest form of art.
