He is a large man about 26 years of age, but has become addicted to the use of morphine to an alarming degree. When he broke out with the smallpox he was sent to the pest house, and his daily portion of morphine was taken from him, he begged for the "dope," but it was re-fused him in the hope of breaking him of the habit while curing him of small-pox. Each day he grew more nervous until yesterday, when he made a break for liberty, and overpowered Green, who is an old man and then ran on the bench above the pest house. Sanitary inspector Power was telephoned and with irving Emmett, drove into the hills east of the pest house where after con-siderable search they found the patient, who when he saw them, dropped on his knees and begged plitfully for some of the drug that has entirely wreeked his health and nervous system. TRAIN WRECKER GETS BAIL. Roy Schwartzfager has been released from custody on \$5,000 bonds furnished by residents of Morgan county, the bond having been approved by District Judge Howell, and the young man re-turned to his home at Péterson, Mor-gan county, with his mother. Schwartz-fager, who though quite large for his age, does not seem to realize the seri-ousness of the charge which he will soon have to face, that of murder in the second degree. He seemed to take his confinement at the county jail without much concern and appeared quite at ease with the other prisoners. The case against him of wrecking the Union Pacific freight train at Peterson, killing the engineer, will be prosecuted by District Atty. Halverson and W. L. Maginnis will defend him.

# THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when, through neglect or other causes, kidney trouble is permitted to continue, many fatal results are sure to follow.

Your other organs may need attention-but your kidneys most, because they do most and should have attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.
