HOUSE.

Washington, May 21.—Symes (Celerado) ntroduced a bill for a public building at Boulder, Colorado.

The unfinished business was the motion ubmitted two weeks ago by Bingham Penusylvania) to suspend the rules and bass the Senate bill granting a right of way hrough the Crew Indian reservation to the Billings, Clark's Fork & Ceoke City Railway Company.

Billings, Clark's Fork & Cooke City Railway Company.

Wilson (Minnesota) opposed the bill because another road had already been projected and partly built through the only callon which affected the passage across the country and the effect of the passage of this bill would be to enable a set of Walf street speculators to come in and throttle an enterprise already underway by occupying a canon to the exclusion of the other road.

Toole (Montana) also opposed the measure at present on the same grounds. He argued that thirty days be allowed the Clark's Fork & Cooke City Railroad Company to negotiate the bonds before the

pany to negotiate the bonds before the House attempt to act on the bill. The bill was passed—ayes 112, nays 40.

Hatch (Missouri) from the committee on agriculture, moved that the rules be suspended and the bill passed to enlarge the powers and duties of the

DEPARTMENT OF AGRICULTURE

and to create an executive department to be known as the Department of Agriculture. After a brief discussion on a motion to suspend the rules and pass the bill, it was agreed to, year 233, nays 13. It creates an executive department to be known as the Department of Agriculture under the supervision and control of the Secretary of Agriculture. It also transfers the weather service of the United States
