

EVERY SOUL LOST.

Our Hundred and Twenty Officers and Men of the Boise Regt. DENIED THEIR SURRENDER.

The Boise Regt. with only twenty miles of the Boise Valley above the water.

On the 10th of March, 1893, the Boise Regt. was ordered to march from Boise to the mouth of the Snake River. The march was made in the face of a heavy snow storm and the men suffered from lack of food and shelter.

THE SPANISH VERSION OF IT

Notes for the Cuban Rebels Carried by the Allies. The Spanish version of the notes carried by the Cuban rebels to the allies is as follows: The rebels are in a desperate struggle against the Spanish forces and need more arms and supplies.

THE NEGATIVE SIDE OF THE CASE.

The negative side of the case is that the rebels are not as numerous as they claim to be. The Spanish forces are well equipped and have the advantage of the terrain.

THE GUN WHICH THE CUBAN REBELS USED TO SHOOT AT THE SPANISH SOLDIERS.

The gun which the Cuban rebels used to shoot at the Spanish soldiers was a simple rifle. It was made from a barrel and a stock and was very accurate.
