## Rheumatic Pairs

"I have suffered terribly with rheumatism. I took Dr. Miles' Anti-Pain Pills and they gave me great relief. I have spells of terrible pains in my ribs, and in the small of my back, and the Anti-Pain Pills help me right away. I am now well of the rheumatism and think Anti-Pain Pills done me more good than all the other medicines. I first heard of them through the following circumstance that happened at our home two years ago. A friend, Mrs. Brown, of Orion, Mich., came to visit us. She had not been able to dress herself or comb her own hair for months. A friend of ours came in and seeing her suffering offered her some Dr. Miles' Anti-Pain Pills. She laughed at the idea of relief from such a source after doctoring for so long, but took one one of the tablets with the remark that it would at least do her no harm. She took another that evening, and the next morning she was so elated that she went to the druggist's and got a package and took them home with her. Recently she was here again, and told us that she continued taking the pills, and that one box cured her. and she has not had a symptom of

theumatism since." S. R. RARMER, 332 Third St., Detroit, Mich. Dr. Miles' Anti-Pain Pills are sold by your drugglet, who will guarantee that the first package will benefit. If it falls, he will return your money, 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.
