WASHINGTON, 9.—Senator Van
Wyck has been urging the Interior
Department to order an immediate
sale of the Otoe Indian lands in
Kansas and Nebraska, notwith-
standing the House of Representa-
tives refused to pass the Senate bill
which was deemed necessary to
complete the sale. The appraisers
have finished their task, and the
value of the lands is put at \$24
to \$10 an acre. Secretary Teller is
satisfied he can protect all interests,
and the sale will be made about
May 1st.

partment: "Ordered, that the

The Outbreak of Crime.

PITTSBURGH, 9.—An attempt by
Dr. G. H. Marshall of this city to
blackmail the actress, Mary Ander-
son, has just come to light. Mar-
shall wrote two letters to Miss An-
derson's stepfather, Dr. Griffin, in
which he stated that he had letters
of Miss Anderson's written to cer-
tain parties, which, if published,
would create a sensation, and offer-
ing to sell them for \$4,000. Postal
authorities are now working up the
case.

Chicago, 9.—Capt. John J. Jones,
late broker of Boston who was ar-
rested here last Wednesday at the
instance of John Hall of Boston on
an allegation that he had sold to
account for \$2,000,000 of bonds be-
longing to Halle, charged the police
of Chicago with inhuman cruel treat-
ment; that on pretext of bringing
Sergeant Willie (containing) and pri-
vate Bird, at Fort Hall, to-day, the
former shot the latter with an ar-
my rifle, killing him instantly.

Boston, 9.—It is stated that the
present at the grave robber of the
Tewksbury almshouse on Friday,
when the coffin was taken up, are
witnesses that there was no deces-
sion, the coffin having been found
empty. It is understood that
Governor Butler will show just
when the grave was robbed and
by whose authority. Officers, it is
stated, armed with proper pen-
sions from the authorities of the town
of Tewksbury, entered the grounds
in broad daylight on Friday, and
plain sight of the almshouse, and
dug up and removed the empty
coffin, which was forwarded to
Boston, to gether with the cross
marking the grave, without any at-
tempt at concealment. The coffin
wrapped in gunny cloth was carried
to the State house for safe keeping.
While the State authorities are re-
moving the coffin from the ground
no attempt was made by any officer
of the almshouse to prevent their
action, or even to ascertain what
was going on.

In the Tewksbury almshouse
hearing, Mrs. Gann R. Dudley,
formerly night watch in the asylum,
declared when she visited the
foundling department she found an
insane woman there attended by an
idiot girl. They gave the woman
only one meal a day, and this she
took from the kitchen, but instead of
giving it to the patient, threw it away.
Witness took the woman out and
she soon fled up and became
well. A woman named Margaret
Hennessey in one of the beds
she had nothing but water in nine
days.

peare Guards returned to Shakes-
peare, and the company has been re-
lieved from duty. Juh and Leo

bands of Apaches are still in Sonora
and Chihuahua, doing much dam-

severe cold, with bare ground, killed
the tops to the surface in January
and February. Warm rains and
good weather till May may im-
prove the condition up to 60 per
cent, but bad weather will send it
below 50 per cent. of last year.

The manufacturers say they won't grant
the advance. Five hundred cigar
makers work in this city.

New York, 9.—The annual meet-
ing of the stockholders of the Pana-
ma Railroad was held today, and
re-elected. Gross earnings in

of the Railway Telephone Co. were
filed today in the county clerk's
office. Object to construct lines of
telegraph throughout the United
States and adjacent countries, to
convey telephone messages for rail-
way purposes. The capital stock
was fixed at \$2,500,000, which may
be increased to \$5,000,000.

The Grand Army of the Republic
of the Department of the Pacific
Washington, decided to participate
in the annual reunion of the Society

St. Louis, 9.—A dispatch from
Wichita, Kansas, says the recent
appointment of a Government
Miner to investigate fraudulent
land entries in Kansas and the
West produces a good deal of un-

been many fraudulent entries in
Kansas, Sumner, Harper and
Barbour counties, and cattle men
have acquired large tracts of land
for grazing purposes which probably
will not bear scrutiny.

Newark, 9.—All saloons and
