# TELEGRAPHIC NEWS.

SYDNEY, N. S. W., June 23.—By the wreeking of a train on the Hawksburg Railroad to-day, seven persons were killed and forty others injured.

New York, June 23. — The silver chasers, who have been on a strike nearly three months, are forsaking the K. of L., having been backed by their employers on condition of their renunciation of allegiance to trades unions. All are expected to be at work in a few days.

New York, June 23.—"Brick" Pomeroy has preferred charges to the commissioners of hospitals against the management of the Gouverneur Hospital, alleging drunkenness, debauctory and cruelty to the patients and incompetency, and asserting that the death of Captain Jack Hussey was caused, not by the bullet of the drucken policeman Hahn, but by giving him a hearty meal of corned beef and caebage.

Baltimore, June 23.—Captain Humcabbage.

cabbage.

Baltimore, June 23.—Captain Hummell, of the British steamship Lore, which arrived here this evening from Rotterdam, reports that on Tuesday last, about 6 o'clock in the evening, his vessel was in collision with the British brigantine Aldroyth of Prince Edward Island, which was carrying cargoes (I sugar from St. Louis to New York. The collision eccurred off Cape Henlopen, in a dense fog, Three of the brig's crew jumped abourd the York. The collision eccurred off Cape Henlopen, in a dense fog, Three of the brig's crew jumped abourd the Lore, but though the steamer lay around several hours, nothing could be seen of the brig.

New York, June 23.—The brig Aldroyth, reported by the steamer Lore as having been in collision with that vessel in a fog, has arrived here badly damaged.

BUFFALO.June 23.—Father McGlynn.

damaged.

BUFFALO, June 23.—Father McGlynn, in an interview to-day, presented his case as that of a man who had been sentenced, being forced to appeal without any idea but that the result was a foregone conclusion, and that he would be snubbed and insulted by the propaganda. He assaufts the church in kome as a "Romish machine," and closes as follows:

"The engineers of the machine who

"The engineers of the machine who are profiting by its power and its emoluments, are really laughing in their sleeves at as for our excessive generosity in contributing Peter's pence, to the support of a whole army of lackeys, flunkeys, toth lays and clerical, who surround the Pope with a barbaric pomp scarcely equalled by that of any imperial despotic court."

SAN FRANCISCO, June 23.—This evening T. P. Richardson, of McMullen County, was arrested on suspicion of being one of the robbers. He gave bail. "The engineers of the machine who

bail.

ABERDEEN, Miss., June 23.—At 2 O'clock this morning forty masked men rode into Kosciusko and proceeded to jail, overpowered the jailor, took James Weeb, a white man, to a convenient tree and 'aug him. On Snuday last Webb poisoned his wife.

NEBRASKA CITY, Neb., June 23.—Quinn Bohandon, a

and murderer, under sentence of death, awaiting the decision of the United States Supreme Court, escaped from the county sail last night and has not yet been recaptured. The manner of his escape is a mystery. He was undoubtedly aided from the outside, as adurany with his regular clothes ou was in bed in his cell.

New York, June 23.—In the Sharp case to-day, Foote, of the First National Bank, told of dealings with Alderman Fraley in January, 1835, and about the denomination of money the latter used. The prosecution then had the testimony of Sharp before the Senate investigating committee read.

MARRIHEAD, Mass., June 23.—The fog which prevented the yacht race for the past few days at last lifted, and the race was sailed to-day. The conditions were favorable for the English cutter, Galatea. The Mayflower crossed the line at noon, about one-fourth of a mile anead of the Galatea, and rounded the stake boat five and one-half minntes ahead of the Galatea, and crossed the finish line at 4:16. The Galatea crossed the line at 4:304.

Springfield, Ohio, June 23.—Whitney, Fasler & Keller, the great reaper manufacturers, went into the hands of a receiver this morning for the protection of its interests, on account of the financial difficulties of other spartes. The assignment is only temporary.

London, June 23.—King Otto, of Ba-

The assignment is only temporary.
London, June 23.—King Otto, of Bavaria, has been officially declared in-

dispatch from Berlin to London Standard says: An effort will probably be made at the next session of the Bavarian Parliament to dethrone King Otto who is hopelessly meane. It is stated that the regent will accept the crown if conferred by the people.

ters to them, and you wanted to know if I had employed a detective to hunt up Aunt Johanna. I have, and he has found her and rescued her from a prison cell, where she had been for three months. Also, you wanted to know if she had drawn

#### ALL HER MONEY.

No, she had not drawn any of what was coming to her, but had a present of a draft of \$60,000. Then her lawyer gave her \$20,000 in cash. She had that when I saw her in St. Louis about the 19th of February. She is helt to about \$300,000, with use for over one year. A detective has had the luck to-ind that much. It can't be got without a private mark which was agreed on when they last met the lady that has the care of it. It was to make her sign that mark that they tortured her so far, but she wonld not sign It, and I think she is very gritty. The detective writes me that they kept her six days without a mouthfull to eat, and applied all manner of tortures that are cruel. I shall see that she is taken to her family; shall try to get her there by the 4th of July, if her mind is so that we can move her, for now she is cray. They killed her boy before her eyes; that turned her brain.

Anna D. Butterfield."

The letter was evidently written by

The letter was evidently written by the same hand that penned the letter signed by Mrs. Brooks and detailing the story of her imprisonment.

DENVER, June 23.—Detectives acquainted with the case are satisfied that Mrs. Brooks, whom the recent telegrams from Vassar, Michigan, claimed was held captive in California by bandits in order to secure possession of her fortune, and Mrs. Anna Butterfield, California, are one and the same person, and that she has not nor ever bad the amount of money left her that she claims. They regard the stories in circulation about her

#### A CANARD.

A CANARD.

San Francisco, June 23.—Mrs. Anna J. Butterfield, who is how believed here to be Mrs. Brooks, the supposed heress from Michigau, left to-day, stating that she was going east. The mystery surrounding this case is not yet removed. Mrs. Butterfield has given so many versions of her connection with the case that it is impossible to state which is the true one. The police here who have questioned her closely, hold that she is Mrs. Brooks; that the story of her receiving a large fortune is a myth, and that she has so far lost her reason as to be scarcely responsible for her acts.

London, June 23.—The cabinet has decided to proroque Parliament about the middle of August. It is reported in unionist quarters that if a strong opposed supplementary crimes bill will be dropped.

Chicago, June 23.—Late to-night the Bricklayer's Union passed a resolution withdrawing the demand for Satunday pay-day, and deciaring the strike off. This resolves the affair into a lockout, pure and simple, and the bricklayers declare they will prosecute the stone pool for conspiracy in case they refuse to sell stone to contractors friendly to the strikers.

St. Louis, June 23.—In the federal district court to-day it was decided in the case of the Wabash receivership to allow each of the receivers \$25,000 on account, \$5,000 for the purchase of lands, and \$100,000 to pay the debts of the receivership.

London, June 24.—The yacht Genegate was sighted off Lizard this morning. She is nearly two days ahead of the others.

Lockport, N. Y., June 24.—The recent order of the dominion government to the Canadian custome officials

LOCKPORT, N. Y., June 24.—The recent order of the dominion government to the Canadian custome officials ment to the Canadian custome officials at Windsor, Ont., to make a record of all Americans residing at Detroit and vicinity who daily cross the line to engage in work, has led to the counter move by the collector at Nisgara Falls and Suspension Bridge. This morning when the Canadian laborers engaged in employment on this side reached the frontier, United States deputies demanded their names, ages residence, occupation and where and residence, occupation and where and by whom they were employed. During the day notices were served upon em-ployers of these foreigners, that if they should continue to employ such foreign labor after July 1st the district attorney would be recommended to

recommended to recommended to st. Louis, June 24.—The family of night last night by a terrible explosion which nearly wrecked the house, yet causing no injury to any member of the doctor's family. A hasty examination revealed the fact that a dynamite bomb had been placed on the sill of the doorway and exploded. Dr. Buck considers it the work of an unknown enemy.

would not preside at the jubilee dinner of the English colony to-morrow. The trouble grows out of an alleged social slight. There is a lively row in the embassy, and Englishmen whose loyalty to the Queen has hitherto been unquestioned, find themselves termed Fenlans and Irish sympathizers.

New York, June 24.—The morping's break was the chief topic this evening among Wall street men, who gathered at the up town hotels after dinner, and the general feeling seemed to be that the panic and depression was only temporary, and that the marketwould take an upward turn.

London, June 24.—President Cleveland has accepted the dedication to him of the eulogy on Henry Ward Beecher by Dr. Parker, of the City Temple. In his acceptance the President refers to Beecher as "my loved and honored friend." Dr. Parker will deliver the eulogy in Brooklyn in October next.

Rochester, June 24.—Prof. Freemau Clarke died in this city to-day,

ROCHESTER, June 24.—Prof. Free-mau Clarke died in this city to-day, after a long illness, aged 78 years. He was appointed in 1865 comptroller of the currency by President Lincoln

New York, June 24.—In the Sharp trial to-day Chas. F. Townsend, an accountant for the Broadway Surface Company, said against an issue of half a milhons dollars in bonds he made a debit entry of a like amount "to sundries," he conidn't find out what the money went for. It was known as the "suspense account."

New York, June 24.—D. Duinn, a wealthy and well known physician of Williamsburg, was deliberately shot and killed this afternoon by George Weidler. Motive not known, but the assassin says it was a family affair.

Denver, June 24.—A special dispatch to the Durango Idea from Mc-Elm, Utah, gives the following particulars of the flendish merder by a lot of Navajo Indians: Last Wednesday about noon, a party of Navajo Indians, about 5 in number, crossed the San Juan River at Burton Bro's. trading post eight miles below Bluff City, and after a short quarrel with Mr. Amasa M. Burton, who was the only man about the place, killed him by shooting, him through the head. They had a scuffle before they did the shooting, and at the time of shooting him they had him on the floor with a rope around his neck. One Navajo was holding this rope which held poor Burton choked; another was holding him by the feet and another was holding him by the feet and another by the nands, and while they had him in the sposition they shot him in the head. They hen robbed the storeand pulled out. The only persons at the ranch were Burton's wife and mother-in-law, whom the ludians for a wonder did not molest. There is considerable excitement in this part of the country, and the trouble is not over ret, as the Navajors are pretty savage, and there are so many of them.

Cleveland, a coal miner, quaroled with his wife and killed her and kills stepson with a hatchet. He has not yet been found.

Chicago, June 24.—The president of of the Master Huilders' Association says there will be no surrender on their part in the great lockout, until all the objectionable rules are purged from the books of the Bricklayers' Union. They insist upon the acceptance

cisco. The exercises closed with singing the class ode.

Paris, June 24.—The Senate to-day discussed the report of the committee on consumption of spirits. M. Claude said that the committee had come to the conclusion that drinking spirits in France had reached such a height as to be a social danger. Alcohol was essentially a dutiable article, and it behoved the state to prevent its excessive consumption, at the same time securing the utmost profit to the treasury by the suppression of adulteration ury by the suppression of adulteration and other frauds.

enemy.

Diklin, June 23.—In consequence of the action of the mayor of Cork in a loisting the black flag on the occasion of the jubilee, and because of his having shown favor to the nationalists, Plunkett, the divisional magistrate, superseded him and ordered that only the resident paid magistrate shall try prisouers.

Vassar, Mich., June 23.—The disappearance of Mrs. Brooks is again to the fore with a more romantic stery than at first. Several weeks ago L. C. Marritt of this place wrote to Anna D. Butterfield, at Riverside, Colo., asking information concerning Mrs. Brooks. The following reply was received and contents noted. You say you were at the Brookses and read my let

ROME, June 24.—Monsignor Persico and Monsignor Gualdi left for Ireland on a mission entrusted to them by the Pope. They were instructed to make personal observations and report on the political and social position of the Irish people.

the political and social position of the Irish people.
Cincinnati, June 24.—Louis Kennedy & Co., commission and grain merchants, assigned this afternoon to James Pettibone. The liabilities are said to be \$150,000, with assets of \$40,000. Kennedy was reported to be in the Calcago wheat deal and was a heavy indorser of the Fldelity Bank paper.

the Cnicago wheat deal and was a heavy indorser of the Fidelity Bank paper.

Ottawa, Ont., June 24.—The action of the American authorities at Niagara Falls, in preventing laborers residing in Canada from working in the United States, has created displeasure in official circles here. The minister of customs regards it as an unfriendly act on the part of the United States.

St. Louis, June 24.—In to-day's session of the Travelers' Protective Association the principle business was the report of the railroad committee, who presented a long set of resolutions, which were unanimously adopted. They demand from the railroads that 1,000 and 5,000 mile tickets be sold to commercial travelers in New Ebgland, the Eastern, Middle and Western States to the Missouri River; also, in the Southers States and all the states and territories west of the Missouri River, at materially low rates, and that these tickets shall be acceptable on freight trains. They also demand a uniform allowance of 250 pounds free baggage throughous the United States shown to be absolutely inexpedient.

Chicago, June 24.—The convention of present and past Grand Master Mascas of the United States and Cauada was concluded to-day. Resolutions affirming the supremacy of the grand lodges in their respective territories was carried. This was the principal subject before the convention. Grand Master Darrah said tonight the object of the convention has been miscoustrued. It was not the intention to form a supreme grand lodge or to interfere with the jurisdiction of the state grand lodges in matters of a judicial or an executive nature. A committee was the uspointed to name the next place of meeting.

the state grand lodges in natters of a Judicial or an executive nature. A committee was then appointed to name the next place of meeting.

OMARA, June 24.—In the Pacific Investigation to-day, Governor (Pattison Called on the officers of the Union Pacific to produce statements showing separately the gross sum of payment on account of rebates, pool settlements and overcharges. He gave Traffic Manager Kimbail a list of persons to whom the Union Pacific had paid rebates in 1835 and 1886, and demanded the reasons which moved the committee to make them; also whether committee to make them; also whether any officer or attache of the road or public official had any interest in the firms to which the rebates were paid.

The sergeant-at-arms of the commission reported that he had been no-

able to serve subprenaes on a number of citizens of Omaha; owing to the fact that the parties

## WERE ABSENT.

WERE ABSENT.

At this, one of the audience remarked, sotto voce, that "those people will probably be absent as long as the commission is in Omaha."

E. Yonng, general auditor of the Union Pacific, was examined at great length as to the methods of book-keeping. The reports sent to the directors at Boston did not show the gross receipts of the company, as the rebates were first deducted. Governor Pattison demanded a statement showing the gross receipts from 1869 to 1886, to cover the whole system. The witness premised that the statement should be prepared, but explained that it would include all the money received by the company, of which a pro rata proportion belonged to other roads through freight and passenger traffic. These accounts are not kept separately.

CENTRAL TRAFFIC ASSOCIATION.

## CENTRAL TRAFFIC ASSOCIATION.

CHICAGO, June 24.—At to-day's meeting of the Central Traffic Association, resolutions were adopted that the east-bound through rates from the Pacific Coast points necessary to meet

Pacific Coast points necessary to meet Canadian or coast competition will be shared by the central traffic road on the basis of 25 per cent, subject to concurrent action by the trunk lines.

London, June 25.—The Gladstonians approve of the speedy passage through the remaining stages of the crimes bill in order to confine to the report stage the discussion of the only prominent amendments. They will then concentrate their attention on the land bill.

London, June 25.—The King of Bel-

in two feet of the temporary bridge just built across the river. Should it keep on an hour longer the bridge will be swept away. Large logs numbered by the thousands are sweeping down the river.

London June 25.—A party of gentlemen and land owners belonging to the county of Westmoreland, while our riding to day near the boundary separating that county from Yorkshire, offended some Yorkshire men and were forbidden to cross the line. They crossed and a hloody encounter ensued, in which clubs and fists were freely used. A number were injured on both sides and several magistrates were among them.

on both sides and several magistrates were among ithem.

London, June 25.—The Standard says ito-day: Dowager Lady Meux, while leaving Paris, met a man. On their arrival in London both went to a hotel at Holborne, where the man angaged apartments, taking a separate room for himself he decamped from the hotel, taking jewels worth £6,500 belonging to Lady Meux.

Louisville, June 25.—General Jas. Speed, a prominent republican and attorney general under President Lincoln, died this morning in his 78th year.

year.
Glasgow, June 25.—The yachts
Thistie and Irex started from Rothesay
to-day on a 50 mile race. There was a
brisk breeze at the time. The Thistie
at once took the lead.

at once took the lead.

CLEVELAND, June 25.—Messrs. Ed.

Crumb and George D. Baslington,
bankers and brokers, assigned this
morning. Fallure grows out of the
wheat panic in Chicago.

Washington, June 25.—Mrs. Cleveland arrived at Washington this morning.

WASHINGTON, Une 25.—Dispatches from Warsaw state that Prussia has decemined to create five new companies of gendarmes (to be stationed along the Austrian frontier.

It is officially declared here that King Milan intends to abdicate the Servian throne.

Louisville, June 25.—The Louisville tobacco warehouses of Thos. H. Glover, Sawyer, Wallace & Co., E. B Paris & Co., and an adjoining noarding house occupying the square between Main and Market and Ninth and Tenth atreets, were totally destroyed by the this morning, together with \$3,500 nogsheads of tobacco. Total loss astimated at \$350,000, partially insured.

sou nogsheads of tobacco. Total loss estimated at \$350,000, partially insured.

Washington, June 25.—Secretary Fairchild this afternoon telegraphed to all assistant treaurers directing payment of the July interest. Checks to pay registered bonds were mailed in advance in anticipation of this action so as to facilitate their payments. The effect will be the release from the sub-treasury of about \$0,000,000.

Lawrence, Mass., June 25.—The most remarkable freshet known in the Merrimac river is now in progress, the water has risen over ten feet since yesterday, and is atili rising. It is now within two feet of the temporary bridge just built across the river. Should it keep on an hour longer the bridge will be swept away. Large logs numbered by thousands are sweeping down the river.

VIRGINIA, Nev. June 25.—A fre broke out last evenling in the Goald & Curry mine.

## ALL THE MINERS

escaped with the exception of six employed on the 1,500 level of the Best & Belcher mine. Signals from them have ceased, and it is feared they have perished. An attempt is being made to each them by volunteers.

ished. An attempt is being made to reach them by vojunteers.

LATER—in addition to the men imprisoned in the Best & Beleher five men are imprisoned in the 800 level, and four men in the 400 level of the Gould & Curry mine, making in all 15 miners imprisoned. But little hope is expertisized of waying the men. 15 miners imprisoned. But little hope is entertained of saving the men on the 400 level. The engines are basily engaged in pumping air to the levels where the miners are imprisoned. Thousands of people surround the mines, and the most intense excitement prevails. No effort is being made to put out the fire, as it is impossible to ascertain where it is.

## UNAVAILING EFFORTS

were repeatedly made to rescue the six miners remaining entombed in the Gould & Curry mine, in which five miners lost their lives last night. The fire was extinguished about noon today and the cage sent down, but was driven back after it had reached the 1000-foot level. Relays of miners are tunneling through from the Consolidated Virginia, and expect to reach tunneling through from the Consolidated Virginia, and expect to reach the place of the imprisoned miners by noon to-morrow. The damage to the mine from the fire is very slight. It is known that the imprisoned men were alive at 2 o'clock this morning, which has occasioned great energy on the part of the relief party, helding out the hope that the miners may be still alive when the tunnel is completed.
