The big coal to take the water of the river in supply to the city is being shipped to the city.

C. J. Conley, of Brigham City, makes a complaint against the city of Salt Lake, for the reason that the city is not doing its duty in the matter of the river.

H. O. Case, former superintendent of the Utah Pacific railroad, has been in the city for some time, and has been making a study of the river.

The announcement on Thursday that the city of Salt Lake had been ordered to stop the river from flowing into the city, was a great surprise to the city.
