EVENTS IN THE WEST.

A Fear of Occurrence in Neighboring States and Territories.

TITLE INVALID TO 9,000,000 ACRES LAND

Report Shopkeeper Arrested—Lester Released—Hollow in San Francisco—Work of a Man.

An effort is being made to have Adams and Lynch counties restored to the map of Utah.

If the report of Superintendent Green to the commission is correct it seems probable that the title to the land in the state of Washington is invalid.

John L. Linn, who was placed in custody of the state prison at Carson, Nevada, on the charge of the murder of a woman, was today released.

A report reached Alaska, Ore., Friday that a party of ten men had been seen on the mountain in charge of the work of the lumbermen.

One man was instantly killed and another seriously injured in a collision between a street car and a horse-drawn wagon in the city of Portland, Ore.

The Washington government, according to a dispatch from the United States, has proposed to the British government to purchase the Hawaiian Islands.

After several months' work and the completion of the survey, the United States government has today announced that the Hawaiian Islands are a part of the United States.
