Appointments.

WASHINGTON, 26.—The President, to-day, appointed Thos. H. Scanlon, postmaster, at Houston, *vice* J. E. Whittlesey, suspended under the tenure of office act, and C. B. Sabine, postmaster at Galveston, *vice* A. B. Hall, suspended. Postmaster General Jewell says these two suspended postmasters are the only officers in Texas under his department against whom public opinion seems to revolt, and that no other changes are now contemplated by him in that State. John Gordon Lee has been appointed gauger in the seventh district, and John Van Note, storekeeper in the third District of Ohio, and John A. Emrie, storekeeper in the fourth district of Indiana.

Motion Denied.

The Supreme Court, to-day, denied the motion to advance the Granger cases. This decision will put over the first case as far as March or April next.

The Safe Burglary Case.

The safe burglars' case was resumed to-day. Judge Humphrey cautioned the jury against reading or seeing newspapers during the trial. Chief of Police Richards was recalled and examined. He said the burglars were very bold, acting as though they belonged on the premises. The explosion brought no one to the spot. Harrington objected to his arresting men while at work, because it would interfere with the chain of evidence and the argument he had prepared for the case. Policeman Wm. F. Lee testified that he aided Richards in watching the office, being near the rear of the office. Tom Sheperd came round once, and Harrington told witness that some one was going to break open his office, and he wanted witness to pipe them off. Harrington changed the position of witness.

Want Troops Removed.

MEMPHIS, 26.—A mass meeting of citizens is called, to meet at Greenlow's Opera House, to-morrow evening, to take action in regard to the presence of national soldiers in the city on the eve of the election, and to petition the President to remove them.

$125,000 Fire.

NEWBURYPORT, 26.—A fire took place in Georgetown to-day, and before the flames were extinguished, it involved a loss estimated at $125,000. George G. Tenney & Son lose a four story building filled with shoe stock, machinery, etc., also a house and barn; their loss will be $80,000. The fire was incendiary.

$15,000 Fire—Lieut. Grant and Wife.

MANSFIELD, 26.—Burgan's planing mill was burned to-day, loss $15,000 partially insured.

Fred Grant and bride are the guests of their cousin, W. W. Smith, at Washington, Pa., and will remain there a few days.

Arresting Planters.

SHREVEPORT, 26.—The examination of prisoners, arrested on Saturday, is postponed till to-morrow. No more arrests have been made, and Gen. Merrill says there won't be. Officers of the Steamer *Era*, arrived from below, to-night, report that U. S. cavalry are arresting planters all along the river, that many planters have fled from their homes to escape arrest, and that the negroes are flocking to the towns along the river, leaving one of the finest cotton crops of the year unpicked.

The Wool Trade.

NEW YORK, 26.—The meeting called by the committee of the Chamber of Commerce was held to-day, to consider the simplification of the classification of wools, and the alteration in the mode of collecting the duties. The various branches of the wool interest were represented. Mr. Jas. Lynch, chairman, said the act of 1867 is so complicated that the best experts cannot understand it, and besides this, it is unequal, unjust and prejudicial to the American wool grower. The fourteen rates of duties, and the heavy penalties for a mistake in entering, deter foreign shippers, and commerce on foreign wool is to a large extent destroyed. The duties range from 20 to 100 per cent., as the appraiser may fix it. This certainly should be remedied. In the course of the discussion it was shown that since 1867 the wool trade in Canada had sprung up, and is flourishing under free trade, while in these States the trade is declining and the mills idle. A committee was appointed to report to a future meeting.

The Striking Coopers—Republican Ratification Meeting.

The striking journeymen coopers appointed a committee this evening to attend the first meeting of the Board of Trade and to inform the members of the circumstances of the strike.

The Republicans held an immense mass meeting this evening, to ratify the State ticket. Hon. Wm. Orton presided. Governor Dix spoke, and stated distinctly that he was opposed to a third term.

A Protest.

NEW ORLEANS, 26.—The Democratic Conservative State Central Committee have addressed to General Emery a protest against the action of Major Merrill at Shreveport, in arresting certain persons there for an offence which was only to be brought before civil courts, according to the State laws. They protest because past political experience proves, they say, that the Republican political leaders have found it an easy matter to subordinate the civil to the military power, which our fellow-citizens at the north are justly, by their votes, denouncing as an outrage against the constitution, liberty and rights of civil government.

Midnight Arrests.

Letters received from Grant parish, by business firms, give accounts of the continued midnight arrests of planters by U. S. soldiers, without warrant, it is claimed, for the purpose of keeping white voters from the polls by intimidation. The writer of one of these letters says the soldiers do not hesitate to express their dislike of the business they are engaged in, and that the people do not complain of the soldiers, as they are only obeying orders and that reluctantly.

$40,000 Fire.

CAYUGA, Ont., 26.—The flouring mill and brewery of the Messrs. Thornburn, together with the adjacent buildings, were burned to-day; loss $40,000, insured for $10,000.

The Learned Blacksmith Dangerously Ill.

HARTFORD, Ct., 26.—Elihu Burritt is dangerously ill at his home in New Britain, from hemmorrhage of the lungs.

More Carpet-baggism.

MONROE, La., 26.—W. I. Scott, parish judge, and S. W. Ramsley, recorder of Claiborne parish, Dr. Richardson, Mayor of Homer, and Jas. Huey, D. Mayfield, and P. L. Phillips, of Lincoln, were brought here this morning under a cavalry escort. Huey and Richardson were handcuffed together. The prisoners were imprisoned under a close guard in the sheriff's office. Their counsel were admitted on a written order. The Claiborne prisoners are charged with an attempt to break up a peaceable assemblage on the 11th of July in Homer, when Mayor Richardson, Ramsey and Scott were active in preventing a riot. The Lincoln prisoners are charged with an attempt to compel Jewett, by whom the warrants were issued, to resign, as commissioner. Rooms are preparing in the jail here for the prisoners, as they are now confined in a room with nineteen prisoners, mostly negroes and felons, already confined in the three small rooms. Claiborne and Lincoln are democratic parishes. Great indignation is felt here at the arrest and harsh treatment of the prisoners, as it is believed, generally, that the arrests were made for political effect.

FOREIGN.

AUSTRIA.

Speech by De Cases.

PARIS, 26.—At a banquet at Bordeaux, the Duke de Cases, minister of foreign affairs, spoke as follows: "President MacMahon has entrusted me, particularly, to watch the maintenance of peace with other governments, and I shall not fail. Peace, however, must rest on a basis compatible with our interests and dignity, namely the rights of France. In respect to international treaties, I claim that they have been strictly observed in the past, and I shall faithfully execute them in the future." The Duke foreshadowed the speedy conclusion of a treaty with the U. S., insuring a more liberal treatment of the commercial interests of the two countries, and said the government had similar objects in view with regard to the South American governments.

An Explanation.

Le Temps explains the inaction of the republican army in Spain by the fact that the terms of service of a large number of the soldiers have expired, and the ranks are filling up with fresh levies; the troops are in good spirits, impatient for action, and very confident.

Repudiates the Idea.

The president of the Council speaks in which he repudiates all idea of the separation of that department from France.

SPAIN.

Want to Surrender.

MADRID, 26.—Another body of Carlists, numbering 108, belonging to Lozano's band, have offered to surrender if an amnesty is granted.

PRUSSIA.

The Emperor Writes to the Pope.

BERLIN, 26.—The Emperor William has written a reply to the Pope's last letter protesting against the prosecution of German bishops. The Emperor says that Germany has done all in her power to live at peace with the Church of Rome, but that he is bound to protect the state against violent attacks and conspiracies.

BELGIUM.

Statements by "Le Nord."

BRUSSELS, 26.—*Le Nord* newspaper discredits the reported agreement of France to support Russia in her policy in the East, and positively contradicts the recent reports that Germany was about to send a note to France endorsing the Spanish complaints as to the Carlists. *Le Nord* strengthens the contradiction with a statement that the German foreign minister is far from approving the tone of Spain's last communication to France.

ITALY.

Garibaldi's Poverty.

ROME, 26.—The *Opinione*, commenting on the report that Garibaldi is in straitened circumstances, and has accepted assistance from an American, urges the Italian government to make another attempt to induce him to accept a pension.
