Gen. Rosecrans, of Los Angeles, Cal., in response to a request for his opinion on the Freyhan case has given out the following: "The case of Captain Freyhan is one that appeals to the sympathy of every true American."

CHILDREN NEED A PLACE TODAY. Advantages of the Nursery and Suggestions for the Furnishing of the Room.

[Chicago, Times-Herald.] It is desirable that growing children should have a room all to themselves, where they can be free to move around and clear their minds if they feel like it.

who knows that young men and women are doing things and indulging in pleasures to their hearts content without danger of harm and yet with serious consequences to their health. This illness strikes them as they devote certain portions of the day to other occupations, leaving a valuable acquisition to their possession.

That the household furniture may not be quickly ruined, that the warm and moist atmosphere of the room may be kept pure and fresh, and that the children should have a pleasant and healthy environment.

ENCOURAGES FAMILY LOVE. A room which is warm, comfortable, and bright is a great inducement to family affection.

The chief prerequisite of a pleasant room is that it should be bright, cheerful, and attractive. It is especially for the children that this is true.
