

FAMILY RECORDS.

WE ARE NOW PREPARED to receive orders for FAMILY RECORDS of an approved form. Each book is divided into four forms.

The first form is that of a "FAMILY RECORD," with ruled and printed spaces for births, marriages, and deaths, in each family, also for names, dates, and places, one page accommodating one family.

The second form is a "CHURCH RECORD," with spaces for baptisms, confirmations, ordinations, endowments, and patriarchal blessings and various particulars of the same.

The third form is a "SEALING RECORD," with spaces for names of person sealed, birth, death, time, place, etc.

The fourth form is a "BAPTISM FOR THE DEAD RECORD," with spaces for names, dates, birth, death, baptism, confirmation, etc.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

These Records are well printed and ruled on good ledger paper, substantially bound in full sheep, English roan, or buck. We can furnish them of any size, from one to five quires, or larger, but probably five quires is as large as will be desired. We can also furnish the various forms in a record, proportioned to each other to order.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

EVENING NEWS.

Monday - December 17, 1877.

BY TELEGRAPH.

PER WESTERN UNION TELEGRAPH LINE.

Last Night's Dispatches.

WASHINGTON, 16.—Colonel Robert N. Scott, of San Francisco, has reported in person to the Secretary of War, and been assigned to duty in the preparations of the records of the late war, for publication.

The Army Returning Board.

The army returning board, of which General Crittenden is president, organized in this city, last Friday. The case of the 9th cavalry was taken up, but it is not concluded, as witnesses have been called for from New Mexico.

General Ord left Washington, last night, to return to Texas.

The Chinese Problem.

D. O. Mills called on the President and Secretary of State, yesterday, in regard to the Chinese problem in California. He claimed that the Chinese had been induced to enter the country by the promise of a large reward for the capture of the Chinese pirate, and that the Chinese had been induced to enter the country by the promise of a large reward for the capture of the Chinese pirate, and that the Chinese had been induced to enter the country by the promise of a large reward for the capture of the Chinese pirate.

Secretary Evans, in view of the conflicting statements made to him on this subject, seemed inclined to send for official information before recommending any course of action for adoption by the administration in regard to any of the questions involved. The matter is, however, very likely to come up for further cabinet discussion sooner than Evans contemplates. The Attorney General will, undoubtedly, report that there is no precedent for interfering with the general government to suppress or prevent assaults upon individual rights within the State limits, unless such interposition and assistance be requested by the State authorities. The question whether any such action can be constitutionally volunteered in order to enforce stipulations, has never before been presented, but there seems to be no doubt of a decision in the negative, regardless of the fact that the nation at large would be morally liable for the consequences which might ensue from treaty infractions.

Deaths.

New York, 16.—Ben. Holladay's daughter, the Baroness De Bismarck, died, to day, of pneumonia, aged 23 years, leaving one child, four years old. The vexatious suit brought against her father by her sister, Mrs. Bismarck, and herself, under her husband's influence, is still pending, awaiting judicial decision on some preliminary motion. She was attached to the Roman Catholic faith. Her funeral will take place on Tuesday morning from St. Ann's Church. The news of her death has been telegraphed to her husband in Paris and her father, who is in Oregon.

Horrible Affair.

ST. LOUIS, 16.—Mrs. Louisa Weber, wife of Oscar Weber, living at 825 Car Street, cut the throat of her infant, thirteen months old, then cut her own throat, in a fit of insanity, early this morning. The infant will die, but the mother, although she has three terrible gashes in her neck, will probably recover.

Excise Law.

To-day was one of the most quiet Sabbaths this city has enjoyed for many years. The number of arrests by the police were unusually small. This quietude is in large measure due to the strict enforcement of the law prohibiting the sale of any sort of liquor. The arrests during the preceding ten days of nearly 1,000 liquor dealers has had a salutary effect upon those engaged in the trade. The police were upon their guard, but succeeded in finding very few salaried dealers. A dealer was found selling he was promptly arrested, the fact of his having a license having no effect upon the officers, who were instructed strictly to enforce the law. As the result only a comparatively small amount of drinking was done to-day, and few intoxicated men were to be seen. The police expect that more than 400 licenses will be given out to-morrow, and 100 more issued.

Mr. Eads and the Jetties.

NEW ORLEANS, 16.—A dispatch from Port Eads says the official report of Capt. M. E. Brown, of the United States army, inspecting officer at the jetties, show a twenty-two feet channel over 200 feet wide, entirely through the rocks, which he believes will be the second payment of half a million dollars. A practicable channel through the jetties was found with a depth of at least twenty-three feet.

WESTERN.

The Weather.

SAN FRANCISCO, 16.—Raining most of the day, with a fresh south-west wind, and every prospect of a continuance. Dispatches from the interior indicate that a general rain is probable.

FOREIGN.

Great Britain.

London, 16.—The Observer states that it has reason to believe the Turkish circular was dispatched at the instance of England.

The German Government.

The North German Gazette and National Gazette concur in declaring that the powers will not listen to Turkey's appeal for mediation. A Paris correspondent says: "The Turkish government obviously feels its capability of resistance exhausted, and would gladly make peace upon reasonable terms, but it appears to have no definite programme."
