FLOATING FRAGMENTS.

"Cheek" on Friday and Saturday, at the Theatre.

Seventies' meeting in the 16th Ward schoolhouse to-night.

Mr. Savage's barometer seems to be a reliable weather indicator.

P. P. Pratt has Sharpless strawberry plants for sale. See advt.

Mrs. Dr. R.B. Pratt has a patient just now who is deaf and dumb and almost totally blind.

The owner of the lately discovered coal mines near Castle Dale, has sent for a ton of shale to be tested at the gasworks in May.

We are indebted to Brother William C. Spence for the list of missionaries, who left for their fields of labor yesterday.

Mr. Phil Robinson wishes us to state, for the information of friends in the Territory with whom he is in correspondence that he will not sail from New York for England until the first week in May.

LOCAL AND OTHER MATTERS.

Seventies' Meeting.—To-night at 7 o'clock, in the Sixteenth Ward School House, there will be a special meeting of the Seventies residing in the 16th, 17th and 19th Wards. All the Saints who desire to attend have the privilege.

The Opera Company.—McCaull's Opera Company, said to number about sixty people will appear again at the Opera House to night, in "The Queen's Lace Handkerchief." It is a genuine Opera Company, and as Salt Lake has many lovers of that class of entertainment, it is more than likely that the house will be crowded.

The Two Bruisers Arrested.—Last week we noted the fact that B. Mitchell and Bart Flowers went over Jordan the Sunday previous and engaged in a regular pugilistic encounter, in the presence of a number of spectators. The two principals in the affair have been placed under arrest and were to be tried before Justice Spiers this afternoon.

The Suicide at Logan.—We learn from the *Utah Journal* that an investigation into the suicide last Friday, in Logan, of Martha A. Izatt, wife of William Izatt, showed that death ensued from strychnine, administered by her own hand. The inquiry also developed the fact clearly that the unfortunate woman had been for some time previous of unsound mind.

"Photos" Coming. — Yesterday we received a call from Mr. Geo. Zebold, representing Harrison,s Photos, who have been playing to a large business in San Francisco. They will return here and play on Tuesday and Wednesday of next week, 17th and 18th, at the Salt Lake Theatre. "Photos" took immensely here a few weeks since, and we learn from the agent that they have arranged to give an entirely new line of specialties at their forthcoming engagement.

A Domestic Tragedy.—On Sunday, at Denver, Mrs. Jane Hamilton, being weary of life, adopted a novel method of trying to get rid of it. She jumped into a well, the descent being twenty feet. The water on the bottom was only eighteen inches deep, and she endeavored to strangle herself by kneeling and holding her head under. She was pulled out, but died in a few hours from acute congestion of the lungs, from the effects of being so long in the water. Her husband, Thomas Hamilton, who was ill from pneumonia at the time, only survived the wretched woman an hour or two.

The McCaull Company.—"The Queen's Lace Handkerchief" drew a big audience last night at the Opera House. It will do the same to-night. The company, which is very large, is most excellent, the opera abounds with good music, the choruses are full and harmonious, the piece is dressed most magnificently, the changes in costume being many and splendid, and the leading performers are vocalists of fine appearance and great talent. The comic business is extremely funny, and it is a long time since Salt Lake has had so complete a musical attraction as that presented by the McCaull Company. The universal comment is, "a splendid opera and splendid performers."

A Pretty Picture.—Hanging in the Union Pacific Express office, in this city, is a large framed picture view of the interior of the Madison Square Theatre, New York City. It is quite attractive, resembling an oil painting, and shows the elaborate, if not esthetic beauty of the ornamentation and arrangement of the auditorium of that popular place of amusement. The most marked feature is that the orchestra occupies a recess, or box, immediately over the centre or front of the stage, and above the drop curtain. The space below the footlights, usually occupied by the orchestra, is filled with beautiful shrubbery and plants, forming a conservatory of living vegetation, very pleasant to the eye.

It Glittered but was not Gold.—Yesterday Mr. N. Boukofsky deposited with Mr. J. McVicker, assayer of this city, what he thought to be a gold bar. He also handed over a sample of what was asserted to be the same material, for testing purposes. The assayer tested the bar itself, by detaching a fragment from each end of it, when the metal was discovered to be brass, washed with gold. The sample, however, was gold.

Mr. Boukofsky states that a couple of men gave him the brick and sample, and he took it to the assayer for them. When he discovered the "inwardness" of the matter he says he returned the metal to the parties from whom he received it. He lost no money on it.

THE KANAB POISONING.

THE INDIAN "WHITE EYE" SAID TO BE THE MURDERER.

Brother John Rider, of Kanab, sends us the following about the poisoning case at that place, of which we made mention a few days ago.

"By request I forward you the coroner's verdict and obituary of deceased. Since the inquest was over one of the Indians has confessed that Indian "White Eye" placed the strychnine in Brother John Phelps' flour, and was held to appear before the grand jury at Beaver, at an examination before Justice Broadbent.

TERRITORY OF UTAH,
Kanab Precinct,
Kane County.

An inquisition holden in Kanab, at the residence of T. G. Smith, on the 2d day of April, A.D. 1883, before Nephi Johnson, Esq., Justice of the Peace for Johnson Precinct, in the county aforesaid, on the body of John Phelps there lying dead, by the jurors whose names are hereto subscribed.

The said jurors upon their oaths do say that the deceased came to his death from the effects of strychnine, feloniously placed in his food by persons unknown, but supposed to be two Indians who entered his house in a secluded part of the canon in which his home was. No evidence of the fact, however, could be proved.

In testimony whereof the said jurors have hereunto set their hands the day and year afore-said.

JOHN RIDER,
B. T. BAIRD,
TAYLOR CROSBY,
Jurors.

[Attest]
NEPHI JOHNSON,
Justice of the Peace.

John Phelps, son of Joseph and Phoebe Place Phelps, was born September 5th, 1800, in Canada, and moved from there to Cincinnati; Joined the Church in the early days; was well acquainted with the Prophet Joseph; came to Utah with the first company of Saints, and went back to assist in the hand-cart company; was called to "Dixie" to raise cotton, and about three years ago moved to Kanab.

Received Certificates.—Dr. Romania B. Pratt's obstetric class passed a very creditable examination before Drs. Anderson and Fowler, both of these professional gentlemen expressing themselves well satisfied with the progress the students had made and very willingly signed their certificates. The especial design of these classes is to render as efficient and practical assistance to the settlements as may be within the reach of their circumstances. The record of those taking this course has so far been very good, the students having been able to meet and overcome emergencies which otherwise might have resulted fatally. The following named ladies have received their certificates and been duly set apart for their work: Phoebe Holdaway, Provo City; Mary Hansen, Salt Lake City; Alice Taylor, American Fork; Hannah Wild, American Fork; Mary U. Oberhansley, Payson; Henrietta McCloy, South Cottonwood; Christina Anderson, Big Cottonwood. Dr. Pratt's success is evinced by the opening on April 9th of the largest class yet assembled.

The "Queen's Lace Handkerchief" by the McCaull Opera Company, at the Opera House to-night.

N. R. Tuttle, of Tooele City is prepared to fill orders for joist scantling and good red pine plank. See advt.

Sudden Death.—The *Territorial Enquirer* states that on Friday last a party of three persons hailing from Grand Junction City, Colorado, passed through this city on their way to Salt Lake. One of the party owned the team and wagon with which they traveled, and had been hired by the others—two brothers—to take them through to Salt Lake. On getting on to Provo bench, the owner of the team and one of the others got out and walked, while the third sat on the spring seat and drove the team. When about two miles north of the river the owner got up into the wagon and discovered that the driver was dead. They then turned back and came with several other men whom they met on the way to Provo and stated the occurrence to the city marshal and his aid, Policeman Strong. Dr. Simmons was sent for, who examined the body and concluded that the man had died of apoplexy. The body was interred the next day in the Provo city cemetary. The brother of the deceased, an entire stranger in Utah, expressed his gratitude to the marshal and policeman, for their kind, timely and gratuitous aid. The name of the man who died was A. D. Alferly, and the party were on their way to the Oregen Short Line Railroad.

F. Auerbach & Brother, on the occasion of the celebration of the marriage, on Sunday last, of their niece, Miss Cecillia Meyer, to H. Barnett, Esq of Butte, sent generous donations in a check each to the Deseret Hospital, St. Mark's Hospital, St. Mary's Hospital, and the Ladies' Hebrew Benevolent Society. The kind remembrance is duly appreciated by these several institutions.

INSTANTLY RELIEVED.

Mrs. Ann Lacour of New Orleans, La., writes:—I have a son who has been sick for two years; he has been attended by our leading physicians but all to no purpose. This morning he had his usual spell of coughing, and was so greatly prostrated in consequence, that death seemed imminent. We had in the house a bottle of Dr. Wm. Hall's Balsam purchased by my husband who noticed Wm. Hall's advertisement yesterday. We administered it according to directions and he was instantly relieved.
