### LOCAL AND OTHER MATTERS

THEATRE. -This evening, for the benedit of Mr. J. W. Ward, will be presented for the first time in this city the Irish sensational drama in four acts, "Inshavogue, or the Outlaw of '98;" the performance commoneing with the farce of " P. P. or the Man and the Tiger." A splendid evening's programme. On Thursday the Nathan Ju-venile Proups will appear.

SANCERS.-Our traveling agent writes from Spring City, Dec. 8-The people generally are wide awake, at the Pioneer Art Gallery.

and look with great anxiety for the mails, that they may be posted in regard to the spirit of the times. We have beautiful weather in these

counties, and quite a number are taking advantage of it by putting up good substantial buildings, while others are busy ogging, Ac., to keep their mills running, so that lumber may be accessible for improvements. This don't look like desertog our hard earned homes to go to distant

HAVE NOT SEEN IT YET.-The New York Herald thinks that the paragraph of the Prosident's message referring to Utah, will undoubtedly create a terrible extement at Salt Lake City and in all the other Mormon settlements; for it simply means the extirpation in Utah of Mormor polygamy, or its removal from the United states, as the fixed purpose of the national administration,

We have seen the message, but we have neither seen nor heard anything of the "terrible excitement" yet. All is quiet here. Phil. Margetts'.

FROM THE EAST.-Elder R. Bird wrote, from Elmira, Chemung Co., N. Y., Dec. 3, that he left Ogden, Nov. 15, with 65 Elders, on missions to the States east. He arrived in Elimira, Nov. 24, in good health, where he was striving to preach the gospel and bear his testimony at every opportunity.

DISTATING TO THE LORD, -The Washington Dipical thus presents the efforts or a certain reverend gentleman not unknown

"Now we recognize the right of any congregation to organize and worship in its swn way. In this the Rev. Newman differs from us. He will not permit the Alamighty to be worshipped by the Mormons. The Rev. Newman, in so many words, says to the Lord, "Those Mormons shall not worship at all, and to secure that I instigate the right of any congress of improved land near Camp Point, illinois: 840 acres improved land to the Lord, "Those Mormons shall not worship at all, and to secure that I instigate the government to open the penitentiary and panish with stone breaking any poly-gamous follower of Brigham Young who res to worship the Lord without my conruided Mormon may be as sincere as the

THE MORALITY PARTY MOVING.-The Dr. has assessed a fine on the Courtesans and brothel keepers, and the morality party, determined if possible to rescue their accommodating friends, the ladies, are going to hadeas corpus them before Judge Hawley. This is consistent! "Mornons" must be convicted and punished for marrying, Juries are produced and statutes interted evidently to insure conviction, at now, when some side cases of lastivious chabitation are brought to light, and nondormons implicated, the worthles, afraid of the fines and penitentiary, or of disclosures that might lead thereto, are having recourse to any and every stratagem to provent the just administration of the law.

LIEBLY TO BE ADMITTED. - The Philadelhis Press says some action will be taken oncerning the troubles in Utab, most kely the passage of an enabling set for diminution as a state, that bills for the ad-initiation of Utah, Colorado, and New Mex-ico, will be presented, that the two latter are not so likely to get in as Utah, for she is now almost a State in point of popula-tion, and would doubtless have been ad-mitted long ago, but for the peculiar institution.

SENT-ANNUAL CONFERENCE AT BEAVER, emi-annual conference of that stake convened at 10 a.m., on the morning of Friday, the 1st instant, and continued in session three days, there being three meetings per day on the second and third days of the conference. Elders W. Fotheringham and D. Tyler presided. The attendance was overflowing. Elders from the various branches addressed the Saints, who united in cearing testimony that it was one of the est conferences they had ever atte lood instructions were given and an excel-ent spirit prevailed. The three days spent

in conference was too short, and many expressed themselves that the meetings aght to continue for a week. The Minersville Choir united with the Saints, and much credit is due them for he cheering manner in which they sang
