TRUCKEE-CARSON CANAL.

Contract for Construction of the Same is Let.

Washington, Aug. 12 .- The secretary of the interior has approved the award of the contract for the construction of an irrigation canal to connect the an irrigation cannot to connect the Truckes and Carson rivers in Nevada to Charles A. Warren & Co., of San Francisco and the E. B. & A. L. Stone Co. of Oakland, Cal., at an aggregate

ost of \$942,427. This is the first definitet action tak. en by the department looki g to actual construction under the reclamation act. The proposed canal will be 30 miles in length. Its main purpose is to carry the waters of the Truckee river to a reservoir to be constructed in the valley of Carson river. Incidentally, how-ever, about 8,000 acres of fand under-the canal will be irrigated by it. Ultimately the project is expected to

reclaim about 300,900 acres of arid land in western Nevada and eastern Califor. nia, including the old Forty-Mile desert.

Bar Harbor, Me, Aug. 12 .- While leaving the harbor during a thick fog about noon today in company with other vessels of the North Atlantic squadron, the battleship Massachusetts sustained considerable damage by striking on the ledge of rocks off the western end of Egg Rock. The big vessel slipped over the rocks into deep water, but the two forward bulkheads soon filled and it was subsequently found by div-ers, who examined her hull, that sever-al plates forward had been cracked.

The Massachusetts was headed back into the harbor with difficulty, acconpanied by her sister vessel, the Indiana, and the gunboat Scorpion.
