Mr. Read said that his house had been almost completely undermined, and that to add to the estimates of the situa-tion a baby girl came to the home when the storm and flood were at the highest point, so that his wife had to be removed on a stretcher and in a boat to the city hospital. Mr. Read informed the council that he had no claim for damages, but asked them to attend to the washed-out condition of the Ogden river, so that any pos-sible flood in the future could not duplicate the misery of the one just passed. Is a God-Send to Suffering Humanity

Declares Mr. G. F. Baldwin, prominent ctizen and manager for the Capitol Lumber Co. He knows from actual experience what this new Discovery in medicine will do.

Gentlemen: "I have suffered terribly with inflammatory rheumatism for over a year. I have tried every rheumatism cure I could hear of without receiving any relief. At the time I began taking your medicines I was bedridden but in four days every trace of rheumatism had disappeared, and there has never been the slightest trace of its return. I consider Cooper's New Discovery and Quick Relief a Godsend to suffering humanity."

That's a strong statement. But it is made by a business man, who is known throughout the entire state as a man of character and integrity, a man whose word is as good as his bond, and this man says in a signed statement:

> I was Bed-ridden and in Four Days Every Trace of Rheumatism was Gone. Cooper's New Discovery is a God-Send to Suffering Humanity."

Cooper's New Discovery costs \$1.00 per bottle: six for \$5.00. Cooper's Quick Relief, the assistant remedy, costs 50 cents per bottle. Let us tell you about these celebrated remedies.
