BRODES REINSTATED,

The Very Serious Charges Against Him Ways Not Sustained.

With 3nd manalance.

With 3nd manalance.

A line time Chief Prist eneposited Patrimens Rhodes from efficial duty some weeks ago, very setting charges were made against him. He was delicated a second at being its speak relation to the department, of even entering into a manaphrany with containing the a manalance of relations and containing the accordance of relations and Chileges by offering a large sion of remorp to a fallow second.

For the second of the containing the containing to the first the property of the companion of the bearing the containing the provide correct and the companionings would mean the residential to only flower the containing the providential and the following the first the containing the cont

IN THE KINDERGARTEN,

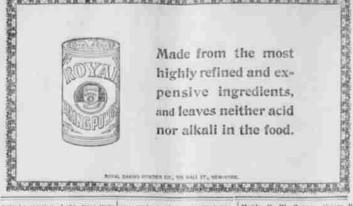

Interesting Hassiawers and Exercise by Little children.

At 10 projects, when the Cuttimes exactions tegan, Sites Wests invited the little treatment of the little exact of the hiddengarism children to at with them and there was a very large and happy ring of little people.

After prayer and the good merring songs, the children some and played view in the meschen," "Little Franty," "Jack Sprain," etc. They same "Upon the Hannes," "Children unt, O'lleans 1842." Five Hilling girls spoke "Two Little states."

Even hope out gave a fine physical cubines drill.

Chiesand another of the children chines for the control of the children cutting and another of the children children

who made up in very practy dashion by the kindergariners.

Actor weaving male were made into account, and other only very jettly hashed lied with others. The emi-dren had worked eying of hely or swing owin and those were made into large only and those were made into

techate tied with ethouse. The emitdren had worked eying of builty or
sewing catis and these were make into
broad catesians.

East little gift optewarded county
patient and morely with and many a more patient and morely with a series of
interest of county, but the interest work
into the children seviently contract, not
on what they had never higher to die for
others. When they had never to the
series of which is not to be a series
when they had been below in the die
timusted time children saving out by
him they had been below in the fortioner. When they had not work were the
trimusted time children saving out by
him when it is nother in the
midst of her family—but while being
through with her love in her guildren.

Backets of Country were then given the citilities and those flye sung.
