Pepular Feeling in Greece in Payor of a Republic.

THE PEOPLE DEMAND MORE WAR.

Canditian to Spiras-Enrops May Intervene.

May intervee.

ATHERN, April 17.—Popolar faeling potate to a revolution in sever of a republic. The chines are greatly expected at the revolution in sever of a republic. The chines are greatly exclude a father revolutions made by former Minister Rall is as this condoct of the campaign. Totay large meetings have been bed in Constitution; equare and other places, and fore; harrangues have been delivered by apposition archers is descumdation of witness who would be tray directly in regarded as extrain.

This afternoon foll men formed thempaire into a volunteer budy, preed their way into the guivernit chapt, armed thempaire with rides and revolves into a volunteer budy, preed their way into the guivernit chapt, armed thempaire with rides and revolves, and parasive the street in front of all Relief sections. Several depotent of the Relief sections. Several depotent of the resulting them to remain exists and to awart the gragess of events. Finally they proceeded to the royal paisane, where, after making a demonstration, they dispersed with another great semantion.

An extractionary semantic, the budgets of the Hoth, or legislative ensembly, we had this afternoon. The leaders also a great semantion of the representative of the apposition had meeting the expectation of the constraints of the apposition had meeting the results of the property of the property of the property of the statement of the supposition had meeting the expectation of the property of the constraints of the apposition had meeting the constraints of the property of the constraints of the apposition had meeting the constraints of the apposition and the property of the constraints of the apposition and the property of the constraints of the apposition and the property of the constraints of the apposition and the property of the constraints of the property of the constraints of the property of th

DESCRIPTION AT THE DEPKAT.

RECEION AT THE DYPLAT.
LONDING, April III.—The correspondent of the Times it. Athens says: The people is returned has been parily adding to the Times it. Athens says: The people is the time of the times and the said of the times and the times and the times and times and times to relieve it. The newspapers in not any what would be gained by relliating such a humitable upon the prices. It could not have been expensed this of extra twarfars they would audiently depiny a heaven-bern greate for strategy.
