FLATTERING CROP PROSPECTS.

Homescekers-High Waters,

a flower garden. Everything look premising for a good cropping season.

promising for a good cropping season. The people are more encouraged than ever, and great strides are being made to improve and develop the country. The county officials have greatly im-proved the roads this winter. The canal that is in course of con-

struction on the east side is making rapid strides toward completion. This will bring under cultivation about 1,206 acres more fand. There is still some land to be taken

in this valley, and good settlers are invited to come and make homes in this beautiful climate. A very enjoyable time was had at the party given by the Y. M. and Y. L. M. I. A, in behalf of a tentile work of the formation of the formation of the state of the set of the formation of the formation of the set of the set of the formation of the formation of the set of the set

PLEASANT GROVE.

SUDDEN DEATH OF PIONEER.

Child of Martin Peterson Falls in Canal and is Drowned.

tal Corresponder

Special Correspondence,
Plensant Grove, Utah Co., April 2.— Martin Peterson lost a little key, 21 months old, this morning, by drowning. In some manner the little fellow wan-dered to the canal near his father's place and fell in. His body was re-covered, after the water had been turned off, lodged in some brush three blocks below his home.
Bishop S. L. Swenson a little son Rus-fil, five years' old, fell from a fence and broke his arm yesterday.
Mrs. Alice Drigges Brown, with of

Mrs. Alice Drigges Brown, wife of Prof. John Z. Brown of the University of Utah, and daughter of B. W. Drigges of this place, was operated upon vester day at the L. D. S. haspital for ap pandicitis. Reports received today ar favorable for her speedy recovery.

SUDDEN DEATH OF PIONEER.

Alfred Harvey, one of Pleasant Grove's earliest settlers and Utah plo-near, a vetoran of early Church his-tory in the states, before the removal to Utah, was found dead in a small building in his dooryard this morning, having expired of heart failure without warning. Deceased was born in Vir-ginia, 7 years ago. He has been a res-ident of Pleasant Grove since 1852, and has been active from the first in the unbuilding of this work of the start upbuilding of this part of the state
