I HOLD STILL.

BY CHARLES S. BROOKS.

(From the German of Julius Strum.)

Pain's furnace heat within me quivers,
God's breath upon the flame doth blow,
And all my heart in anguish shivers,
And trembles at the fiery glow;
And yet I whisper—As God will!
And, in his hottest fire, hold still.

He comes and lays my heart, all heated,
On the hard anvil, minded so,
Into his own fair shape to beat it,
With his great hammer, blow on blow;
And yet I whisper—As God will!
And, at his heaviest blows, hold still.

He takes my softened heart and beats it—
The sparks fly off at every blow;
He turns it o'er and o'er and beats it,
And lets it cool, and makes it glow;
And yet I whisper—As God will!
And, in his mighty hand, hold still.

Why should I murmur? for the sorrow
Thus only longer-lived would be;
Its end may come, and will, to-morrow,
When God has done his work in me;
So I say, trusting—As God will!
And, trusting to the end, hold still.

He kindles, for my profit, purely:
Affliction's glowing, fiery brand,
And all its heaviest blows are, surely,
Inflicted by a Master-hand;
So I say, praying—As God will!
And hope in him, and suffer still.

Scarcity of Silver Coin.

NEW YORK, 13.—The officers of many of the banks here are complaining of the great difficulty of obtaining silver from the sub-treasury. A large coin broker on Wall Street stated that one half per cent. would be readily given for American silver, while he would charge one per cent. to purchasers. At the sub-treasury it was learned that they had no orders from Washington to issue additional silver. A sub-treasury official thinks the issue of silver must have nearly reached its limit. About $20,000,000 worth had been put into circulation, and that, with the fractional currency still, afloat there is about the same amount of small change in the country as before the issue of silver. At present he had no doubt a large quantity was locked up, and when the people should begin to realize that there is a superabundance of silver in circulation those hoardings would come out; then, instead of silver being at a premium, it will be at a large discount, the same as is now the case with the nickel coinage.

More Prominent Men for the South.

NEW ORLEANS, 13.—The following prominent party leaders are at the St. Charles Hotel, having arrived *via* Jackson: Judge Doolittle, Senator Lyman Trumbull, Perry H Smith, Chicago; George B Smith, Springfield, Ill.; Governor Jno H Palmer, Ills.; Jno W Stevenson, Ky.; Geo W Julian, Indianapolis; J R Stall, Stanley Matthews, Ed F Noyes, J Stevens, Cincinnati; Gen McDonald, F B McDonald, Jno O Love, N Munson, Indianapolis; Wm F Hamilton, L V Bogy, St Louis; Wm R Morris, Ills; Geo B Martin, Chas Gibson, St Louis; Geo B Smith, Wis; J O Broadhead, St Louis; D Hare, Major Beardsley, C B Farwell, Abney Taylor, Ills; C Irving Detty, Md.

Will Make No Difference.

MONTPELIER, Vt., 13.—The disqualification of Henry A. Sollace, one of the republican electors, who is postmaster at Bradport, will make no difference in the electoral vote of the State, as by the State laws the legislature can fill the vacancy.

The Democrats Protest.

CHARLESTON, 13.—The democrats, to-day, filed a protest against the late election in Charleston County. They allege that the whole county was controlled by intimidation and terrorism, and no opportunity to vote was given to qualified voters; also that a large number who desired to do so were prevented from voting the democratic ticket; also that a legal number of polls was not opened.

Mismanagement.

ST. PAUL, 13.—The failure of the Marine Bank is attributed to mismanagement, and not to any misappropriation of the funds. One of the directors states very positively that the assets are in excess of the liabilities, but cannot yet say how soon a settlement can be made with the creditors.

A Mistake.

CHICAGO, 13.—The New York dispatch from the *Tribune* to the *Call*, stating that Florida, Louisiana, Colorado, and Nevada are States which have neglected to pass laws specifically providing for filling vacancies in the electoral college, is a mistake. The examination of the statutes of the States named shows, with the exception of Colorado, that all these States have already provided for the contingency, and as the assembly of Colorado is now in session, it is expected that that State will make its law on the subject.

Henry Watterson Asks a Few Questions.

The following was received, today, by the Chicago *Tribune*, from Henry Watterson, of the Louisville *Courier-Journal*, who is in New Orleans:

"New Orleans is as quiet as a nursery. The people cannot be goaded into an outbreak. The question presented to you is, shall the American people be cheated of their free choice and their free government by a handful of desperate adventurers, Kellogg, Warmouth and Packard, backed by the President and the military arms of the nation? These reckless persons, followed by an army of plantation hands, are arrayed against the responsible elements of society in Louisiana. Nobody's life is in danger, nor nobody's liberty. Is it possible that you can place the word of worthless vagabonds against that of every property-holder, banker, business man and *bona fide* citizen in Louisiana?"

Disastrous Fire.

SAVANNAH, 13.—A large fire in the depot cotton yard of the Georgia Central Railroad, to-night, destroyed one warehouse, twenty empty cars, twenty cars loaded with freight, and about 2,500 bales of cotton. The fire is still burning with the wind high and in a bad direction. About 1,000 white and colored people are working shoulder to shoulder to save the cotton. The fire is under control.

Whiskey Ring Cases Disposed of.

ST. LOUIS, 13.—Final disposition was made, to-day, in the United States District Court of all cases standing against persons who gave evidence against the whiskey ring. Col. Dyer and the district attorney appeared before the court and stated that while he never promised to *nolle pros.* the cases, he had intended to do so with the consent of the court, and would take all the responsibility of such action. District Attorney Bliss making no objection, Judge Treat ordered the discharge of the parties as follows: Jno. McFall, B. H. Englike, A. M. Everst, Con. Magrue, S. D. Thorper, F. M. Schroeder, and Zebe Leavenworth. In the case of Jno. D. Forlina, who had furnished money to run Touscher's distillery, and Fred. C. Federer, connected with the Binghams, fines of $1,000 and one day's imprisonment were imposed. The case of Joseph. M. Fitzroy was dismissed several days ago.

FOREIGN.

GREAT BRITAIN.

The Czar's Speech Finds an Enthusiastic Echo.

LONDON, 13.—A dispatch from St. Petersburg says the Czar's speech has found a general and enthusiastic echo throughout the Russian Empire. Town councils, diets, trades, merchants, guilds, the clergy, and in fact all classes unanimously declare, without qualification, their joy and readiness to contribute to and fulfil to the utmost all demands which the Czar and the Empire might make for the protection of the interests of Russia. They place their fortunes and all their resources at the disposal of the government to provide the necessary means.

The Eastern Question.

Sir Stafford Northcote, Chancellor of the Exchequer, speaking at a conservative banquet in Bristol to-night, alluded to the Eastern complication. He said the powers were not actuated by jealousy. He believed the Czar's speech had been misunderstood. He would not attempt to forecast what would happen if a conference failed, but he believed there was every reasonable probability of a peaceful settlement.

The Right Hon. Robert Lowe also spoke in Bristol to-night, at a dinner of the liberal party. He declared there was an impossibility of England's engaging in a war of which every Englishman ought to be ashamed. He deprecated Lord Beaconsfield's defiance of Russia. He thought the proposed conference would lead to no good, and feared the peace of Europe was in imminent jeopardy.

Specie Shipment.

There was £84,000 withdrawn from the Bank of England, to day, for shipment to America.

GREECE.

Military Preparations.

ATHENS, 13.—A public meeting of 7,000 citizens has been held here, at which it was resolved that an association be formed for promoting military preparations.

SPAIN.

Theatre Burned.

MADRID, 13.—The Cerlus theatre has been destroyed by fire. It is reported that some lives were lost in the building.

AUSTRIA.

Concentration of Troops.

VIENNA, 13.—The *Political Correspondence* publishes intelligence from Constantinople that the Turkish forces in the neighborhood of Erzeroum will shortly number 120,000. A camp will be established at Shumla for the troops now stationed at Nisch and 150 men of Dervish Pasha's army. Battalions from Yemen, Damascus, and Alleppo pass through Constantinople daily, *en route* for Schumla. The fleet of Turkish ironclads is being divided into four squadrons, one of which will remain in the Bosphorus, two will cruise in the Mediterranean, and the other, under command of Admiral Hobart Pasha, cruise in the Black Sea.

TURKEY.

The Porte and the Conference.

CONSTANTINOPLE, 13.—Newspapers here announce that the Porte has decided that it cannot state its views as to the proposal for a conference until it knows what points will be discussed.

WEST INDIES.

More Troops from Spain.

HAVANA, 13.—Three steamers have arrived from Spain since the last report, with 3,000 troops and four generals-in-chief. Martinez Campos, with his staff, left this city last night to take the field.

Our Country Contemporaries.

Ogden *Junction*, Nov. 13—

On Sunday morning a little boy about seventeen months old, son of Mr. Thomas Shipley, died from small-pox, and this morning a four year old son of Alderman F. A. Brown died from the same disease. We all grieve with those that mourn. Two more flags have been taken down since Saturday. One new case has appeared of a mild character on Sixth Street, in the lower part of town.

The Utah Northern R. R. Co. are putting in a new turn table north of their freight house in this city. This will be convenient. It is too far to go to Broom's Bench to turn a locomotive.

Another polygamous wife has commenced suit against her muchly wedded lord for a decree of divorce. It is the case of Ann Elizabeth Thomas against Wm. Thomas, both parties being of Ogden." The statement we have clipped is false because, first, there is no Wm. Thomas concerned in the case. Second, the parties do not live in Ogden, but in Plain City. Third, there is no polygamy in the case at all, the man having but one wife. Fourth, it is the man who has applied for a divorce. Fifth, he has not abused her, as the evidence shows, nor asserted that she has "no standing is court," from the fact that he cites her to appear in court to defend a suit in divorce. Sixth, the Commissioner has not placed Mr. Thomas under bonds, and has no legal authority to do so.

Mr. I. L. Wilson writes from Obed, Arizona, under date of Oct. 24th, to Mr. Wm. Rawson, stating that the Governor of Arizona had paid a visit to the "Mormon" settlers, extending to them a cordial welcome, and to all who choose to settle in that Territory. He has labored diligently to establish an efficient school system in Arizona, and wishes the new colonists to organize school districts, so that they may be entitled to their share of the school fund. He also directed their attention to a fine valley near Tucson, in which a crop of small grain and a crop of corn could be raised in one year. Three or four wagons and the mail were robbed, near Sunset Crossing, by fourteen men disguised. Captain Lot Smith and a company had started in pursuit. "The boys" were busy putting in fall grain. The saw mill had arrived, at the flatter, and lumber would soon be ready. They had found some rock suitable for roofing and flooring. A young men's association had been organized.

TARRANT'S SELTZER APERIENT

A dose of

TARRANT'S SELTZER APERIENT

has removed the agony of rheumatism, and its continued use entirely healed the patient. Rheumatism is but little understood. Some empirics resort to embrocations, which are really dangerous. It is now acknowledged to be a blood disease, resulting from acidity. This aperient corrects all such acidity, and thus cures the disease. All rheumatic sufferers are advised to try it.
