

HARDY DOWNING BEAT SAMUELSON

San Jose Sprinter Used His "Noodle" as Well as His Heels.

IN FRENCH STYLE OF GOING

"Timberline" Jack Hume Broke the Mile Motor Paced Record—Distance in 2:26 4-5.

The match race, best two in three heats, French style, between Hardy Downing and W. E. Samuelson, of the motor track at night, was the feature of an excellent program arranged by Manager Heagren.

Second in point of interest and stirring fan enthusiasm was "timberline" Jack Hume's great mile race, in which he lowered the record.

The match race was undoubtedly the best seen in the city and the "man with the motor" carried off the honors. Downing defeated Samuelson by taking the last two heats. Samuelson won the first heat by a spring drive.

In the second heat Samuelson started the sprint first but Downing caught him closely until the bell rang when he rode side by side with the Frenchman and passed him out at the tape.

It was an exciting and close race. In the third heat Downing did some fine jockeying and passed him and got what he wanted. He beat him by a margin of about half a mile.

Samuelson, who was a very close competitor, was a very close competitor. He was a very close competitor. He was a very close competitor.

GREAT YACHT RACE.

W. K. Vanderbilt Jr. and Howard Gould Match Theirs.

New York, Sept. 8.—W. K. Vanderbilt Jr., owner of the turbine steam yacht "Tartaruga," and Howard Gould, owner of the steam yacht "Niagara IV," have agreed to a race for \$10,000 a side, Sept. 15, over a course of 40 nautical miles on Long Island Sound.

The regatta committee of the New York Yacht club has the race in charge and will be in charge of the conditions governing the race. The committee is also in charge of the race.

The "Tartaruga" and "Niagara IV" are the two yachts that will be in the race. They are the two yachts that will be in the race.

HEAGREN TO STAY IN RACING GAME.

Will Leave for the Coast at Close of the Season Here.

TO GIVE MEET AT RENO, NEVADA

Expects to Take a Big String of Riders With Him—Game at Los Angeles and San Francisco.

Here is a little exclusive news that will interest all bike fans: Manager Heagren, of the Salt Lake City racing team, expects to stay in the business of promoting the bicycle racing game. He is going to branch out on a large scale and feels certain of success.

After the local season closes Heagren will go to the coast. He has a big job before him, but is confident of carrying out his plans. When he leaves here he will take with him a string of the best riders and will give a three days' meet at Reno, Nev. He will then go on to Los Angeles, San Francisco and San Jose.

Heagren is interested with a prominent business man of San Francisco, who has the sanction for a track in that city. There is no N. C. A. franchise there now, but Heagren will get one at Los Angeles. He will then go on to San Francisco and will probably manage the San Francisco track, the San Jose track, and the Denver track and this will give him a big direct to look after. He has paid them more money than he has received here before, and he certainly understands how to die up what the public wants.

Just when the game will close up here has not been decided upon. Manager Heagren says he has a special feature for the "fuzzy night" of the local riders will be matched in French style and the winner will compete in a final against the winner of the three-quarter-mile handicap and Heagren dashed over the tape a winner by a big margin.

Heagren and Samuelson teamed to the second lap race and beat the bunch, Heagren taking first, Downing finished third.

The summary follows: Quarter-mile, amateur, dual—Went, Carter, Marty, time—3:10. Three-quarter-mile, handicap, professional, dual—Hollister, C. Rodman, (10 yards), second, Roy Rodman, (10 yards), third, Hopper (10 yards), fourth, Times—2:15.

Mile match race, French style, between Downing and Samuelson—Won by Downing in 2:26 4-5. Time—2:26 4-5.

Mile paced against record—Hume rode against record, breaking record of 2:26 4-5.

Unlimited Australian pursuit, amateur—Hume, second, Hopper, third, Times—2:24. Distance—3 miles, 25 yards.

Two-mile professional lap—Hollister, Samuelson, Downing, Rowley, Time—3:32.

"PENNY" GOSSIP.

Britt and Nelson enter the ring at 2 o'clock. If they fight forty-five rounds that means two hours and fifteen minutes fighting.

It is hardly probable that Pocattello will get the proposed Willie-Rubin fight. Manager Heagren has a special feature for the "fuzzy night" of the local riders will be matched in French style and the winner will compete in a final against the winner of the three-quarter-mile handicap and Heagren dashed over the tape a winner by a big margin.

The Salt Lake and Park City ball teams will clash tomorrow afternoon. Manager Heagren has a special feature for the "fuzzy night" of the local riders will be matched in French style and the winner will compete in a final against the winner of the three-quarter-mile handicap and Heagren dashed over the tape a winner by a big margin.

THIS DON'T LOOK GOOD TO THE FANS

Sheriff of San Mateo County Says He Will Not Permit a Slug-ging Match.

THEN HOW WILL THEY FIGHT?

If Nelson is Not Permitted to Fight Hard He May as Well Keep Out of the Ring.

San Francisco, Sept. 8.—At 10 o'clock this morning James Britt and Battling Nelson will be officially weighed in as they have agreed to weigh 135 pounds or under, and both of the men will be nicely at the prescribed figure. In regard to the question of who shall referee the fight, the Call says that an important conference was held at an early hour this morning as a result of which it is probable Eddie Graney will referee the Britt-Nelson fight. The Britts have been shown that Noian will not give in and after an extended conference with Manager Corroth it was decided the referee there should be named at the ring-side. This meeting was a last resort to straighten out the tangled web.

The sheriff of San Mateo county, where the battle will take place, says that if it comes to a slug-ging match between the men he will stop the fight.
