SOLDIERS' REUNION. Hayes Speaks Lengthily on Educe tion, Financial and Commercial

Successes of the Country, Etc. ANTON, O., 1.—President Hayes in his speech to-day at the reunion of the Twenty-third Ohio Veterans said: I am fully convinced that the subject of popular education deserves the earnest attention of the people of the whole country with a view to wise and comprehensive action by the Government of the United States. The means at the com-mand of local and State authorities to deal with this question. The magnitude of the evil to be eradicat-States under the system of slavery,

First-In the late slave holding education was denied to colored peo-ple and the education of the nonslave holding white people was greatly neglected. By reason of this that in 1878 the total school population, white and colored, was 6,187,-584 and that only 2,710,096 were during that year enrolled in any out the means of education and citizenship and the right to vote were conferred upon the colored people by the remaining steps necessary to

the government and the people of the United States. It is, therefore, as sacred a duty as it is to the highest interest of the United States to see that these new citizens and voters that these new citizens and voters the grave of the United States to see that these new citizens and voters the grave of the United States to see that the seaports of the United States in shown by the following: are fitted by education for the grave States, is shown by the following: responsibility which has been cast upon them. Doctor Ruffner, school superintendent of Virginia, says: "I know not what is true of the North- the man engaged in legitimate inern and Western States, but I can dustry or business reckon more corsay for my State and for most of the rectly upon a reasonable remuneraeducate our people in any tolerable the present time. The people of forsense. We are too poor to do it. A few years ago I showed this conclusively by statistics. There has not selves. From all parts of Europe been much increase in financial the people are coming to America

of a State, her power of taxation has a limit.' COMPLETE ASSORTMENT there are over 200,000 Indians, al- guaranteed, which so strongly atare about to disappear. The solution of the Indian question will speedily are drawing to a close. There over which President Hayes presidwill soon be no room for the question as to the department to which the Indian will belong union of Ex-Soldiers and Sailors,

partment of the government bureau line. of education.

over 30,000, of whom only about onesixth are enrolled in the schools. It
will not be questioned that the
power of the General Government o "make all needful rules and regulations respecting territory belong-ing to the United States" is sufficient to authorize it to provide for the ed States.

rent decade of the population of our ed \$0,000 per month and during the to the "Original" Concentrated Lye and Religion who are wholly uneducated. The German's and Scandinavians have for the most part been educated at public schools in their paties land. After the most part being paties being a schools in their paties land. 1845 W. P. Wilstach, 1875, W. P. Wilstach & Cocation is greatly neglected. It may reasonably be estimated that at least ple of school age and upwards, who are unable to read and write any

language, and of these about 250,000 in a few years will share with us equally, man for man, the duties and responsibilities of citizen and The President quoted the words of Jefferson, Madison and Webster in favor of the schools and education, in which they agreed that the requisite maintenance of popular government was a popular education. Already in too many instances elections have become a farce, which

OUR PORK & VEAL are dairy for suffrage based upon universal education.

OUR CORN REEF has so squal. The our country, as everywhere else, it will be found that in the low and amendment, that Butler be nominated by acclamation. [Loud cheers and confusion.]

The our country, as everywhere else, it will be found that in the low and amendment, that Butler be nominated by acclamation. [Loud cheers and confusion.]

The important outers are polyterial and degrade, the rights of outer and amendment, that Butler be nominated by acclamation. [Loud cheers and confusion.]

A formal ballot resulted: Charles but of the degrade, the rights of outer and degrade, the rights of outer and degrade, the rights of outer and will ultimately ustroy its value in every other part of the republic.

The unvarying testimony of history
