Land Office Ruling.

WASHINGTON, 10.—In case of the Cash Lode of Colorado, the Commissioner of the General Land Office rules that in applications for patents under the mining laws, proof of citizenship is not required of the original locators or of the intermediate owners of the mine, but only of the applicants for the patent.

Precautionary Measures.

The recent action of the Treasury Department in regard to the establishment of precautionary measures against yellow fever at various ports is not intended to convey the impression that the disease exists anywhere along the Atlantic or Gulf coasts in epidemic form, but they are for the purpose of preventing its introduction by ships.

Call for a Republican Convention.

The call for a convention of republicans in the reconstructed States, to be held in Chattanooga, Tenn., October 13, is being widely signed by prominent republicans. The call says, "All republicans, whether of these or other States, who still earnestly seek to maintain the principles on which the Union was defended, and to inaugurate which in the South reconstruction was begun, and who feel an interest in the preservation of law and order and the rights of citizenship, are invited to attend this consultation; all should become possessed of the facts as to the true condition in their respective localities, so that an authoritative statement may be made to the country."

Another Child Lost.

NEW YORK, 10.—There is great excitement at Green Point, Long Island, over the disappearance of a three months old child of Jacob Hager, a wealthy German; the babe was taken out for a ride by a discharged nurse, who did not return until the next day, and then with a story that she had been captured by two men, who took the babe from her and shut her up in a house, from which she afterward escaped. The police believe that she either killed the child, or hid it for the purpose of blackmailing the parents.

Moulton's Additional Statement—A Denial.

The *Graphic* will, to-morrow, publish Moulton's additional statement in reply to Beecher, in its 3 o'clock edition.

President Orton, of the Western Union Telegraph, denies the rumors that his company has purchased a controlling interest in the Franklin and Atlantic and Pacific Telegraph Cos., with the intention of absorbing them; E. D. L. Sweet, of the Atlantic and Pacific Co., also denies the statements.

$60,000 Fire.

FARMINGTON, N. H., 10.—The stable and a portion of Varney's hotel were burned last night. The flames spread to Nute's shoe factory, destroying it; loss $60,000, insurance $45,000. Two hundred hands are thrown out of employment.

Conventions in Session.

COLUMBIA, S. C., 10.—The Republican Convention wasted yesterday and to-day, the committee on credentials not being ready to report. There is trouble over the charter delegation, the strongest in the State. Chamberlain and Moses stock is down, a dozen other parties being spoken of.

The Tax Union Convention organized to-day. The speakers were very temperate in their remarks, and a disposition was evinced to support only reliable men, if such are nominated by the republicans at the convention now in session.

Fastest Time on Record.

BUFFALO, 10.—At the running races at Buffalo Park, to-day, the race for the Buffalo cup and a thousand dollars, two and a half miles, was won by "Katie Pease," "Lizzie Lucas" second, "Wanderer" third; time 4.28½, the fastest cup time on record by six seconds.

Democratic Convention.

OMAHA, 10.—The State Democratic Convention met at Lincoln to-day, and was the largest ever held in the State, nearly every county being represented.

Arrested.

MEMPHIS, 10.—Douglas Jamison, one of the negroes taken by the mob from Trenton jail, is here in jail, in charge of the U.S. marshal, who refuses to all any communication with him, but it is believed that from the disclosures made by him the deputy U. S. marshal arrested five men at Pickettsville last night, who were concerned in the Trenton murders, and two others for whom warrants were out came in and surrendered themselves to the marshal.

Democratic Convention.

KALAMAZOO, Mich., 10.—The Democratic State Convention met here to-day. E. H. Thompson was chosen President. Resolutions were adopted arraigning the Republican party for extravagance, corruption and usurpation, and demanding the punishment of official dishonesty, the repeal of the "salary grab" and "press gag" laws, the reservation of the public lands for Union soldiers and sailors and actual settlers, the repeal of the legal tender act to take effect not later than July 4, 1876, a specie basis and free banks, with secured currency, a tariff for revenue only, the payment of all forms of national debt in coin or its equivalent when due, and an equal and just distribution of taxes and imports required to raise the needed revenue. The resolutions also demand in the management of State affairs, honesty and economy in expenditures, and prudence in taxation; they censure the present State administration for lack of both, and for their general management of financial affairs, and their refusal to allow representatives of the people to examine books and accounts of State; they favor a constitutional amendment giving the legislature power to regulate liquor traffic, declare the right of a State to regulate corporations created by it, but assert that the railroad and industrial interests of a State are identical, and should be reciprocal, and that the people have the right to such legislation as will secure reasonable and uniform rates of freight. The following nominations were made: Governor, Henry Chamberlain; lieut. Governor, Fred. Hall; secretary of State, Geo. H. House; State treasurer, Joseph M. Sterling; auditor, Gen. Jno. H. Graus; commissioner of the State land office, Chancey W. Green; attorney general, Martin V. Montgomery; superintendent of public instruction, Duane Doty; member of the State board of education, E. W. Andrews.

FOREIGN.

GREAT BRITAIN.

In the Dry Dock.

LIVERPOOL, 10.—The steamship *Alexandria*, sunk in the Mersey by a collision with the Spanish steamer *Tomas*, has been raised and taken to the dry dock; she had only ballast on board. The *Tomas* has also been docked.

Burned at Sea.

LONDON, 10.—The ship *Euxine*, while on the voyage from Shields for Aden, took fire and was destroyed; twenty-one of her crew who escaped in two boats have arrived at St. Helena after a voyage of over eleven hundred miles, during which neither boat saw the other; the third boat, containing the remainder of the crew, has not yet been heard from.

Defeated.

The *Times* dispatch says the Ameer of Kashgar has defeated the principal body of troops which were menacing his frontier.

FRANCE.

An Acknowledgment.

PARIS, 10.—The newspapers here publish an official Carlist dispatch, acknowledging that the Royalists fired on the German gunboats *Albatross* and *Nautilus*, at Guetaria. The dispatch declares that the vessels were endeavoring to effect a landing of armed men under the pretext of exercising their crews, and says the Carlists will recognize no combination of Serrano and his accomplices, but will exact respect for Spanish Territory, and resist the bravado with which Germany has endorsed the action of the gunboats.

PRUSSIA.

The End of the Matter.

BERLIN, 10.—A semi-official provincial correspondence, in an article on the recent attack on the German gunboats by Carlists, says that the *Albatross* having returned the Carlists' fire, the matter drops.

WEST INDIES.

For Active Service—A Loan.

HAVANA, 10.—The Captain General, to-day, issued a decree ordering out immediately, for active service, five per cent. of all the volunteers enrolled in the Island, to serve until the 1st of April next, which will add about thirty-five hundred men to the army.

The government has obtained a loan from the banks of a million in bills, and half a million in gold, with the promise to return it shortly.
